The registered agent of the Company in the State of Delaware shall be the registered agent named in the Certificate or such other Person or Persons as the Board of Directors may designate from time to time. The principal place of business of the Company and any other offices of the Company shall be at such locations as the Board of Directors may designate from time to time.

Subject to the provisions of this Agreement and except as prohibited by the Act, (i) the Company may, with the approval of the Board of Directors, enter into and perform obligations with respect to, any and all documents, agreements and instruments, all without any further act, vote or approval of any Member and (ii) the Board of Directors may authorize any Person (including any Member or officer) to enter into and perform obligations with respect to, any document on behalf of the Company.

ARTICLE III

MEMBERSHIP; DISPOSITIONS OF UNITS

3.1 Members.

(a) The schedule of Members of the Company, including the number of Class A Units held by each such Member, shall be kept in the books and records of the Company (the "Schedule of Members"). The Schedule of Members shall be maintained by a designee of the Secretary of the Company and will be updated from time to time to reflect any changes thereto, including changes in the number of Units outstanding or the ownership of outstanding Units. Such designee shall, upon request of a Member or its investment manager, provide to such Member or investment manager a written statement as of the close of each calendar quarter setting forth the applicable Member's Unit holdings. If such designee is not a third party, such statement shall be signed by the Secretary of the Company.

(b) No Member, in its capacity as a Member, shall have any management power over the business and affairs of the Company or actual or apparent authority to enter into contracts on behalf of, or to otherwise bind, the Company. Except as otherwise provided in this Agreement, the Board of Directors (but not the Directors individually), shall have full power and authority, in addition to the powers that now or hereafter can be granted to managers under the Act and to all other powers granted under any other provision of this Agreement to do all things on such terms as they may deem necessary or appropriate, to conduct, or cause to be conducted, the business and affairs of the Company.

3.2 Additional Members.

Subject to Section 3.4, Section 3.7 and Section 6.11, and the remainder of this Section 3.2 additional Persons may be admitted as new Members from time to time, and such additional Persons admitted to the Company shall be Members of the Company. Notwithstanding anything in Section 3.4 or Section 3.7 to the contrary, no admission of any new Member shall be effective until such new Member has (i) agreed to be governed by all of the terms and conditions of this Agreement in a joinder agreement substantially in the form of Exhibit A hereto and (ii) executed such other instruments as the Board of Directors may deem necessary or advisable to effect the admission of such Person as an additional Member. The admission of any new Member shall be effective at the time when all conditions to such Person's admission shall have been satisfied, as determined by the Board of Directors, and the Schedule of Members shall be updated accordingly.

3.3 Membership Units.

(a) Membership interests in the Company shall be represented by Units. The capital structure of the Company shall consist of the Units, which may be divided into one or more types or issued in one or more classes, series or subseries, in each case having such rights, powers, preferences, limitations and restrictions as may be determined by the Board of Directors and set forth in this Agreement. All Units issued hereunder shall be issued in uncertificated form, unless otherwise determined by the Board of Directors. Units may be issued in fractions.

(b) Except as otherwise required by this Agreement, each Class A Unit shall be entitled to one vote. No other Unit shall have the right to vote on any matter (except as may be required by applicable Requirements of Law).

(c) Except as otherwise expressly provided in this Agreement and subject to Section 3.7 and Section 6.11, the Board of Directors shall have the right to cause the Company to issue (i) additional Units or other Equity Securities in the Company (including creating other classes or series thereof having different rights); (ii) obligations, evidences of indebtedness or other securities or interests convertible or exchangeable into Class A Units, other Units or other interests in the Company and (iii) warrants, options or other rights to purchase or otherwise acquire Units or other interests in the Company. Except as otherwise expressly provided in this Agreement, the number of Units held by each Member shall not be affected by any issuance by the Company of Units to other Members. The Company shall not be required to redeem or repurchase any Member's Units and no Member shall have the right to withdraw from the Company or receive any return of any Capital Contribution. The Board of Directors shall have the power to make such amendments to this Agreement and the Schedule of Members as the Board of Directors in its discretion deems necessary, advisable, convenient or incidental to give effect to such additional issuance and any Capital Contribution made with respect thereto and such amendment shall not require any separate vote or consent of the Members, subject, in each case, to Section 11.4(b).

3.4 Restrictions on Transfers of Units.

(a) Subject to compliance with Section 3.5, Section 3.6 and Section 3.8 and the remainder of this Section 3.4, each Member may Transfer any right, title or interest in or to any or all of its Units, without the consent of the Board of Directors or any other Member; provided, however, that without the prior written consent of the Board of Directors and the holders of a Majority in Class A Interest, (i) prior to a Qualifying IPO (as defined in the Exit Facilities Credit Agreement), no Member shall Transfer, including any Involuntary Transfer, any right, title in or to any or all of its Units to the extent such Transfer would result in (A) fifty percent (50%) of the Units held by such Member as of the Effective Date ceasing to be beneficially owned (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), in the aggregate, directly or indirectly, by the Permitted Holders (as defined in the Exit Facilities Credit Agreement) or (B) a majority of the issued and outstanding Units ceasing to be beneficially owned (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), in the aggregate, directly or indirectly, by the Permitted Holders (as defined in the Exit Facilities Credit Agreement) and (ii) no Member shall Transfer, including any Involuntary Transfer, any right, title in or to any or all of its Units without Transferring the same pro rata portion of all Takeback Notes (as defined in the Plan) held by such Member to the same Transferee and, in each case, any and all attempts to do otherwise shall be null and void *ab initio* and of no force or effect whatsoever; provided, further, that, to the extent any Member that holds any rights in respect of voting on the appointment of Directors under the Certificate or this Agreement Transfers, or attempts to Transfer, any Units in violation of this Section 3.4, Section 3.5, Section 3.6 or Section 3.8, such Member shall thereafter cease to have such rights and, for the avoidance of doubt, no such rights shall transfer to the Transferee

with the Units if such Units were Transferred in violation of this Agreement. The restrictions on Transfers provided for in this Section 3.4 shall continue to apply to any subsequent Transferees.

(b) No Transfer (including an Involuntary Transfer) shall be effected pursuant to Section 3.4(a) without the satisfaction of the following conditions:

(i) The transferring Member shall have provided (A) notice to the Company at least fifteen (15) days prior to such Transfer, and (B) such information and documents relating to the Transfer as reasonably requested by the Company;

(ii) The Transferor and Transferee shall execute and deliver to the Company such documents and instruments of conveyance as may be necessary or appropriate in the reasonable opinion of counsel to the Company to effect such Transfer, including execution by the Transferee of a joinder agreement substantially in the form attached hereto as Exhibit A, agreeing to be bound by the terms and conditions of this Agreement, and a transfer agreement substantially in the form attached hereto as Exhibit B; provided, that in the case of any Involuntary Transfer, the Transfer shall be confirmed by presentation to the Company of legal evidence of such Transfer;

(iii) All necessary third party consents shall have been obtained;

(iv) The Transferee shall have paid all reasonable out-of-pocket expenses incurred by the Company (including any legal and accounting fees) in connection with such Transfer; and

(v) To the extent requested by the Board of Directors, delivery of such opinion, in a form satisfactory to the Board of Directors, that the Transfer will not violate the Securities Act or any state securities or "blue sky" laws applicable to the Company or the Units to be Transferred.

(c) Notwithstanding anything to the contrary herein, no Transfer of Units shall be permitted, nor shall any Transferee become a beneficial owner of Units pursuant to a Transfer, if such Transfer would cause (i) the Company to register a class of securities under Section 12(g) of the Exchange Act or to be required to file reports with the SEC under Section 15(d) of the Exchange Act; (ii) the Company to be subject to liability or reporting obligations in any jurisdiction, whether domestic or foreign, or to become subject to the jurisdiction of any Governmental Authority anywhere, other than the liabilities, reporting obligations or jurisdictions to which the Company is subject as of the date immediately preceding such Transfer; or (iii) noncompliance by the Company with any applicable Requirements of Law, including any applicable securities laws.

(d) A Transferee of Units shall, subject to compliance with this Section 3.4, become a Member upon the Transfer of Units to such Person, and the Schedule of Members shall be updated accordingly.

3.5 Tag-Along Rights.

(a) If, prior to an Initial Public Offering, one or more Class A Members (the "Tag-Along Initiating Members") proposes to Transfer in a single transaction or series of related transactions, 20% or more (individually or the aggregate) of the issued and outstanding Class A Units (a "Tag-Along Sale") to any Person that is not a Permitted Transferee (an "Unrelated Party"), then each other Class A Member who, collectively with its Affiliates and Approved Funds, holds 5% or more of the issued and

outstanding Class A Units (each, a "Tag-Along Seller") shall have the right and option (the "Tag-Along Right"), but not the obligation, to sell its Class A Units up to the Tag-Along Amount (as defined below) applicable to such Tag-Along Seller in such Tag-Along Sale, for the same form of consideration (or with the same rights to elect certain forms of consideration) and on the same terms and conditions as the Tag-Along Initiating Members (including customary representations, covenants, indemnities and agreements, so long as they are made severally and not jointly). As used in this Section 3.5, "Tag-Along Amount" means with respect to any Tag-Along Seller, the number of Class A Units calculated based on the number of Class A Units owned by such Tag-Along Seller relative to the aggregate number of Class A Units owned by the Tag-Along Initiating Members and all Tag-Along Sellers that exercise their Tag-Along Right. In the event that a Tag-Along Seller(s) exercises its Tag-Along Right pursuant to this Section 3.5, such Tag-Along Seller(s) shall be required to make the same representations and warranties as the Tag-Along Initiating Members in the Tag-Along Sale, including with respect to broker's fees, non-contravention, such Tag-Along Seller's authority to consummate such sale and its title to the Class A Units being sold, so long as they are made severally and not jointly; provided that (i) any representation relating specifically to a participating Tag-Along Seller and/or its ownership of the Unit to be Transferred shall be made only by such Tag-Along Seller, (ii) in no event shall any Member be obligated to (A) agree to any non-competition covenant, employee non-solicit covenant or other similar agreement restricting the business operations of the Member or any of its Affiliates or Approved Funds as a condition of participating in such Transfer (other than customary confidentiality obligations), (B) provide any release of claims, other than a release of claims that such Tag-Along Seller holds in its capacity as an equity holder of the Company, (C) amend, waive or terminate any agreement, contract or other arrangement (other than agreements, contracts and arrangements relating to such Tag-Along Seller's investment in the Company) and (D) make any capital contribution (or other funding commitment) or otherwise incur any expense (except to the extent set forth in Section 3.5(d)).

(b) At least fourteen (14) days prior to any Tag-Along Sale, the Tag-Along Initiating Members shall deliver a written notice (the "Tag-Along Sale Notice") to the Company and each Tag-Along Seller, specifying in reasonable detail (i) the identity of the proposed Transferee, (ii) the proposed purchase price per Class A Unit (including form of consideration or the right to elect such form of consideration), (iii) a summary of the other proposed material terms and conditions of the Tag-Along Sale and (iv) that the acquiror has been informed of the participation rights under this Section 3.5 and has agreed to purchase Class A Units from each Tag-Along Seller up to such Tag-Along Seller's Tag-Along Amount. Each Tag-Along Seller may elect to participate in the Tag-Along Sale by delivering written notice (a "Tag-Along Notice") to the Company and the Tag-Along Initiating Members within ten (10) days after delivery of the Tag-Along Sale Notice, which Tag-Along Notice shall state either (A) that the Tag-Along Seller elects to include in such Tag-Along Sale its full Tag-Along Amount or (B) if such Tag-Along Seller elects to include in such Tag-Along Sale a lesser number of Class A Units, such lesser number of such Units. Any failure by a Tag-Along Seller to deliver a Tag-Along Notice to the Company and the Tag-Along Initiating Members within such 10-day period shall be deemed an election by such Tag-Along Seller not to participate in such Tag-Along Sale with respect to the Class A Units held by such Tag-Along Seller, and the Tag-Along Initiating Members shall have the right to sell the Class A Units representing such non-participating Tag-Along Seller's Tag-Along Amount, on terms and conditions no more favorable in any material respect to such Tag-Along Initiating Members than those stated in the Tag-Along Sale Notice.

(c) By delivering the Tag-Along Notice, such Tag-Along Seller agrees to the following: (A) prior to the closing of any such Tag-Along Sale, to execute and deliver (or cause to be executed and delivered) any purchase agreement or other documentation required by the acquiror to consummate the Tag-Along Sale, which purchase agreement and other documentation shall be on terms no less favorable in respect of any material term to such Tag-Along Seller than those executed by the Tag-Along Initiating Members; and (B) at the closing of any such transaction, to take all other actions reasonably

necessary or desirable to cause the consummation of the Tag-Along Sale. In connection with a Tag-Along Sale pursuant to this Section 3.5, (i) the liability for indemnification and purchase price adjustments, if any, for each Tag-Along Seller shall be several, not joint (except in the event that any portion of the consideration respecting such sale is deposited into escrow or subject to a holdback arrangement, which escrow or holdback arrangements shall be funded *pro rata* based on the amount of sales proceeds actually received by such Tag-Along Seller in such Tag-Along Sale (assuming all escrow or holdback amounts are distributed to the sellers)), and shall be *pro rata* in accordance with the sale proceeds actually received by such Tag-Along Seller in connection with such Tag-Along Sale (assuming all escrow or holdback amounts are distributed to the sellers) and (ii) the total liability of each Tag-Along Seller (other than in the case of fraud by such Tag-Along Seller) shall be limited to the amount of sales proceeds actually received by such Tag-Along Seller from such Tag-Along Sale. If any Tag-Along Seller electing to participate in a Tag-Along Sale breaches any of its obligations under this Section 3.5, then such Tag-Along Seller will not be permitted to participate in such Tag-Along Sale and the Tag-Along Initiating Members can proceed to close such Tag-Along Sale excluding the sale of such Tag-Along Seller's Class A Units therefrom.

(d) The closing of the Tag-Along Sale shall be held at such place and on such date as determined by the Tag-Along Initiating Members and the Transferee. Upon the consummation of the Tag-Along Sale, the Transferee shall remit directly to each Tag-Along Initiating Member and each Tag-Along Seller, by wire transfer if available and requested by such Tag-Along Initiating Member or Tag-Along Seller, the consideration for such Tag-Along Initiating Member's or Tag-Along Seller's, as applicable, Class A Units sold pursuant to this Section 3.5 less such Tag-Along Initiating Member's or Tag-Along Seller's *pro rata* share of the expenses of the transaction including legal, accounting and investment banking fees and expenses incurred on behalf of all Tag-Along Initiating Members and Tag-Along Sellers, such determination of expenses to be determined in good faith by the Board of Directors; provided, that each Tag-Along Initiating Member and Tag-Along Seller shall be responsible for its own legal fees relating to such transaction. If the Tag-Along Sale is not consummated within one hundred eighty (180) days after delivery of the Tag-Along Notice, the Tag-Along Initiating Members may not sell any Class A Units unless such Tag-Along Initiating Members have again complied in full with this Section 3.5.

(e) No Tag-Along Seller shall (i) take any action that might impede, be prejudicial to or be inconsistent with, any Tag-Along Sale, (ii) assert, to the extent that an advance waiver is permitted by applicable non-waivable law, at any time, any claim against the Company or any other Member (including any Tag-Along Initiating Members) in connection with such Tag-Along Sale, other than any claim for non-compliance with this Agreement, or (iii) disclose to any Person (other than (y) to its Affiliates, and its and their respective officers, directors, employees, investors, lenders, representatives and advisors or (z) as requested or required pursuant to any Requirement of Law) any information related to such Tag-Along Sale (including the fact that discussions or negotiations are taking place concerning such Tag-Along Sale, or any of the terms, conditions or other facts with respect to such Tag-Along Sale).

(f) The Company shall, and shall use its commercially reasonable efforts to, cause its officers, employees, agents, contractors and others under its control to, cooperate and assist in any proposed Tag-Along Sale and not to take any action which might impede, be prejudicial to or be inconsistent with, any such Tag-Along Sale. Pending the completion of any proposed Tag-Along Sale, the Company shall use commercially reasonable efforts to operate in the ordinary course of business and to maintain all existing business relationships in good standing and otherwise comply with the terms of the documentation governing such Tag-Along Sale to which it is a party.

3.6 Drag-Along Rights.

(a) If a Class A Member or group of Class A Members holding, in the aggregate, 50% or more of the issued and outstanding Units (the "Drag-Along Initiating Sellers") propose to consummate a Transfer of at least 50% of the issued and outstanding Units or all or substantially all of the assets of the Company to an Unrelated Party (including in connection with a Sale Transaction, each a "Drag-Along Sale"), then such Members shall have the right (the "Drag-Along Right") to require each other Member (each, a "Drag-Along Seller") to sell the Drag-Along Portion of such Member's Units (or support such sale of all or substantially all assets) in such Drag-Along Sale for the same form and amount of consideration (and with the same rights to elect certain forms and amounts of consideration) and on the same terms and conditions as such Drag-Along Initiating Sellers (including customary representations, covenants, indemnities and agreements). As used in this Section 3.5, "Drag-Along Portion" means with respect to any Drag-Along Seller, the same percentage of Class A Units owned by such Drag-Along Seller as is equal to the percentage of Class A Units held by the Drag-Along Initiating Seller that is being Transferred pursuant to such Drag-Along Sale. In the event that the Class A Members exercise the option set forth in this Section 3.6, each other Member shall further be required to (i) consent to and raise no objections to such Drag-Along Sale, (ii) waive any appraisal rights which it may have in connection therewith, (iii) make the same representations and warranties as the selling Members, including with respect to broker's fees, non-contravention, such Member's authority to consummate such sale and its title to the Units being sold and (iv) take all other actions reasonably necessary or desirable to cause the consummation of such Drag-Along Sale. In connection with a Drag-Along Sale pursuant to this Section 3.6, (A) the liability for indemnification and purchase price adjustments, if any, for each Drag-Along Initiating Seller and Drag-Along Seller shall be several, not joint (except in the event that any portion of the consideration respecting such sale is deposited into escrow or subject to a holdback arrangement, which escrow or holdback arrangements shall be funded in *pro rata* accordance with the sale proceeds actually received by such Drag-Along Initiating Seller or Drag-Along Seller, as the case may be, in such Drag-Along Sale (assuming all escrow or holdback amounts are distributed to the sellers)), and shall be *pro rata* in accordance with the sale proceeds actually received by such Drag-Along Initiating Seller or Drag-Along Seller, as the case may be, in such Drag-Along Sale (assuming all escrow or holdback amounts are distributed to the sellers) and (B) the total liability of each Drag-Along Initiating Seller and each Drag-Along Seller (other than in the case of fraud by such Drag-Along Initiating Seller or Drag-Along Seller, as applicable) shall be limited to the amount of sales proceeds actually received by such Drag-Along Initiating Seller or Drag-Along Seller from such Drag-Along Sale. Notwithstanding anything to the contrary contained herein, in no event shall any Member be required, as a condition of participating in such Transfer, to (1) agree to any non-competition covenant, employee non-solicit covenant or other similar agreement restricting the business operations of the Member or any of its Affiliates or Approved Funds as a condition of participating in such Transfer (other than customary confidentiality obligations), (2) provide a release in any capacity other than such Member's capacity as a Member, (3) amend, waiver or terminate any agreements (other than investment related agreements) and (4) make any capital commitment or indemnify or contribute any amount in excess of the net cash amount received by such Member in any such Drag-Along Sale.

(b) At least fourteen (14) days prior to the expected consummation of any Drag-Along Sale, the Drag-Along Initiating Sellers shall deliver a written notice (the "Drag-Along Sale Notice") to the Company and each other Member, specifying in reasonable detail (i) the identity of the proposed Transferee, (ii) the proposed purchase price (including form of consideration or the right to elect such form of consideration) and (iii) a summary of the other proposed material terms and conditions of the Drag-Along Sale.

(c) Within ten (10) days after delivery of the Drag-Along Sale Notice, each Drag-Along Seller shall execute and deliver (or cause to be executed and delivered) any purchase agreement or

other documentation required by the acquiror to consummate the transaction (provided that the same are consistent with the provisions set forth in Section 3.6(a)), which purchase agreement and other documentation shall be on terms no less favorable in respect of any material term to such Drag-Along Seller with respect to its Units than those executed by the other Members participating in such Drag-Along Sale. The Drag-Along Initiating Sellers will deliver or cause to be delivered to each Drag-Along Seller copies of all transaction documents (including any schedules, exhibits and annexes thereto) relating to the Drag-Along Sale promptly as the same become available.

(d) The closing of the Drag-Along Sale shall be held at such place and on such date as determined by the Drag-Along Initiating Sellers and the Transferee. Upon the consummation of the Drag-Along Sale, the Transferee shall remit directly to each Drag-Along Initiating Seller and each Drag-Along Seller, by wire transfer if available and if requested by such Drag-Along Initiating Seller or Drag-Along Seller, as the case may be, the consideration for such Drag-Along Initiating Seller or Drag-Along Seller's Units sold pursuant to this Section 3.6 less such Drag-Along Initiating Seller or Drag-Along Seller's *pro rata* share (based on the consideration actually received) of the expenses of the transaction incurred on behalf of and for the benefit of all Members (it being understood that expenses incurred on behalf of a Member for his, her or its sole benefit will not be considered to be for the benefit of all Members) including legal, accounting and investment banking fees and expenses, such determination of expenses to be determined in good faith by the Board of Directors.

3.7 Preemptive Rights.

(a) If the Company or any of its Subsidiaries shall propose to issue and sell any new Class A Units or other Equity Securities of any kind, or if the Company or any of its Subsidiaries shall propose to issue and sell securities convertible into or exercisable or exchangeable for Class A Units or any other Equity Securities of the Company or any of its Subsidiaries, or any securities of any type whatsoever that are, or may become, convertible into any Equity Security of the Company or any of its Subsidiaries, in each case other than Excluded Securities, after the date hereof (collectively, the "Additional Equity Securities"), each Class A Member that, collectively with its Affiliates and Approved Funds, holds 5% or more of the issued and outstanding Units (the "Qualifying Class A Members") shall have the right to purchase (on the same terms and conditions as the Company proposes to issue the Additional Equity Securities) that number of such Additional Equity Securities (the "Pro rata Portions") equal to the product of (y) the total number of Additional Equity Securities to be issued, multiplied by (z) a fraction, the numerator of which is the number of Class A Units held by such Member (directly or indirectly), and the denominator of which is the aggregate number of Class A Units outstanding at such time. For the avoidance of doubt, the calculation of the "Qualifying Members" shall include Units issued pursuant to the Management Incentive Plan and shall exclude Units allocated to the Management Incentive Plan that have not yet been issued.

(b) At least fifteen (15) days prior to any proposed issuance of Additional Equity Securities, the Company shall deliver a written notice of such issuance (the "Preemptive Offer") to each Qualifying Class A Member, specifying in reasonable detail the amount, type and terms of such Additional Equity Securities. The Preemptive Offer shall by its terms remain open for a period of ten (10) days from the date of delivery thereof (the "Acceptance Period") and shall specify the date on which the Additional Equity Securities may be purchased by the Qualifying Class A Members, which date shall be at least fifteen (15) but not more than ninety (90) days from the date of the Preemptive Offer. Each Qualifying Class A Member may elect to purchase all or a portion of the Additional Equity Securities that such Member is entitled to purchase pursuant to the Preemptive Offer by providing written notice thereof to the Company within the 10-day period set forth above, including in such written notice the maximum number of Additional Equity Securities it intends to purchase. Each Qualifying Class A Member that elects to purchase

or acquire all of the Additional Equity Securities available to it (each, a "Fully Exercising Member") shall have the additional right (the "Additional Purchase Right") to offer in its notice of exercise to purchase any or all of the Additional Equity Securities not accepted for purchase by any other Qualifying Class A Member, in which event such Additional Equity Securities not accepted by any other Qualifying Class A Member shall be deemed to have been offered to and accepted by the Fully Exercising Members exercising such Additional Purchase Right in proportion to their relative Pro rata Portions on the same terms and at the same price per Additional Equity Security as those specified in the Preemptive Offer, but in no event shall any Fully Exercising Member exercising its Additional Purchase Right be allocated a number of Additional Equity Securities in excess of the maximum number such Fully Exercising Member has offered to purchase in its notice of exercise.

(c) If all of the Additional Equity Securities are not elected to be purchased as provided in Section 3.7(b), the Company may, during a period of ninety (90) days following the expiration of the Acceptance Period, sell or issue the remaining unsubscribed portion of Additional Equity Securities to any Person at a price not less than, and upon the terms set forth in, the Preemptive Offer.

(d) The closing of the sale of the Additional Equity Securities (including the sale of any Additional Equity Securities pursuant to Section 3.7(b) and Section 3.7(c)) shall be held at such place and on such date as determined by the Company, but in no event later than ninety (90) days (or longer, if reasonably necessary to comply with applicable Requirements of Law) after the expiration of the Acceptance Period. If the Company has not sold the Additional Equity Securities, or entered into an agreement to sell the Additional Equity Securities within such 90-day period (or longer, if reasonably necessary to comply with applicable Requirements of Law), the Company shall not thereafter issue or sell such Additional Equity Securities to any Transferee without again complying with the provisions of this Section 3.7.

(e) Notwithstanding anything to the contrary in this Section 3.7, the Board of Directors may, in its reasonable discretion, cause the Company to issue Additional Equity Securities prior to giving any notice or the expiration of the applicable waiting periods described in Section 3.7(b) so long as, within sixty (60) days following such issuance, the Fully Exercising Members receive the benefits of this Section 3.7 they would have received had the waiting periods been complied with; provided, however, that such Preemptive Offer shall by its terms remain open for a period of ten (10) days from the date of delivery thereof; provided, further, that nothing in this Section 3.7(e) shall require that any previously issued Additional Equity Securities be transferred or redeemed.

(f) Each Qualifying Class A Member may transfer its rights under this Section 3.7 to any Permitted Transferee of such Member.

3.8 Initial Public Offering.

(a) In the event that at any time after the date hereof, the Board of Directors determines that it shall facilitate an offering of Equity Securities in the Company or a successor through an Initial Public Offering, then the Board of Directors shall have the power to cause the Company to be reorganized as a corporation (such corporation or other issuer entity being hereinafter referred to as a "Public Vehicle") under the General Corporation Law of the State of Delaware by incorporation, merger, conversion, contribution, formation of a corporate Subsidiary or other permissible manner (a "Conversion"), and the Members shall use their commercially reasonable efforts to effectuate such Conversion and take such actions as are reasonably necessary or desirable to complete the Initial Public Offering in a manner designed to achieve a fair price and broad public distribution of the securities being offered in the Initial Public Offering.

(b) If applicable, the Members holding Units shall receive, in exchange for their Units of a particular class, shares of stock in the Public Vehicle of the relevant class having the same relative seniority, preference, accumulated dividends, dividend rate, dividend accumulation and compounding and, in the case of the Class A Units, the other characteristics of the Class A Units, voting, management and consent rights, economic interest and other rights and obligations (and in no event shall such interest, rights or obligations be less favorable to such Member than the terms of their respective Units) in the Public Vehicle as are set forth in this Agreement applicable to the Units, subject to any modifications deemed appropriate by the Board of Directors as a result of the Conversion or if advisable in order to effectuate the Initial Public Offering.

(c) In such event, the Public Vehicle and the Members (in their capacities as stockholders of the Public Vehicle) shall enter into a stockholders' agreement providing for such terms and conditions as are necessary for the rights and obligations and provisions of this Agreement that survive an Initial Public Offering (and do not otherwise adversely affect the ability to effectuate the Initial Public Offering) to continue to apply to the Public Vehicle, the stockholders of the Public Vehicle and the capital stock of the Public Vehicle, including (i) an agreement to vote all shares of capital stock held by such stockholders to elect the Board of Directors of such resulting corporation in accordance with the substance of Section 6.1, and (ii) the rights and obligations of the Members contained herein (which may, at the election of the holders of a Majority Class A Interest, be contained in the Public Vehicle's certificate of incorporation).

(d) Except as otherwise provided in this Section 3.8, no Member will have the right or power to veto, vote for or against, amend, modify or delay a Conversion or the Initial Public Offering. In furtherance of the foregoing, each Member hereby makes, constitutes and appoints the Company its true and lawful attorney, for it and in its name, place and stead and for its use and benefit, to act as its proxy in respect of any vote or approval of Members required to give effect to this Section 3.8, including any vote or approval required under the Act. The proxy granted pursuant to this Section 3.8(d) is a special proxy coupled with an interest and is irrevocable.

(e) The Company and the Members hereby agree to use their commercially reasonable efforts to structure the Conversion to maximize the ability of the Members to aggregate (or "tack") the period during which they hold their Units together with the period during which they hold shares of capital stock of the Public Vehicle for purposes of the United States securities laws, including Rule 144 under the Securities Act.

(f) Each Member (including any Transferee thereof) agrees, if requested by the Company and a managing underwriter, if any, in connection with any Initial Public Offering and upon confirmation reasonably satisfactory to such Member that all officers and directors of the Company and all holders, collectively with their Affiliates and Approved Funds, of one percent (1%) or greater of Equity Securities of the Company shall enter into similar agreements, thereby agreeing not to Transfer any Equity Securities of the Company held by it for one hundred eighty (180) days following the effective date of the relevant registration statement filed under the Securities Act in connection with the Initial Public Offering, as such managing underwriter shall specify reasonably and in good faith. Each Member shall enter into customary letter agreements to the foregoing effect if so, requested by the Company and the managing underwriter, if any. Notwithstanding the foregoing, in the event any Member is released by the Company and the managing underwriter, if any, from the restrictions contemplated by this Section 3.8(f), all other Members shall be released from such restrictions pro-rata.

(g) Notwithstanding anything to the contrary set forth in this Agreement, the restrictions contained in this Agreement shall not apply to Units, any other Equity Securities or any

conference or similar communications equipment by means of which all persons participating in the meeting can hear one another, and such participation shall constitute presence or attendance of such Person at such meeting.

(e) Subject to Section 11.4, the presence (whether in person, telephonically or otherwise) of at least a majority of the Members shall constitute a quorum for the transaction of business, and Majority Class A Approval shall constitute the act of the Members on any matter on which the Members have the authority to act.

(e) The rights granted to the Other Members pursuant to this Section 6.9 will not be assignable, whether in whole or in part, in connection with a Transfer of Units.

Exhibit B

Form of Transfer Agreement

TRANSFER AGREEMENT, dated as of [●] (this "Agreement"), by and between [●] (the "Transferor") and [●] (the "Transferee").

WHEREAS, the Transferor is a Member of New Rite Aid, LLC (the "Company"), as such term is defined in the Amended and Restated Limited Liability Company Agreement of the Company, dated as of August 30, 2024 (as amended, supplemented or otherwise modified from time to time, the "Limited Liability Company Agreement"). Capitalized terms used but not defined herein shall have the meaning ascribed thereto in the Limited Liability Company Agreement; and

WHEREAS, the Transferor desires to transfer to the Transferee, and the Transferee desires to accept from the Transferor, the Transferred Units (as defined herein), subject to the terms and conditions of this Agreement.

NOW THEREFORE in consideration of the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

ARTICLE I

TRANSFER OF TRANSFERRED UNITS

1.1 Transfer. Subject to the terms and conditions of this Agreement, at the Closing (as defined below), the Transferor shall transfer to the Transferee, and the Transferee shall accept from the Transferor, [●] Class A Units (collectively, the "Transferred Units") in exchange for an amount equal to $[●] (the "Purchase Price").

1.2 Closing. The transfer of the Transferred Units shall take place on the date hereof (the "Closing"). At the Closing, (a) the Transferor shall deliver to the Transferor the Transferred Units, (b) the Transferee shall deliver to the Transferor, by wire transfer of immediately available funds to an account designated by the Transferor, the Purchase Price, and (c) the Transferee shall execute and deliver to the Company a joinder to the Limited Liability Company Agreement, substantially in the form attached as Appendix A (the "Joinder"), collectively with the Limited Liability Company Agreement and this Agreement, the "Transaction Agreements"). Upon such execution and delivery of the LLCA Joinder, the Transferee will become bound by the terms and conditions of the Limited Liability Company Agreement and become a Member.

ARTICLE II

REPRESENTATIONS AND WARRANTIES OF THE TRANSFEREE

The Transferee represents and warrants to the Transferor and the Company as of the Closing as follows:

2.1 Organization and Standing. The Transferee is duly organized or formed, validly existing in good standing under the laws of the jurisdiction of its incorporation or formation and has all requisite power and authority to execute and deliver the Transaction Agreements and to perform its obligations hereunder and thereunder.

2.2 Authority. The execution and delivery by the Transferee of the Transaction Agreements and the consummation by the Transferee of the transactions contemplated thereby have been duly authorized by all necessary action on the part of the Transferee. The Transaction Agreements have been duly executed and delivered by the Transferee, and the Transaction Agreements constitute legal, valid and binding obligations of the Transferee, enforceable against the Transferee in accordance with their respective terms.

2.3 No Conflict. The execution and delivery by the Transferee of this Agreement does not, and the execution and delivery by the Transferee and the consummation by the Transferee of the transactions contemplated hereby, thereby and by the Limited Liability Company Agreement will not (with or without the giving of notice or the lapse of time or both), contravene, conflict with or result in a breach or violation of, or a default under, (i) the Transferee's limited liability company agreement or certificate of limited liability company (or similar constitutive documents), (ii) any judgment, order, decree, statute, rule, regulation or other law applicable to the Transferee or (iii) any contract, agreement or instrument by which the Transferee is bound. No consent, approval, order or authorization of, or registration, declaration or filing with, any court, administrative agency or commission or other governmental authority or instrumentality, domestic or foreign, is required by or with respect to the Transferee in connection with the execution and delivery by the Transferee of this Agreement or the Joinder or the consummation by the Transferee of the transactions contemplated hereby, thereby or by the Limited Liability Company Agreement.

2.4 Access to and Evaluation of Information Concerning the Company. The Transferee has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of accepting the Transferred Units, including the risk that the Transferee could lose the entire value of the Transferred Units, and has so evaluated the merits and risks of such acceptance. The Transferee has been given access to the kind of information concerning the Company that is required by Schedule A of the Securities Act of 1933, as amended (the "Securities Act"), to the extent that the Transferor possesses such information, has received all information which the Transferee believes to be necessary in order to reach an informed decision as to the advisability of accepting the Transferred Units and has had answered to the Transferee's reasonable satisfaction any and all questions regarding such information. The Transferee has made such independent investigation of the Company, its management, and related matters as the Transferee deems to be necessary or advisable in connection with the acceptance of the Transferred Units, and is able to bear the economic and financial risk of accepting the Transferred Units (including the risk that the Transferee could lose the entire value of the Transferred Units).

2.5 Accredited Investor; No Public Distribution Intent. The Transferee is an "accredited investor" as defined in Rule 501 of Regulation D promulgated under the Securities Act. The Transferee is accepting the Transferred Units for the Transferee's own benefit and account for investment only and not with a view to, or for resale in connection with, a public offering or distribution thereof.

ARTICLE III

ACKNOWLEDGMENTS AND AGREEMENTS OF THE TRANSFEREE

The Transferee acknowledges and agrees as follows:

3.1 No Market for Transferred Units. A market for the resale of any of the Transferred Units may not exist. Accordingly, the Transferee must bear the economic and financial risk of an investment in the Transferred Units for an indefinite period of time.

3.2 No Registration. The Transferred Units have not been registered under the Securities Act or the securities laws of any other jurisdiction and that the transfer of the Transferred Units are being made in reliance on one or more exemptions from the registration requirements under the Securities Act or the securities laws of any other jurisdiction. Accordingly, no "Transfer" (as defined in the Limited Liability Company Agreement) of any of the Transferred Units is permitted unless such transfer is registered under the Securities Act or permitted under other applicable securities laws, or an exemption from such registration or restriction is available.

3.3 Transfer Restrictions. The Transferred Units are subject to the restrictions on "Transfer" (as defined in the Limited Liability Company Agreement). Accordingly, no "Transfer" of any of the Transferred Units is permitted unless such transfer complies with the applicable provisions of the Limited Liability Company Agreement.

3.4 Disclosure. Other than the representations and warranties set forth in Article IV, neither the Transferor nor any other Person makes any representation or warranty, expressed or implied, as to the accuracy or completeness of the information provided or to be provided to the Transferee by or on behalf of the Transferor or related to the transactions contemplated hereby, and nothing contained in any documents provided or statements made by or on behalf of the Transferor to the Transferee is, or shall be relied upon as, a promise or representation by the Transferor or any other Person that any such information is accurate or complete.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE TRANSFEROR

The Transferor represents and warrants to the Transferee and the Company as of the Closing as follows:

4.1 Organization and Standing. The Transferor is duly organized or formed, validly existing in good standing under the laws of the jurisdiction of its incorporation or formation and has all requisite power and authority to execute and deliver this Agreement and to perform its obligations hereunder.

4.2 Authority. The execution and delivery by the Transferor of this Agreement and the consummation by the Transferor of the transactions contemplated hereby have been duly authorized by all necessary action on the part of the Transferor. This Agreement has been duly executed and delivered by the Transferor, and this Agreement constitutes legal, valid and binding obligations of the Transferor, enforceable against the Transferor in accordance with its respective terms.

4.3 No Conflict. The execution and delivery by the Transferor of this Agreement does not and the consummation by the Transferor of the transactions contemplated hereby and by the Limited Liability Company Agreement will not (with or without the giving of notice or the lapse of time or both), contravene, conflict with or result in a breach or violation of, or a default under, (i) the Transferor's limited liability company agreement or certificate of limited liability company (or similar constitutive documents), (ii) any judgment, order, decree, statute, rule, regulation or other law applicable to the Transferor or (iii) any contract, agreement or instrument by which the Transferor is bound. No consent, approval, order or authorization of, or registration, declaration or filing with, any court, administrative agency or commission or other governmental authority or instrumentality, domestic or foreign, is required by or with respect to the Transferor in connection with the execution and delivery by the Transferor of this Agreement or the consummation by the Transferor of the transactions contemplated hereby and by the Limited Liability Company Agreement.

4.4 Title to Transferred Units; Permitted Transfer. The Transferor has good and valid title to the Transferred Units free of any liens, claims or other encumbrances (other than those provided for herein or arising under the Limited Liability Company Agreement, those attributable to actions by the Transferee and those under the Securities Act or other applicable securities laws). The Transfer of the Transferred Units to the Transferee is permitted by, and has been effected in compliance with, the Limited Liability Company Agreement.

ARTICLE V

MISCELLANEOUS

5.4 Entire Agreement. This Agreement (including the Appendices), the Limited Liability Company Agreement and the other writings referred to herein or delivered pursuant hereto which form a part hereof contain the entire agreement among the parties hereto with respect to the subject transactions contemplated hereby and supersede all prior oral and written agreements and memoranda and undertakings among the parties hereto with regard to this subject matter.

5.5 Severability. If any provision of this Agreement shall be declared by a court of competent jurisdiction to be invalid, illegal or unenforceable, such provision shall survive to the extent it is not so declared, and the validity, legality and enforceability of the other provisions hereof shall not in any way be affected or impaired thereby, unless such action would substantially impair the benefits to either party of the remaining provisions of this Agreement.

No provision of this Agreement shall be construed against or interpreted to the disadvantage of any party by any court or arbitrator or any governmental authority by reason of such party having drafted or being deemed to have drafted such provision.

5.9 Preamble; Recitals. The preamble and recitals contained in this Agreement are hereby incorporated by reference within the terms and conditions of this Agreement and are to have full force and effect.

5.10 Further Assurances. ARTICLE II
REGISTRATION RIGHTS

Section 2.1 Demand Registration Right.

(a) From and after the date of an IPO, at any time the Company does not qualify for the use of Form S-3 promulgated under the Securities Act (or any successor form to Form S-3, or any similar short-form Registration Statement), (i) each Holder or group of Holders of Registrable Securities, which collectively hold (together with their Affiliates) Registrable Securities that constitute, in the aggregate, at least fifteen percent (15%) of the outstanding Issuer Units (collectively, the "Initiating Demand Holders"), may make a written request (specifying the intended method of disposition, such as an underwritten offering or a block trade, and the amount of Registrable Securities proposed to be sold) that the Company effect, and the Company shall use its reasonable best efforts to effect, a registration of its Issuer Units under the Securities Act (a "Demand Registration") of all or any requested portion of the Registrable Securities collectively held by such Holders (subject to SECTION 2.4(a)); *provided that* the Company shall not be obligated to effect such registration until after the expiration of any lock-up agreements entered into by the Initiating Demand Holders in connection with the IPO or (ii) the Board of Directors may determine to commence a registration of Registrable Securities held by Holders under the Securities Act (a "Company Initiated Resale Registration"), and the Company shall use its reasonable best efforts to effect a registration of Registrable Securities for all Holders that exercise piggyback registration rights under SECTION 2.2 (subject to SECTION 2.4(a)).

(b) If (x) the Board of Directors, in its good faith judgment, determines that any registration of the Registrable Securities pursuant to a Demand Registration or a Company Initiated Resale Registration should not be made or continued because it would materially interfere with any material financing, acquisition, corporate reorganization or merger or other material transaction involving the Company and/or (y) the Company, based on the advice of counsel, is in possession of material non-public information, the disclosure of which during the period specified in such notice, the Company reasonably believes would not be in the best interests of the Company (each of clauses (x) and (y), a "Valid Business Reason"), the Company may (i) postpone filing a Registration Statement relating to a Demand Registration or a Company Initiated Resale Registration until such Valid Business Reason no longer exists, but in no event

for more than ninety (90) days, and (ii) in case a Registration Statement has been filed relating to a Demand Registration or a Company Initiated Resale Registration, if the Valid Business Reason has not resulted from actions taken by the Company, the Company, upon the approval of a majority of the Board of Directors, acting in good faith, (x) may cause such Registration Statement to be withdrawn and its effectiveness terminated; *provided*, *however*, that a new Registration Statement is filed within ninety (90) days thereafter, or (y) may postpone amending or supplementing such Registration Statement, but in no event for more than ninety (90) days; *provided*, *however*, that if the registration of Registrable Securities is postponed or withdrawn pursuant to this SECTION 2.1(b), the Company shall not be permitted to register under the Securities Act any Issuer Units, other than Issuer Units or other equity securities to be issued in connection with an acquisition, during any such postponement or during the period from such withdrawal to the filing of such new Registration Statement. The Company shall give written notice of its determination to postpone or withdraw a Registration Statement and of the fact that the Valid Business Reason for such postponement or withdrawal no longer exists, in each case, promptly after the occurrence thereof. Notwithstanding anything to the contrary contained herein, the Company may not postpone or withdraw a filing or filings under this SECTION 2.1 (i) more than twice in any twelve (12) month period (except that the Company shall be able to use this right more than twice in any twelve (12) month period if the Company is exercising such right during the fifteen (15) day period prior to the Company's regularly scheduled quarterly earnings announcement date and the total number of days of postponement in such twelve (12) month period does not exceed one hundred and five (105) days), or (ii) except as contemplated in the parenthetical in (i) immediately above, for more than ninety (90) days, in the aggregate for all such postponements or withdrawals, in any twelve (12) month period. For the avoidance of doubt, any postponement or withdrawal of a Registration Statement for a Demand Registration shall result in the related registration of Registrable Securities not constituting a Demand Registration for purposes of SECTION 2.3 hereof.

(c) At the request of the Initiating Demand Holders, the Company shall use its reasonable best efforts to cause a Demand Registration to be in the form of a firm commitment underwritten offering; *provided* that the aggregate offering price of the Issuer Units to be sold by the Holders in the applicable offering (before deduction of underwriter discounts and commissions) is reasonably expected to exceed, in the aggregate, $50.0 million. The managing underwriter or underwriter selected for such offering shall be selected by the Initiating Demand Holders (the "IM Underwriter"), which must be reasonably acceptable to the Company; *provided* that the Initiating Demand Holders may delegate their rights under this sentence to the Board of Directors. In connection with any Demand Registration under this SECTION 2.1 involving an underwritten offering, none of the Registrable Securities held by an Initiating Demand Holder making a request for inclusion of such Registrable Securities shall be included in such underwritten offering unless such Initiating Demand Holder accepts the terms of the offering as agreed upon by the Company and the IM Underwriter, such terms to be in an underwriting agreement in customary form; provided, that the obligation of such Person to indemnify pursuant to any such underwriting arrangements shall be several, not joint and several, among such Persons selling Registrable Securities, and the liability of each such Person will be in proportion thereto, and provided, further, that such liability will be limited to the net proceeds received by such Person from the sale of his, her or its Registrable Securities pursuant to such registration. In the event that any Company Initiated Resale Registration is in the form of a firm commitment underwritten offering, the managing underwriter or underwriter selected for such offering shall

be selected by the Company (such managing underwriter or underwriter, or any other managing underwriter or underwriter selected by the Company pursuant to SECTION 2.2(b), the "Company Underwriter").

Section 2.2 Piggyback Registration Right.

(a) Within ten (10) Business Days following receipt by the Company of a request from the Initiating Demand Holders to effect a Demand Registration, the Company shall give written notice of such request to each other Holder of Registrable Securities which is known to the Company to hold (together with its Affiliates) at least one percent (1%) of the outstanding Issuer Units (the "Non-Initiating Holders") which shall describe the anticipated filing date, the proposed registration and plan of distribution, and offer the Non-Initiating Holders the opportunity to register their Registrable Securities (an "Incidental Registration") in such registration. Following the receipt of such notice, each Non-Initiating Holder shall be entitled, by delivery of a written request to the Company delivered no later than ten (10) Business Days following receipt of notice from the Company, to include all or any portion of their Registrable Securities in such Demand Registration (subject to SECTION 2.4(a)). If the Demand Registration is in the form of an underwritten offering, the right of each Non-Initiating Holder to have Registrable Securities included in such Demand Registration pursuant to this SECTION 2.2(a) shall be conditioned upon each Non-Initiating Holder entering into (together with the Initiating Demand Holders) an underwriting agreement in customary form with the IM Underwriter on the same terms as the Initiating Demand Holders. Subject to SECTION 2.4, the Company shall use its reasonable best efforts (within ten (10) Business Days of the notice provided for above) to cause the IM Underwriter to permit the Non-Initiating Holders to participate in the Incidental Registration to include their Registrable Securities in such offering on the same terms and conditions as the Registrable Securities being sold for the account of the Initiating Demand Holders.

(b) In connection with any Company Initiated Resale Registration or any other registration by the Company after the IPO, whether for its own account or for the benefit of any Holders or both (other than a registration statement on Form S-4 or S-8 or any successor thereto), the Company shall give written notice to each Holder of Registrable Securities which is known to the Company to hold (together with its Affiliates) at least one percent (1%) of the outstanding Issuer Units, at least twenty (20) Business Days prior to the proposed filing date of the Registration Statement. Following the receipt of such notice, each Holder shall be entitled, by delivery of a written request to the Company delivered no later than ten (10) Business Days following receipt of notice from the Company, to include all or any portion of its Registrable Securities in such offering (subject to SECTION 2.4(b)). The right of each Holder to have Registrable Securities included in an offering pursuant to this SECTION 2.2(b) shall be conditioned (if an underwritten offering) upon each Holder entering into (together with the Company) an underwriting agreement in customary form with the Company Underwriter. Subject to SECTION 2.4, the Company shall use its reasonable best efforts (within ten (10) Business Days of the notice provided for above) to cause the Company Underwriter to permit the Holders to participate in a registration pursuant to this SECTION 2.2(b) to include their Registrable Securities in such offering on the same terms and conditions as the Issuer Unit Equivalents being sold for the account of the Company or any other Holder; provided, that the obligation of such Person to indemnify pursuant to any such underwriting arrangements shall be

several, not joint and several, among such Persons selling Registrable Securities, and the liability of each such Person will be in proportion thereto, and provided, further, that such liability will be limited to the net proceeds received by such Person from the sale of his, her or its Registrable Securities pursuant to such registration.

Section 2.3 Effective Demand Registration. The Company shall use its reasonable best efforts to file a Registration Statement relating to a Demand Registration or a Company Initiated Resale Registration as soon as practicable and, in any event, within sixty (60) days after receiving a request under SECTION 2.1(a) hereof or the Board of Directors making a determination under SECTION 2.1(a) and the Company shall use reasonable best efforts to cause the same to be declared effective by the Commission as promptly as practicable after such filing and to remain effective for the lesser of (i) the period during which all Registrable Securities registered in the Demand Registration are sold and (ii) one hundred and eighty (180) days, *provided*, *however*, that a registration shall not constitute a Demand Registration if (x) after such Demand Registration has become effective, such registration or the related offer, sale or distribution of Registrable Securities thereunder is interfered with by any stop order, injunction or other order or requirement of the Commission or other Governmental Authority for any reason not materially attributable to any of the Initiating Demand Holders and such interference is not thereafter eliminated or (y) the conditions specified in the underwriting agreement, if any, entered into in connection with such Demand Registration are not satisfied or waived, other than by reason of a failure by the Initiating Demand Holders. Subject to the exceptions described in SECTION 2.1, SECTION 2.5 and this SECTION 2.3, the Company shall not be required to effect more than an aggregate of three (3) Demand Registrations or S-1 Shelf Registrations in any twelve (12) month period; provided, however, that a Demand Registration shall not be counted for such purpose unless the applicable Registration Statement has become effective and at least fifty percent (50%) of the Registrable Securities requested by the Initiating Demand Holders and Non-Initiating Holders (if any) to be registered in such Demand Registration (and Incidental Registration, if applicable) have been sold.

Section 2.4 Cutback.

(a)

(i) With respect to any Demand Registration for an underwritten offering, any Company Initiated Resale Registration for an underwritten offering, any Underwritten Shelf Take-Down, in each case that does not include Issuer Unit Equivalents being sold for the account of the Company, or any other registration for an underwritten offering that does not include Issuer Unit Equivalents being sold for the account of the Company, if the IM Underwriter or Company Underwriter, as applicable, advises the Company in its good faith opinion that the amount of Registrable Securities requested to be included in such registration, including Registrable Securities requested to be included pursuant to SECTION 2.2, exceeds the amount which can be sold in such offering without adversely affecting the distribution of the Registrable Securities being offered, then the Company will reduce the Registrable Securities to be included in such offering *pro rata* based on the amount of Issuer Units owned by each Holder requesting to include Registrable Securities in such registration under any of SECTION 2.1, SECTION 2.2 or SECTION 2.5.

(ii) With respect to any Demand Registration for an underwritten offering, any Company Initiated Resale Registration for an underwritten offering or any Underwritten Shelf Take-Down that does include Issuer Unit Equivalents being sold for the account of the Company, if the IM Underwriter or Company Underwriter, as applicable, advises the Company in its good faith opinion that the amount of Issuer Unit Equivalents being sold for the account of the Company together with the Registrable Securities requested by the Holders to be included in such registration, including Registrable Securities requested to be included pursuant to SECTION 2.2, exceeds the amount which can be sold in such offering without adversely affecting the distribution of the Issuer Unit Equivalents and Registrable Securities being offered, then the Company will reduce the Issuer Unit Equivalents and Registrable Securities to be included in such offering by (i) first only including the total number of Registrable Securities of the Holders in such offering with each such Holder entitled to include its *pro rata* share based on the number of Issuer Units that are owned by such Holder and constitute Registrable Securities and (ii) second, to the extent that all Registrable Securities of the Holders can be included, then only including the total number of Issuer Unit Equivalents being sold for the account of the Company (in addition to all such Registrable Securities being sold by Holders) that the Company so determines can be included.

(b) If the Company Underwriter advises the Company in its good faith opinion that the amount of Issuer Unit Equivalents being sold for the account of the Company together with the Registrable Securities requested to be included in an underwritten offering contemplated by SECTION 2.2(b) (other than a registration subject to SECTION 2.4(a)) exceeds the amount which can be sold in such offering without adversely affecting the distribution of the Issuer Unit Equivalents and Registrable Securities being offered, then the Company will reduce the Issuer Unit Equivalents and Registrable Securities to be included in such offering by (i) first only including the Issuer Unit Equivalents (or portion thereof) being sold for the account of the Company that the Company so determines can be included and (ii) second, to the extent that all Issuer Unit Equivalents being sold for the account of the Company can be included, then only including the total number of Registrable Securities of the Holders in such offering as the Company so determines can be included (in addition to all such Issuer Unit Equivalents being sold for the account of the Company) with each such Holder entitled to include its *pro rata* share based on the number of Issuer Units that are owned by such Holder and constitute Registrable Securities.

Section 2.5 Shelf Registration.

(a) S-1 Shelf Registrations. From and after the date of an IPO, at any time the Company does not qualify for the use of Form S-3 promulgated under the Securities Act (or any successor form to Form S-3, or any similar short-form Registration Statement), upon receipt of a written request from any Holder or group of Holders of Registrable Securities, which collectively hold (together with their Affiliates) Registrable Securities that constitute, in the aggregate, at least fifteen percent (15%) of the outstanding Issuer Units (the "S-1 Shelf Initiating Holders") that the Company file a Shelf Registration Statement on Form S-1 for an offering on a delayed or continuous basis pursuant to Rule 415 under the Securities Act (an "S-1 Shelf Registration Statement") covering the resale of all or a portion of the Registrable Securities owned by such S-1 Shelf Initiating Holders (an "S-1 Shelf Registration"), the Company shall give written notice of such request to each other Holder of Registrable Securities which is known to the Company to

hold (together with its Affiliates) at least one percent (1%) of the outstanding Issuer Units at least twenty (20) Business Days before the anticipated filing date of such Form S-1, and such notice shall describe the proposed registration and offer such other Holders the opportunity to register all or any portion of their Registrable Securities as each other Holder may elect, by written notice given to the Company within ten (10) Business Days after their receipt from the Company of the written notice of such S-1 Shelf Registration; *provided that* the Company shall not be obligated to effect such registration until after the expiration of any lock-up agreements entered into by the S-1 Shelf Initiating Holders in connection with the IPO. The Company shall include in such registration all Registrable Securities that the S-1 Shelf Initiating Holders requested to include, and shall use its reasonable best efforts to (x) file such S-1 Shelf Registration Statement as soon as practicable and, in any event, within sixty (60) days after receiving a request under this SECTION 2.5(a) and cause such S-1 Shelf Registration Statement to become effective as soon as practicable after such filing and remain effective for the earlier of (i) the time at which all Registrable Securities registered in such S-1 Shelf Registration Statement are sold and (ii) the effectiveness of an S-3 Shelf Registration Statement that includes all Registrable Securities that had previously been registered under such S-1 Shelf Registration Statement and remain unsold, and (y) include in such registration all Registrable Securities requested to be included by the other Holders (other than the S-1 Shelf Initiating Holders) who have timely elected to participate in such Shelf Registration Statement, on the same terms and conditions as the Registrable Securities of the S-1 Shelf Initiating Holders.

(b) S-1 Shelf Take-Downs. Following the effectiveness of an S-1 Shelf Registration Statement, any Holder or group of Holders whose Registrable Securities are included on such Shelf Registration Statement and which collectively hold (together with their Affiliates) Registrable Securities that constitute, in the aggregate, at least ten percent (10%) of the outstanding Issuer Units (the "S-1 Initiating Take-Down Holders") may request that the Company engage in an underwritten resale of Registrable Securities pursuant to such S-1 Shelf Registration Statement (an "S-1 Underwritten Shelf Take-Down") or prepare a prospectus supplement for a non-underwritten resale pursuant to such S-1 Shelf Registration Statement (an "S-1 Resale Shelf Take-Down"); *provided* that the aggregate offering price of the Registrable Securities to be sold by the Holders in such S-1 Underwriting Shelf Take-Down (before deduction of underwriter discounts and commissions) is reasonably expected to exceed, in the aggregate, $50 million and that any "block trade" under an S-1 Shelf Registration Statement shall be considered an S-1 Resale Shelf Take-Down. The Company shall give prompt notice to each non-initiating Holder of Registrable Securities that is known to the Company to hold (together with its Affiliates) at least one percent (1%) of the outstanding Issuer Units (if such Holder's Registrable Securities are included in the S-1 Shelf Registration Statement) of the receipt of a request from the S-1 Initiating Take-Down Holders of a proposed S-1 Underwritten Shelf Take-Down under and pursuant to the S-1 Shelf Registration Statement and, notwithstanding anything to the contrary contained herein, will provide such other Holders a period of five (5) Business Days to participate in such S-1 Underwritten Shelf Take-Down, subject to the terms negotiated by and applicable to the S-1 Initiating Take-Down Holders and subject to "cutback" limitations set forth in SECTION 2.4. All such Holders electing to be included in an S-1 Underwritten Shelf Take-Down must sell their Registrable Securities on the same terms and conditions as the Registrable Securities being sold for the account of the S-1 Initiating Take-Down Holders; provided that the obligation of such Person to indemnify pursuant to any such underwriting arrangements shall be several, not joint and several, among such

Persons selling Registrable Securities, and the liability of each such Person will be in proportion thereto, and provided, further, that such liability will be limited to the net proceeds (after deducting for underwriting discounts and commissions) received by such Person from the sale of his, her or its Registrable Securities pursuant to such registration. The Company shall not be required to effect more than three (3) S-1 Underwritten Shelf Take-Downs in any twelve (12) month period; provided, however, that an S-1 Underwritten Shelf Take-Down shall not be counted for such purpose unless at least fifty percent (50%) of the Registrable Securities requested by the S-1 Initiating Take-Down Holders and all other Holders timely and validly requesting to include Registrable Securities in such S-1 Underwritten Shelf Take-Down have been sold.

(c) S-3 Shelf Registrations. If at such time the Company qualifies for the use of Form S-3 promulgated under the Securities Act (or any successor form to Form S-3, or any similar short-form Registration Statement) (an "S-3 Shelf Registration Statement," and together with an S-1 Shelf Registration Statement, a "Shelf Registration Statement"), upon receipt of a written request from any Holder or group of Holders of Registrable Securities, which collectively hold (together with their Affiliates) Registrable Securities that constitute, in the aggregate, at least ten percent (10%) of the outstanding Issuer Units (the "S-3 Initiating Holders") that the Company file a Shelf Registration Statement covering the resale of all or a portion of the Registrable Securities owned by such S-3 Initiating Holder, the Company shall give written notice of such request to each other Holder of Registrable Securities which is known to the Company to hold (together with its Affiliates) at least one percent (1%) of the outstanding Issuer Units at least twenty (20) Business Days before the anticipated filing date of such Form S-3, and such notice shall describe the proposed registration and offer such other Holders the opportunity to register all or any portion of their Registrable Securities as each other Holder may request in writing to the Company, given within ten (10) Business Days after their receipt from the Company of the written notice of such registration. If requested by the S-3 Initiating Holders, such S-3 Shelf Registration Statement shall be for an offering on a delayed or continuous basis pursuant to Rule 415 under the Securities Act. The Company shall use its reasonable best efforts to (x) file such S-3 Shelf Registration Statement as soon as practicable and, in any event, within forty five (45) days after receiving a request under this SECTION 2.5(c) and cause such S-3 Shelf Registration Statement to become effective and remain effective until such time at which all Registrable Securities registered in such S-3 Shelf Registration Statement are sold, and (y) include in such registration the Registrable Securities of the other Holders (other than the S-3 Initiating Holders) who have requested in writing to participate in such S-3 Shelf Registration Statement on the same terms and conditions as the Registrable Securities of the S-3 Initiating Holders.

(d) S-3 Shelf Take-Downs. Following the effectiveness of an S-3 Shelf Registration Statement, any Holder or group of Holders whose Registrable Securities are included on such S-3 Shelf Registration Statement and which collectively hold (together with their Affiliates) Registrable Securities that constitute, in the aggregate, at least five percent (5%) of the outstanding Issuer Units (the "S-3 Initiating Take-Down Holders") may request that the Company engage in an underwritten resale of Registrable Securities pursuant to such S-3 Shelf Registration Statement (an "S-3 Underwritten Shelf Take-Down," and together with an S-1 Underwritten Shelf Take-Down, an "Underwritten Shelf Take-Down") or prepare a prospectus supplement for a non-underwritten resale pursuant to such S-3 Shelf Registration Statement (an

"S-3 Resale Shelf Take-Down," and together with an "S-1 Resale Shelf Take-Down," a "Resale Shelf Take-Down"); *provided* that the aggregate offering price of the Registrable Securities to be sold by the Holders in such S-3 Underwriting Shelf Take-Down (before deduction of underwriter discounts and commissions) is reasonably expected to exceed, in the aggregate, $50 million and that any "block trade" under an S-3 Shelf Registration Statement shall be considered an S-3 Resale Shelf Take-Down. The Company shall give prompt notice to each non-initiating Holder of Registrable Securities that is known to the Company to hold (together with its Affiliates) at least one percent (1%) of the outstanding Issuer Units (if such Holder's Registrable Securities are included in the S-3 Shelf Registration Statement) of the receipt of a request from the S-3 Initiating Take-Down Holders of a proposed S-3 Underwritten Shelf Take-Down under and pursuant to the S-3 Shelf Registration Statement and, notwithstanding anything to the contrary contained herein, will provide such other Holders a period of five (5) Business Days to participate in such S-3 Underwritten Shelf Take-Down, subject to the terms negotiated by and applicable to the S-3 Initiating Take-Down Holders and subject to "cutback" limitations set forth in SECTION 2.4. All such Holders electing to be included in an S-3 Underwritten Shelf Take-Down must sell their Registrable Securities on the same terms and conditions as the Registrable Securities being sold for the accounts of the S-3 Initiating Take-Down Holders; provided that the obligation of such Person to indemnify pursuant to any such underwriting arrangements shall be several, not joint and several, among such Persons selling Registrable Securities, and the liability of each such Person will be in proportion thereto, and provided, further, that such liability will be limited to the net proceeds (after deducting for underwriting discounts and commissions) received by such Person from the sale of his, her or its Registrable Securities pursuant to such registration. The Company shall not be required to effect more than three (3) S-3 Underwritten Shelf Take-Downs in any twelve (12) month period; provided, however, that an S-3 Underwritten Shelf Take-Down shall not be counted for such purpose unless at least fifty percent (50%) of the Registrable Securities requested by the S-3 Initiating Take-Down Holders and all other Holders timely and validly requesting to include Registrable Securities in such S-3 Underwritten Shelf Take-Down have been sold.

(e) Delay of Shelf Registration or Shelf Take-Down. If the Board of Directors has a Valid Business Reason, the Company may (x) postpone filing a Registration Statement or prospectus supplement relating to a Shelf Registration Statement, Underwritten Shelf Take-Down or Resale Shelf Take-Down until such Valid Business Reason no longer exists, but in no event for more than seventy five (75) days, and (y) in case a Registration Statement or prospectus supplement has been filed relating to a Shelf Registration Statement, Underwritten Shelf Take-Down or Resale Shelf Take-Down, if the Valid Business Reason has not resulted from actions taken by the Company, the Company, upon the approval of a majority of the Board of Directors acting in good faith, may cause the applicable Registration Statement to be withdrawn and its effectiveness terminated; *provided, however*, that a new Registration Statement (and prospectus supplement, if applicable) is filed within seventy five (75) days thereafter, or may postpone amending or supplementing such Registration Statement or prospectus supplement, but in no event for more than seventy five (75) days; *provided, however*, that if the registration of Registrable Securities is postponed or withdrawn pursuant to this SECTION 2.5(e), the Company shall not be permitted to register under the Securities Act any Issuer Units, other than Issuer Units or other equity securities to be issued in connection with an acquisition, during any such postponement or during the period from such withdrawal to the filing of such new Registration Statement. The Company shall give written notice to the Holders

of its determination to postpone or withdraw a Registration Statement and of the fact that the Valid Business Reason for such postponement or withdrawal no longer exists, in each case, promptly after the occurrence thereof. Notwithstanding anything to the contrary contained herein, the Company may not postpone or withdraw a filing due to a Valid Business Reason (i) more than twice in any twelve (12) month period (except that the Company shall be able to use this right more than twice in any twelve (12) month period if the Company is exercising such right during the fifteen (15) day period prior to the Company's regularly scheduled quarterly earnings announcement date and the total number of days of postponement in such twelve (12) month period does not exceed ninety (90) days), or (ii) except as contemplated in the parenthetical in (i) immediately above, for more than seventy five (75) days, in the aggregate for all such postponements or withdrawals, in any twelve (12) month period. The Company shall not be required to effect any registration pursuant to SECTION 2.5, (i) during a period which the Company is restricted from effecting any public sale or distribution of any of its securities, or any securities convertible into or exchangeable or exercisable for such securities pursuant to SECTION 2.6(b) hereto, solely if and to the extent requested by the managing underwriter in the applicable offering, (ii) if Form S-1 is not available for such offering by the S-1 Shelf Initiating Holders or the S-1 Initiating Take-Down Holders, as applicable or (iii) if Form S-3 is not available for such offering by the S-3 Initiating Holders or the S-3 Initiating Take-Down Holders, as applicable.

Section 2.6 Lock-Up Agreement.

(a) (i) In connection with an IPO, and upon the request of the managing underwriter in such offering, each Holder agrees; and (ii) in connection with any underwritten public offering of Registrable Securities (including an Underwritten Shelf Take-Down) pursuant to this Agreement after the IPO, and upon the request of the managing underwriter in such offering, each Holder who is participating in such offering agrees that: such Holder shall not, without the prior written consent of such managing underwriter, during (A) in the case of the IPO, the one hundred and eighty (180) day period beginning on the effective date of the Registration Statement for the IPO or (B) in the case of such underwritten public offering of Registrable Securities after the IPO, the ninety (90) day period or such lesser or longer period as the managing underwriter may agree or otherwise require (but in no event longer than the one hundred and eighty (180) day period, solely to the extent applicable), beginning on the effective date of the applicable Registration Statement, (I) offer, pledge, sell, contract to sell, grant any option or contract to purchase, purchase any option or contract to sell, hedge the beneficial ownership of or otherwise dispose of, directly or indirectly, any Registrable Securities or of any securities convertible into or exchangeable or exercisable for such Registrable Securities, or (II) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (I) or (II) above is to be settled by delivery of Registrable Securities, in cash or otherwise. The foregoing provisions of this SECTION 2.6(a) shall be applicable to the Holders only if all officers and directors of the Company are subject to the same restrictions. Each Holder agrees to execute and deliver such other agreements as may be reasonably requested by the Company or the managing underwriter which are consistent with the foregoing or which are necessary to give further effect thereto. Notwithstanding anything to the contrary contained in this SECTION 2.6(a), each Holder shall be released, pro rata, from any lock-up agreement entered into pursuant to this SECTION 2.6(a) in the event and to the extent that the managing

underwriter or the Company permit any discretionary waiver or termination of the restrictions of any lock-up agreement pertaining to any officer or director.

(b) The Company agrees not to effect any public sale or distribution of any of its securities, or any securities convertible into or exchangeable or exercisable for such securities (except (i) pursuant to registrations on Form S-4 or S-8 or any successor thereto, or (ii) in connection with any dividend or distribution reinvestment or similar plan), if and to the extent requested by the managing underwriter in the applicable offering, (A) in the case of the IPO, during the one hundred and eighty (180) day period beginning on the effective date of the Registration Statement for the IPO or (B) in the case of any underwritten public offering of Registrable Securities after the IPO, during the ninety (90) day period beginning on the effective date of the applicable Registration Statement, in each case except as part of such registration.

Section 2.7 Registration Procedures

(a) Whenever registration of Registrable Securities has been requested pursuant to SECTION 2.1, SECTION 2.2 or SECTION 2.5, the Company shall use its reasonable best efforts to effect the registration and sale of such Registrable Securities in accordance with the intended method of distribution thereof as quickly as practicable, and in connection with any such request, the Company shall, as expeditiously as possible:

(i) prepare and file with the Commission a Registration Statement on any form for which the Company then qualifies or which counsel for the Company shall deem appropriate and which form shall be available for the sale of such Registrable Securities in accordance with the intended method of distribution thereof, and cause such Registration Statement to become effective; provided, however, that (x) before filing a Registration Statement or prospectus or any amendments or supplements thereto, the Company shall provide one legal counsel selected by Holders of a majority of the Issuer Units to be included in such Registration Statement ("Holders' Counsel") with an adequate and appropriate opportunity to review and comment on such Registration Statement and each prospectus included therein (and each amendment or supplement thereto) to be filed with the Commission, subject to such documents being under the Company's control, and (y) the Company shall promptly notify the Holders' Counsel and each seller of Registrable Securities of any stop order issued or threatened by the Commission and promptly take all action required to prevent the entry of such stop order or to remove it if entered;

(ii) prepare and file with the Commission such amendments and supplements to such Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Registration Statement effective for the lesser of (x) one hundred and eighty (180) days and (y) such shorter period which will terminate when all Registrable Securities covered by such Registration Statement have been sold; *provided*, *however*, that if the S-1 Shelf Initiating Holders or S-3 Initiating Holders, as applicable, have requested that a Shelf Registration Statement be for an offering on a delayed or continuous basis pursuant to Rule 415 under the Securities Act, then the Company shall keep such Shelf Registration Statement effective until all Registrable Securities covered by such Shelf Registration Statement have been sold; and shall comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Shelf Registration Statement during such period in accordance

with the intended methods of disposition by the sellers thereof set forth in such Shelf Registration Statement;

(iii) furnish to each seller of Registrable Securities, prior to filing a Registration Statement, a reasonable number of copies of such Registration Statement as is proposed to be filed, and thereafter such number of copies of such Registration Statement, each amendment and supplement thereto (in each case, including all exhibits thereto), and the prospectus included in such Registration Statement (including each preliminary prospectus) and any prospectus filed under Rule 424 under the Securities Act as each such seller may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such seller;

(iv) register or qualify such Registrable Securities under such other securities or "blue sky" laws of such jurisdictions as any seller of Registrable Securities may request, and to continue such qualification in effect in such jurisdiction for as long as permissible pursuant to the laws of such jurisdiction, or for as long as any such seller requests or until all of such Registrable Securities are sold, whichever is shortest, and do any and all other acts and things which may be reasonably necessary or advisable to enable any such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller; *provided*, *however*, that the Company shall not be required to (x) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this SECTION 2.7(a)(iv), (y) subject itself to taxation in any such jurisdiction or (z) consent to general service of process in any such jurisdiction;

(v) notify each seller of Registrable Securities at any time when a prospectus relating thereto is required to be delivered under the Securities Act, upon discovery that, or upon the happening of any event as a result of which, the prospectus included in such Registration Statement contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and the Company shall promptly prepare a supplement or amendment to such prospectus and furnish to each seller of Registrable Securities a reasonable number of copies of such supplement to or an amendment of such prospectus as may be necessary so that, after delivery to the purchasers of such Registrable Securities, such prospectus shall not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(vi) enter into and perform customary agreements (including an underwriting agreement in customary form with the relevant underwriter) and take such other actions as are prudent and reasonably required in order to expedite or facilitate the disposition of such Registrable Securities, including causing its officers to participate in "road shows" and other information meetings organized by the relevant underwriter, with all out-of-pocket costs and expenses incurred by the Company or such officers in connection with such attendance to be paid by the Company;

(vii) upon execution of confidentiality agreements in form and substance reasonably satisfactory to the Company, which shall be consistent with the due diligence and disclosure obligations under securities laws applicable to the Company and the

Holders, make available at reasonable times for inspection by any managing underwriter participating in any disposition of such Registrable Securities pursuant to a Registration Statement, Holders' Counsel and any attorney, accountant or other agent retained by any managing underwriter, all financial and other records, pertinent corporate documents and properties of the Company and its Subsidiaries (collectively, the "Records") as shall be reasonably necessary to enable them to exercise their due diligence responsibility, and cause the Company's and its Subsidiaries' officers, directors and employees, and the independent public accountants of the Company, to supply all information reasonably requested by any such Person in connection with such Registration Statement;

(viii) if such sale is pursuant to an underwritten offering, obtain comfort letters dated the effective date of the Registration Statement and the date of the closing under the underwriting agreement from the Company's independent public accountants in customary form and covering such matters of the type customarily covered by comfort letters as Holders' Counsel or the managing underwriter reasonably requests;

(ix) furnish, at the request of any seller of Registrable Securities on the date such securities are delivered to the underwriters for sale pursuant to such registration or, if such securities are not being sold through underwriters, on the date the Registration Statement with respect to such securities becomes effective, opinion letters and (in the case of an underwritten offering) negative assurance letters, dated such date, of counsel representing the Company for the purposes of such registration, addressed to the underwriters, if any, to the seller making such request, or the transfer agent, as applicable, covering such legal matters with respect to the registration in respect of which such opinion letters and negative assurance letters are being given as the underwriters, if any, such seller or the transfer agent may reasonably request and are customarily included in opinion letters or negative assurance letters in offerings of that type;

(x) comply with all applicable rules and regulations of the Commission, and make generally available to its security holders, as soon as reasonably practicable but no later than fifteen (15) months after the effective date of the Registration Statement, an earnings statement covering a period of twelve (12) months beginning after the effective date of the Registration Statement, in a manner which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(xi) cause all such Registrable Securities to be listed on each securities exchange on which similar securities issued by the Company are then listed provided that the applicable listing requirements are satisfied;

(xii) keep Holders' Counsel advised as to the initiation and progress of any registration under SECTION 2.1, SECTION 2.2 or SECTION 2.5 hereunder;

(xiii) cooperate, in a commercially reasonable manner, with each seller of Registrable Securities and each underwriter participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the FINRA; and

(xiv) take all other steps reasonably necessary to effect the registration of the Registrable Securities contemplated hereby.

Section 2.8 Seller Information. The Company may require each seller of Registrable Securities as to which any registration is being effected to furnish, and such seller shall furnish, to the Company such information regarding the distribution of such securities as the Company may from time to time reasonably request in writing, as a condition to including such Registrable Securities in such Registration Statement.

Section 2.9 Notice to Discontinue. Each Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in SECTION 2.7(a)(v), such Holder shall forthwith discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such Holders' receipt of the copies of the supplemented or amended prospectus contemplated by SECTION 2.7(a)(v) and, if so directed by the Company, such Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Holders' possession, of the prospectus covering such Registrable Securities which is current at the time of receipt of such notice. If the Company shall give any such notice, the Company shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement (including the period referred to in SECTION 2.7(a)(ii)) by the number of days during the period from and including the date of the giving of such notice pursuant to SECTION 2.7(a)(v) to and including the date when sellers of such Registrable Securities under such Registration Statement shall have received the copies of the supplemented or amended prospectus contemplated by and meeting the requirements of SECTION 2.7(a)(v).

Section 2.10 Registration Expenses. The Company shall pay all expenses arising from or incident to its performance of, or compliance with, this Agreement, including (i) Commission, stock exchange and FINRA registration and filing fees, (ii) all fees and expenses incurred in complying with securities or "blue sky" laws (including reasonable fees, charges and disbursements of counsel to any underwriter incurred in connection with "blue sky" qualifications of the Registrable Securities as may be set forth in any underwriting agreement), (iii) all printing, messenger and delivery expenses, (iv) the fees, charges and expenses of counsel to the Company and of its independent public accountants and any other accounting fees, charges and expenses incurred by the Company (including any expenses arising from any comfort letters or any special audits incident to or required by any registration or qualification) and the reasonable legal fees, charges and expenses of Holders' Counsel, (v) all fees and disbursements of underwriters customarily paid by the issuer of securities (excluding brokers' commissions or underwriting discounts and commissions and transfer taxes, if any), and fees and disbursements of counsel to underwriters, (vi) all fees and expenses incurred in connection with the listing of the Issuer Units on any securities exchange and all rating agency fees, (vii) for any Holders participating in any registration, any other reasonable expenses customarily paid by the issuers of securities, including reasonable and documented legal fees and expenses for such necessary local counsels for such Holders and (viii) any liability insurance or other premiums for insurance obtained in connection with any registration pursuant to the terms of this Agreement, regardless of whether any Registration Statement is declared effective. The holder of Registrable Securities sold pursuant to a Registration Statement shall bear the expense of any brokers' commissions or

underwriting discounts or commissions and transfer taxes relating to registration and sale of such Holders' Registrable Securities.

Section 2.11 Indemnification; Contribution.

(a) Indemnification by the Company. The Company shall indemnify and hold harmless each Holder, its partners, directors, officers, Affiliates and each Person who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) the Holder from and against any and all claims, liabilities, damages, losses, costs and expenses (including amounts paid in satisfaction of judgments, in compromises and settlements, as fines and penalties and legal or other costs and reasonable expenses of investigating or defending against any claim or alleged claim) (each, a "Liability" and collectively, "Liabilities"), arising out of or based upon any untrue, or allegedly untrue, statement of a material fact contained in any Registration Statement, prospectus or preliminary prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto) or arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading (or in the case of any prospectus, in light of the circumstances such statements were made), except insofar as such Liability arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission contained in such Registration Statement, preliminary prospectus or final prospectus in reliance and in conformity with information concerning any Holder furnished in writing to the Company by such Holder expressly for use therein, including the information furnished to the Company pursuant to SECTION 2.11(b). The Company shall also provide customary indemnities to any underwriters of the Registrable Securities, their officers, directors and employees and each Person who controls such underwriters (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders.

(b) Indemnification by the Holders. In connection with any Registration Statement in which any Holder is participating pursuant to SECTION 2.1, SECTION 2.2 or SECTION 2.5 hereof, each Holder shall promptly furnish to the Company in writing such information with respect to such Holder as the Company may reasonably request or as may be required by law for use in connection with any such Registration Statement or prospectus and all information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading or necessary to cause such Registration Statement not to omit a material fact with respect to such Holder necessary in order to make the statements therein not misleading. Each Holder agrees to indemnify and hold harmless the Company, its partners, directors, officers, Affiliates, any underwriter retained by the Company and each Person who controls the Company or such underwriter (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) from and against any and all Liabilities arising out of or based upon any untrue, or allegedly untrue, statement of a material fact contained in any Registration Statement, prospectus or preliminary prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto) or arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading (or in the case of any prospectus, in light of the circumstances such statements were made), but if and only to the extent that such Liability arises out of or is based upon any untrue statement or omission or

alleged untrue statement or alleged omission contained in such Registration Statement, preliminary prospectus or final prospectus in reliance and in conformity with information concerning such Holder furnished in writing (including by email) by such Holder expressly for use therein and has not been corrected in a subsequent writing prior to or concurrently with the sale of the Registrable Securities to the Person asserting such loss, claim, damage, liability or expense, *provided, however*, that the total amount to be indemnified by each Holder pursuant to this SECTION 2.11(b) shall be limited to such Holders' pro rata portion of the net proceeds (after deducting the underwriters' discounts and commissions) received by such Holder in the offering to which the Registration Statement or prospectus relates.

(c) Conduct of Indemnification Proceedings. Any Person entitled to indemnification under this SECTION 2.11 (the "Indemnified Party") agrees to give prompt (but in any event within 30 days after such Person has actual knowledge of the facts constituting the basis for indemnification) written notice to the indemnifying party (the "Indemnifying Party") after the receipt by the Indemnified Party of any written notice of the commencement of any action, suit, proceeding or investigation or threat thereof made in writing for which the Indemnified Party intends to claim indemnification or contribution pursuant to this Agreement; *provided*, *however*, that the failure so to notify the Indemnifying Party shall not relieve the Indemnifying Party of any Liability that it may have to the Indemnified Party hereunder (except to the extent that the Indemnifying Party is prejudiced or otherwise forfeits substantive rights or defenses by reason of such failure). If notice of commencement of any such action is given to the Indemnifying Party as above provided, the Indemnifying Party shall be entitled to participate in and, to the extent it may wish, jointly with any other Indemnifying Party similarly notified, to assume the defense of such action at its own expense, with counsel chosen by it and reasonably satisfactory to such Indemnified Party. The Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be paid by the Indemnified Party unless (i) the Indemnifying Party agrees to pay the same, (ii) the Indemnifying Party fails to assume the defense of such action with counsel reasonably satisfactory to the Indemnified Party or (iii) the named parties to any such action (including any impleaded parties) include both the Indemnifying Party and the Indemnified Party and the Indemnified Party has been advised by such counsel that either (x) representation of such Indemnified Party and the Indemnifying Party by the same counsel would be inappropriate under applicable standards of professional conduct or (y) there may be one or more legal defenses available to the Indemnified Party which are different from or additional to those available to the Indemnifying Party. In any of such cases, the Indemnifying Party shall not have the right to assume the defense of such action on behalf of such Indemnified Party, it being understood, however, that the Indemnifying Party shall not be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all Indemnified Parties. No Indemnifying Party shall be liable for any settlement entered into without its written consent (such consent not to be unreasonably withheld or delayed). No Indemnifying Party shall, without the consent of such Indemnified Party, effect any settlement of any pending or threatened proceeding in respect of which such Indemnified Party is a party and indemnity has been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability for claims that are the subject matter of such proceeding.

(d) Contribution. If the indemnification provided for in this SECTION 2.11 from the Indemnifying Party is held by a court of competent jurisdiction to be unavailable to an Indemnified Party hereunder in respect of any Liabilities referred to herein, then the Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Liabilities in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party on the one hand and Indemnified Party on the other in connection with the statements or omissions which resulted in such Liabilities, as well as other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such Indemnifying Party or Indemnified Party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the Liabilities referred to above shall be deemed to include, subject to the limitations set forth in SECTION 2.11(a), SECTION 2.11(b) and SECTION 2.11(c), any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding; *provided, however*, that the total amount to be contributed by any Holder shall be limited to the net proceeds (after deducting the underwriters' discounts and commissions) received by the Holder in the offering.

(e) Fraud. The parties hereto agree that it would not be just and equitable if contribution pursuant to SECTION 2.11(d) were determined by *pro rata* allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

ARTICLE III
EXCHANGE ACT COMPLIANCE

Section 3.1 Exchange Act Compliance. So long as the Company (a) has registered a class of securities under Section 12 of the Exchange Act and/or (b) files reports under Section 13 or Section 15 of the Exchange Act, then the Company shall take all actions reasonably necessary to enable Holders to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144, including, without limiting the generality of the foregoing, (i) making and keeping public information available, as those terms are understood and defined in Rule 144, (ii) filing with the Commission in a timely manner all reports and other documents required of the Company under the Exchange Act and (iii) at the request of any Holder if such Holder proposes to sell securities in compliance with Rule 144, forthwith furnish to such Holder, as applicable, a written statement of compliance with the reporting requirements of the Commission as set forth in Rule 144 and make available to such Holder such information as will enable the Holder to make sales pursuant to Rule 144.

ARTICLE IV
MISCELLANEOUS

Section 4.1 Specific Performance. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, including if the parties hereto fail to take any action required of them hereunder to consummate this Agreement. It is accordingly agreed that, in addition to any other applicable remedies at law or equity, the parties to this Agreement shall be entitled to an injunction or injunctions, without proof of damages, to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement. Each party hereto agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief on the basis that (i) the other party has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or in equity. Each of the parties hereto hereby waives (x) any defenses in any action for specific performance, including the defense that a remedy at law would be adequate and (y) any requirement under any law to post a bond or other security as a prerequisite to obtaining equitable relief; provided that such waiver shall not limit, in any respect, the availability of any defense(s) that a party might otherwise have with respect to the alleged breach or obligation for which specific performance is sought.

Section 4.2 Term and Termination. This Agreement shall terminate at such time as there are no Registrable Securities outstanding; provided, however, that the provisions of Sections 2.10 and 2.11 shall survive any termination of this Agreement.

Section 4.3 Amendments and Waivers.

(a) No failure or delay on the part of the Company or any Holder in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies provided for herein are cumulative and are not exclusive of any remedies that may be available to the Company or any Holder at law or in equity or otherwise.

(b) The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, in each case without the written consent of the Company and the Holders of 75% of the outstanding Issuer Units that constitute Registrable Securities; provided, that any amendment that has the effect of materially and disproportionately adversely affecting any Holder or group of Holders differently than any other Holder or group of Holders shall only be effective against such materially and disproportionately adversely affected Holder(s) with the written consent of each of such Holder(s).

Section 4.4 Notices. Any notices or other communications required or permitted hereunder shall be in writing, and shall be sufficiently given if made by hand delivery, by electronic mail, by facsimile, by reputable overnight courier service (charges prepaid), or by registered or certified mail (postage prepaid, return receipt requested), addressed as follows (or at such other address as may be substituted by notice given as herein provided):

SECTION 1.07. Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

SECTION 1.08. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the stated amount of such Letter of Credit in effect at such time; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any letter of credit application or other issuer document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

SECTION 1.09. Interest Rates. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to any reference rate referred to herein or with respect to any rate (including, for the avoidance of doubt, the selection of such rate and any related spread or other adjustment) that is an alternative or replacement for or successor to any such rate (including any Successor Rate) (or any component of any of the foregoing) or the effect of any of the foregoing, or of any Conforming Changes. Any Person acting as the Administrative Agent and its affiliates or other related entities may engage in transactions or other activities unrelated to this Agreement that affect any reference rate referred to herein, or any alternative, successor or replacement rate (including any Successor Rate) (or any component of any of the foregoing) or any related spread or other adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any reference rate referred to herein or any alternative, successor or replacement rate (including any Successor Rate) (or any component of any of the foregoing), in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other Person for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for the selection of any such information source or service made by the Administrative Agent in its reasonable discretion or for any error or any other action or omission by such information source or service or calculation of any such rate (or component thereof) provided by any such information source or service.

SECTION 1.10. Pro Forma Calculations.

(a) Notwithstanding anything to the contrary herein, Consolidated EBITDA and any financial ratio or test, including the Consolidated Fixed Charge Coverage Ratio (whether in connection with testing the satisfaction of the Payment Conditions or otherwise) and the Consolidated Total Leverage Ratio, shall be calculated in the manner prescribed by this Section 1.10.

(b) For purposes of calculating Consolidated EBITDA and any financial ratio or test, including the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith, subject to Section 1.10(c)) that have been made (i) during the applicable Measurement Period or (ii) subsequent to such Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio or test is made shall be calculated on a pro forma basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Measurement Period. If since the beginning of any applicable Measurement Period any Person that subsequently became a Subsidiary or was merged, amalgamated or consolidated with or into a Loan Party or any Subsidiary since the beginning of such Measurement Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.10, then the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio shall be calculated to give pro forma effect thereto in accordance with this Section 1.10.

(c) In the event that any Loan Party or any Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, as the case may be (in each case, other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Measurement Period or (ii) subsequent to the end of the applicable Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, as applicable, shall be calculated giving pro forma effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Measurement Period (with respect to any calculation of the Consolidated Total Leverage Ratio) or the first day of the applicable Measurement Period (with respect to any calculation of the Consolidated Fixed Charge Coverage Ratio).

(d) Whenever Pro Forma Effect is to be given to a Specified Transaction, the pro forma calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of Expected Cost Savings projected by a Financial Officer of the Borrower in good faith to be realized as a result of action that is taken, committed to be taken or reasonably expected to be taken (calculated on a pro forma basis as though such Expected Cost Savings had been realized on the first day of such Measurement Period and as if such Expected Cost Savings were realized during the entirety of such Measurement Period) in connection with such Specified Transaction, net of the amount of actual amounts realized during

such Measurement Period from such actions; provided that (i) such Expected Cost Savings are reasonably identifiable and factually supportable (in the good faith determination of a Financial Officer of the Borrower), (ii) the relevant action resulting in (or substantial steps towards the relevant action that would result in) such Expected Costs Savings must either be taken or reasonably expected to be taken within twelve (12) months after the date of such Specified Transaction, (iii) no amounts shall be added pursuant to this Section 2.10(d) to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA, whether through a *pro forma* adjustment or otherwise, with respect to such Measurement Period, and (iv) amounts added back pursuant to this Section 2.10(d), when taken together with any such similar adjustments made in accordance with clause (b)(xi) of the definition of "Consolidated EBITDA", shall not exceed twenty percent (20.0%) of Consolidated EBITDA for such Measurement Period (calculated prior to giving effect to such addbacks).

(e) If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, as the case may be, is made had been the applicable rate for the entire period (taking into account any hedging obligations applicable to such Indebtedness). Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in the applicable Capital Lease in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, an interbank offered rate, a risk-free rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower may designate.

The Facilities

SECTION 2.01. Commitments.

(a) *Revolving Commitments*. Subject to the terms and conditions set forth herein, each Revolving Lender, severally and not jointly with any other Revolving Lender, agrees to make Revolving Loans denominated in dollars to the Borrower from time to time during the Revolving Availability Period in an aggregate principal amount that will not exceed its Revolving Commitment; provided that each of the Credit Extension Conditions shall be satisfied after giving effect to such any such Revolving Loans. Within the foregoing limits and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans.

(b) *FILO Commitments*. Subject to the terms and conditions set forth herein, (i) each FILO Lender with a FILO Initial Commitment severally agrees to make a term loan denominated in dollars to the Borrower on the Closing Date in a principal amount equal to such FILO Lender's FILO Initial Commitment, and (ii) each FILO Lender with a FILO Incremental Commitment severally agrees to make a FILO Incremental Loan to the Borrower on the date set forth in the applicable Incremental FILO Amendment in a principal amount equal to such FILO Lender's applicable FILO Incremental Commitment; provided that, in the case of each of the Classes of FILO Loans referred in clause (i) and (ii) above, each of the Credit Extension Conditions

shall be satisfied after giving effect to any such FILO Loans. FILO Loans made to the Borrower that are repaid or prepaid may not be reborrowed.

(c) *Other Revolving Commitments*. Except as expressly provided herein or in the relevant documents (in accordance with the terms hereof), all Revolving Commitments effected pursuant to any Incremental Revolving Amendment or Revolving Extension Amendment, as applicable (any such Revolving Commitments, "Other Revolving Commitments"), shall be subject to the same terms and conditions as the then existing Revolving Commitments of each applicable Class. After giving effect to any Other Revolving Commitments, all Borrowings under the Revolving Commitments (including any such Other Revolving Commitments), participations in Letters of Credit and Swingline Loans and repayments thereunder shall be made on a pro rata basis according to each Revolving Lender's Applicable Revolving Percentage across all Classes of Revolving Commitments (except for (x) any payments of interest and fees at different rates on any Other Revolving Commitments (and related Revolving Loans thereunder), (y) repayments required upon the applicable Revolving Maturity Date of such Other Revolving Commitments and (z) except as otherwise expressly set forth in the applicable Incremental Revolving Amendment or Revolving Extension Amendment, subject to the provisions contained herein). If any Other Revolving Commitments are effected pursuant to any Incremental Revolving Amendment or Revolving Extension Amendment, as applicable, effective hereunder, on each applicable Revolving Maturity Date, the Borrower shall make prepayments of Revolving Loans and shall Cash Collateralize Letters of Credit, such that, after giving effect to such prepayments and such provision of Cash Collateral, the aggregate Total Revolving Outstandings as of such date will not exceed the aggregate applicable remaining Revolving Commitments of each other remaining Class of the Revolving Lenders (and the Borrower shall not be permitted thereafter to request any Revolving Loan or any issuance, amendment, renewal or extension of a Letter of Credit if, after giving effect thereto, the applicable Total Revolving Outstandings would exceed the aggregate principal amount of the remaining Classes of Revolving Commitments as described above). Notwithstanding the foregoing, the Borrower may Refinance all or any portion of any Class of Revolving Commitments (and prepay or otherwise Refinance the Revolving Loans and other extensions of credit outstanding thereunder) pursuant to Section 6.01(a)(i) without Refinancing any other Class of Revolving Commitments (or the Loans and other extensions of credit outstanding thereunder).

(d) *Adjustments to Applicable Revolving Percentage*. In connection with the establishment of any Other Revolving Commitments effected pursuant to any Incremental Revolving Amendment or Revolving Extension Amendment, as applicable, for any applicable Class of Revolving Loans, the relevant Applicable Revolving Percentages with respect to all Classes of Revolving Commitments shall be readjusted without any further action or consent of any other party, to reflect such new Class of Revolving Commitments or increase in any existing Class of Revolving Commitments. In connection with the foregoing, the Revolving Lenders shall immediately after giving effect to the readjusted Applicable Revolving Percentages purchase and assign at par such amounts of the Revolving Loans outstanding at such time as the Administrative Agent may require such that all of the Revolving Lenders effectively participate in each of the outstanding Revolving Loans on a pro rata basis in accordance with their readjusted Applicable Revolving Percentages across all Classes of Revolving Commitments. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata

payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence or as provided in Section 2.01(c) above.

(e) *Cashless Settlement*. Notwithstanding anything to the contrary in this Agreement, any Lender may exchange, continue or rollover all of the portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent, and such Lender.

SECTION 2.02. Loans and Borrowings.

(a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Appropriate Lenders ratably in accordance with the amounts of their Applicable Percentage of the applicable Class of Commitments.

(b) Subject to Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or Term SOFR Loans as the Borrower may request in accordance herewith; provided that each Swingline Loan shall be an ABR Loan. Each Lender at its option may make any Term SOFR Loan by causing any branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligations of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Term SOFR Borrowing, such Borrowing shall be in an aggregate principal amount that is an integral multiple of $1,000,000 and not less than $5,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate principal amount that is an integral multiple of $1,000,000 and not less than $5,000,000; provided that an ABR Revolving Borrowing may be in an aggregate principal amount that is equal to the entire unused balance of the total Revolving Commitments or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(e). Each Swingline Loan shall be in an amount that is an integral multiple of $1,000,000. Borrowings of more than one Class and Type may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) separate Interest Periods outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the applicable Latest Maturity Date for the relevant Class of Commitments.

SECTION 2.03. Requests for Borrowings. Each Borrowing shall be made upon the Borrower's irrevocable notice to the Administrative Agent, which may be made by (a) telephone or (b) by submission of a Borrowing Request (including by electronic mail or facsimile), provided that each such Borrowing Request shall be submitted (a) in the case of a Borrowing of Term SOFR Loans, not later than 11:00 a.m. two (2) Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 12:00 p.m. on the Business Day of the proposed Borrowing; provided, however, that if the Borrower wishes to request Term SOFR

Borrowings having an Interest Period other than one, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. three (3) Business Days prior to the requested date of such Borrowing, whereupon the Administrative Agent shall give prompt notice to the Appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., two (2) Business Days before the requested date of such Borrowing, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Each telephonic notice and Borrowing Request shall be irrevocable. Each such telephonic notice and Borrowing Request shall specify the following information in compliance with Section 2.02:

(a) whether the requested Borrowing is to be a Revolving Borrowing or FILO Borrowing and the respective Class of Commitments subject to such Borrowing;

(b) the aggregate principal amount of such Borrowing;

(c) the date of such Borrowing, which shall be a Business Day;

(d) whether such Borrowing is to be an ABR Borrowing or a Term SOFR Borrowing;

(e) in the case of a Term SOFR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(f) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Term SOFR Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Appropriate Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. Swingline Loans.

(a) Subject to the terms and conditions set forth herein, the Swingline Lender may, in its sole discretion in reliance upon the agreements of the Revolving Lenders set forth in this Section 2.04, make Swingline Loans to the Borrower from time to time during the Revolving Availability Period (provided that such Swingline Lender shall not be required to make Swingline Loans after the Latest Maturity Date applicable to the Class of Revolving Commitments held by such Swingline Lender) in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding $100,000,000 (the "Swingline Sublimit"), or (ii) failure of any of the Credit Extension Conditions to be satisfied; provided that (x) the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan and (y) the Swingline Lender shall not have any

obligation, under this Agreement or otherwise, to make any Swingline Loan requested by the Borrower hereunder and may, in its sole discretion, decline to make a requested Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans. Immediately upon the making of a Swingline Loan, the Swingline Lender shall be deemed to grant, and each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swingline Lender a risk participation in such Swingline Loan in an amount equal to the product of such Revolving Lender's Applicable Revolving Percentage (determined without regard to any separate Class or Classes of Revolving Commitments of such Lender) times the amount of such Swingline Loan.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent of such request by (i) telephone or (ii) by submission of a Borrowing Request, provided that any such Borrowing Request (including by electronic mail or facsimile) shall be submitted not later than 1:00 p.m. on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Borrower. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a wire transfer to an account designated by the Borrower (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(e), by remittance to the relevant Issuing Bank) by 3:00 p.m. the requested date of such Swingline Loan, unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Lender) prior to 2:00 p.m. on the date of the proposed Borrowing of Swingline Loans (A) directing the Swingline Lender not to make such Swingline Loan as a result of the failure of the Credit Extension Conditions to be satisfied), or (B) that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, in each case, other than as a result of a Protective Advance.

(c) Interest on each Swingline Loan shall be payable on the Interest Payment Date with respect thereto.

(d) The Administrative Agent shall (i) at any time when Swingline Loans in an aggregate principal amount of $10,000,000 or more are outstanding, at the request of the Swingline Lender in its sole discretion, or (ii) on the date that is seven (7) days after the date on which a Swingline Loan was made, deliver on behalf of the Borrower a Borrowing Request pursuant to Section 2.03 for an ABR Revolving Borrowing in the amount of such Swingline Loans; provided, however, that the obligations of the Lenders to fund such Borrowing shall not be subject to the conditions set forth in Section 4.02.

(e) The Swingline Lender may by written notice given to the Administrative Agent not later than 12:00 p.m. on any Business Day require the Revolving Lenders to fund its participation interest on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate principal amount of Swingline Loans in which Revolving Lenders will fund its participation interest. Promptly upon receipt of such notice (but no later than 2:00 p.m. on such Business Day), the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Applicable Revolving Percentage of such Swingline Loan(s). Each Revolving Lender hereby absolutely and unconditionally agrees, upon timely receipt of notice as provided above, to pay to the Administrative Agent, for the account

of the Swingline Lender, such Revolving Lender's Applicable Revolving Percentage of such Swingline Loan(s). Each Revolving Lender acknowledges and agrees that its obligation to acquire and fund participations in Swingline Loans pursuant to this Section 2.04 is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments (including any Class thereof), and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this Section 2.04 by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this Section 2.04, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other Person on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent, and any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this Section 2.04, ratably, and to the Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this Section 2.04 shall not relieve the Borrower of any default in the payment thereof.

SECTION 2.05. Letters of Credit.

(a) *General*. Subject to the terms and conditions set forth herein, the Borrower may request the issuance of (and the applicable Issuing Bank, as specified by the Borrower, will, in reliance on the agreements of the Revolving Lenders set forth in this Section 2.05, issue) Letters of Credit denominated in dollars for its own account or the account of any of its Subsidiaries, in a form reasonably acceptable to the Administrative Agent and the relevant Issuing Bank, at any time and from time to time during the Revolving Availability Period (provided that such Issuing Bank shall not be required to issue such Letters of Credit after the Latest Maturity Date applicable to the Class of Revolving Commitments held by such Issuing Bank). Letters of Credit issued hereunder shall constitute utilization of the Revolving Commitments. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) *Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions*. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall deliver (or transmit by electronic communication (including by electronic mail or facsimile), if arrangements for doing so have been approved by the applicable Issuing Bank) to the relevant Issuing Bank and the Administrative Agent not later than 1:00 p.m. at least two (2) Business Days (or such later date and time as the Administrative Agent and such Issuing Bank may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be a notice requesting the

issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with Section 2.05(c)), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by an Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto, and from and after the Closing Date shall be subject to and governed by the terms and conditions of this Agreement and, subject to Section 2.05(a), any letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Bank relating to any such Existing Letters of Credit.

(i) A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (A) the total LC Exposure shall not exceed $300,000,000 (the "LC Sublimit") and (B) each of the Credit Extension Conditions shall be satisfied. If the conditions for borrowing under Section 4.02 cannot be fulfilled, the Required Lenders may direct the Issuing Banks to, and the Issuing Banks thereupon shall, cease to issue Letters of Credit (other than as Protective Advances) until such conditions can be satisfied or are waived in accordance with Section 9.02.

(ii) No Issuing Bank shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated or entitled to compensation hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such Issuing Bank in good faith deems material to it and for which such Issuing Bank is not otherwise compensated or entitled to compensation hereunder;

(B) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and

such Issuing Bank, the Letter of Credit is in an initial stated amount less than $100,000;

(D) any Revolving Lender is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or potential Fronting Exposure (after giving effect to Section 2.23(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other Obligations in respect of Letters of Credit as to which such Issuing Bank has actual or potential Fronting Exposure, as it may elect in its sole discretion;

(E) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; or

(F) the issuance of such Letter of Credit would cause the aggregate amount of the Letters Credit issued by such Issuing Bank to exceed such Issuing Bank's LC Commitment.

(iii) No Issuing Bank shall be under any obligation to amend any Letter of Credit if (A) such Issuing Bank would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit.

(c) *Expiration Date*. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit subject to the provisions of this Section 2.05(c), and (ii) the date that is five Business Days prior to the Revolving Maturity Date (applicable to the Class of Revolving Commitments with the Latest Maturity Date held by the Issuing Bank which issued such Letter of Credit). If the Borrower so requests in any applicable letter of credit application, the applicable Issuing Bank may, in its discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit the applicable Issuing Bank to prevent any such extension at least once in each twelve (12) month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve (12) month period to be agreed upon at the time such Letter of Credit is issued, but not less than thirty (30) days prior to the scheduled expiration or renewal thereof. Unless otherwise directed by the Issuing Bank, the Borrower shall not be required to make a specific request to the Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Revolving Lenders shall be deemed to have authorized (but may not require) the Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the date set forth in clause (ii) above; provided, however, that the applicable Issuing Bank shall not permit any such extension if (A) such Issuing Bank has determined that it would not be permitted, or would have no obligation at such time to issue such Letter of Credit in

its revised form (as extended) under the terms hereof, or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Revolving Lenders have elected not to permit such extension or (2) from the Administrative Agent, any Revolving Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, and in each such case directing the Issuing Bank not to permit such extension.

(d) *Participations*. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof or extending the expiration date thereof) and without any further action on the part of the applicable Issuing Bank or the Lenders, such Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit in an amount equal to such Lender's Applicable Revolving Percentage (determined without regard to any separate Class or Classes of Revolving Commitments of such Lender) of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Lender's Applicable Revolving Percentage of each LC Disbursement made by an Issuing Bank not later than 2:00 p.m. on the Business Day specified in the notice provided by the Administrative Agent to the Revolving Lenders pursuant to Section 2.05(e) until such LC Disbursement is reimbursed by the Borrower or at any time after any reimbursement payment is required to be refunded to the Borrower for any reason, including after the Revolving Maturity Date and any expiration of any Class of Commitments applicable to any Revolving Lender. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this Section 2.05(d) in respect of Letters of Credit is absolute, unconditional and irrevocable and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

Each Revolving Lender further acknowledges and agrees that its participation in each Letter of Credit will be automatically adjusted to reflect such Revolving Lender's Applicable Revolving Percentage of the aggregate amount available to be drawn under such Letter of Credit at each time such Lender's Commitment is amended pursuant to the operation of Section 2.21 or 2.23, as a result of an assignment in accordance with Section 9.04 or otherwise pursuant to this Agreement (including as a result of the expiration of any Class of Revolving Commitments).

(e) *Reimbursement*. If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 3:30 p.m. on the date that such LC Disbursement is made, if the Borrower shall have received notice of such LC Disbursement prior to 10:00 a.m. on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 1:00 p.m. on the Business Day immediately following the day that the Borrower receives such notice; provided that, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.04 that such payment be financed with an ABR Revolving Borrowing or Swingline Loan in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving

Borrowing or Swingline Loan. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Lender's Applicable Revolving Percentage (determined without regard to any separate Class or Classes of Revolving Commitments of such Lender) thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent such Applicable Revolving Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the relevant Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this Section 2.05(e), the Administrative Agent shall distribute such payment to such Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this Section 2.05(e) to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this Section 2.05(e) to reimburse an Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement. If any Revolving Lender fails to make available to the Administrative Agent for the account of the applicable Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.05(e), then, without limiting the other provisions of this Agreement, the applicable Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by the applicable Issuing Bank in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by such Issuing Bank in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Loan included in the relevant Revolving Borrowing or payment in respect of its participation interest in respect of the relevant LC Disbursement, as the case may be. A certificate of any Issuing Bank submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.05(e) shall be conclusive absent manifest error.

(f) *Obligations Absolute*. The Borrower's obligation to reimburse LC Disbursements as provided in Section 2.05(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein or herein, (ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), any Issuing Bank or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction, (iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement in such draft or other document being untrue or inaccurate in any respect, or any loss or delay in the transmission

or otherwise of any document required in order to make a drawing under such Letter of Credit, (iv) waiver by any Issuing Bank of any requirement that exists for such Issuing Bank's protection and not the protection of the Borrower or any waiver by such Issuing Bank which does not in fact materially prejudice the Borrower, (v) any payment made by any Issuing Bank in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable, (vi) payment by the applicable Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit, or any payment made by any Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any Bankruptcy Proceeding, or (vii) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.05(f), constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, any Lender or any Issuing Bank, or any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the relevant Issuing Bank; provided that the foregoing shall not be construed to excuse such Issuing Bank or its Related Parties from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the fullest extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's or its Related Parties gross negligence or willful misconduct (as determined by a court of competent jurisdiction by a final and non-appealable judgment) in determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank or its Related Parties (as determined by a court of competent jurisdiction by a final and non-appealable judgment), such Issuing Bank or its Related Parties shall be deemed to have exercised care in each such determination, and that:

(i) an Issuing Bank may replace a purportedly lost, stolen, or destroyed original Letter of Credit or missing amendment thereto with a certified true copy marked as such or waive a requirement for its presentation;

(ii) an Issuing Bank may accept documents that appear on their face to be in substantial compliance with the terms of a Letter of Credit without responsibility for further investigation, regardless of any notice or information to the contrary, and may make payment upon presentation of documents that appear on their face to be in substantial compliance with the terms of such Letter of Credit and without regard to any non-documentary condition in such Letter of Credit;

(iii) an Issuing Bank shall have the right, in its sole discretion, to decline to accept such documents and to make such payment if such documents are not in strict compliance with the terms of such Letter of Credit; and

(iv) this sentence shall establish the standard of care to be exercised by an Issuing Bank when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof (and the parties hereto hereby waive, to the extent permitted by applicable law, any standard of care inconsistent with the foregoing).

(g) *Limited Liability*. Without limiting the foregoing, none of the Administrative Agent, the Lenders, any Issuing Bank, or any of their Related Parties shall have any liability or responsibility by reason of (i) any presentation that includes forged or fraudulent documents or that is otherwise affected by the fraudulent, bad faith, or illegal conduct of the beneficiary or other Person, (ii) an Issuing Bank declining to take-up documents and make payment (A) against documents that are fraudulent, forged, or for other reasons by which that it is entitled not to honor or (B) following a Borrower's waiver of discrepancies with respect to such documents or request for honor of such documents or (iii) an Issuing Bank retaining proceeds of a Letter of Credit based on an apparently applicable attachment order, blocking regulation, or third-party claim notified to such Issuing Bank.

(h) *Borrower Examination*. The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will immediately notify the applicable Issuing Bank. The Borrower shall be conclusively deemed to have waived any such claim against each Issuing Bank and its correspondents unless such notice is given as aforesaid.

(i) *Disbursement Procedures*. The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The applicable Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by electronic mail or facsimile) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement.

(j) *Interim Interest*. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to Section 2.05(e), then Section 2.13(c) shall apply. Interest accrued pursuant to this Section 2.05(j) shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to Section 2.05(e) to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(k) *Resignation or Replacement of the Issuing Bank*. An Issuing Bank may resign at any time by giving 180 days' prior written notice to the Administrative Agent, the Borrower and the Lenders, and an Issuing Bank may be replaced at any time by written agreement (an "Issuing Bank Agreement") among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank, which shall set forth the LC Commitment of such successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any Issuing Bank Agreement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto to the extent of its Commitment hereunder and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit. Upon the expiration of the Revolving Commitments of an Issuing Bank (upon the occurrence of the Latest Maturity Date applicable to any Class of Revolving Commitments of such Issuing Bank), such Issuing Bank shall be deemed to have resigned as an Issuing Bank hereunder without the requirement for any further notice to or consent from any other Person unless such Issuing Bank shall have previously agreed to act as an Issuing Bank with respect to any Class of Revolving Commitments with a later maturity.

(l) *Applicability of ISP and UCP*. Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a Letter of Credit is issued by it (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, no Issuing Bank shall be responsible to the Borrower for, and no Issuing Bank's rights and remedies against the Borrower shall be impaired by, any action or inaction of any Issuing Bank required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where any Issuing Bank or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade – International Financial Services Association (BAFT), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(m) *Role of Issuing Bank*. Each Issuing Bank shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each Issuing Bank shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article VIII with respect to any acts taken or omissions suffered by such Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article VIII included such Issuing Bank with respect to such acts or omissions, and (B) as additionally provided herein with respect to such Issuing Bank.

(n) *Cash Collateralization*. If any Event of Default shall occur and be continuing, the Borrower shall (or shall cause Subsidiary Loan Parties to), promptly (and in any event within one (1) Business Day following receipt by the Borrower of a written demand for the deposit of cash collateral pursuant to this Section 2.05(n) from the Administrative Agent (or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing greater than 50.0% of the total LC Exposure)) deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders, an amount in cash equal to 103.0% of the total LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower or any Subsidiary Loan Party described in Section 7.01(h) or (i). The Borrower also shall (or shall cause Subsidiary Loan Parties to) deposit cash collateral pursuant to this Section 2.05(n) (i) as and to the extent required by (x) Section 2.11(b), and any such cash collateral so deposited and held by the Administrative Agent hereunder shall constitute part of the ABL Borrowing Base Amount for purposes of determining compliance with Section 2.11(b) and (y) any other provision of this Agreement, and (ii) if any Letter of Credit remains outstanding after the date specified in Section 2.05(c)(ii), with respect to any Issuing Bank, in an amount equal to 103.0% of the stated amount of each such Letter of Credit. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. The Administrative Agent shall, at the Borrower's risk and expense, invest all such deposits in Permitted Investments chosen in the sole discretion of the Administrative Agent after consultation with the Borrower, provided that no consultation shall be required if a Default has occurred and is continuing. Other than any interest earned in respect of the investment of such deposits, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse each Issuing Bank for LC Disbursements for which it has not been reimbursed (together with related fees, costs, and customary processing charges) and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to (i) the consent of Revolving Lenders with LC Exposure representing greater than 50.0% of the total LC Exposure and (ii) in the case of any such application at a time when any Revolving Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders), the consent of each Issuing Bank), be applied to satisfy the Obligations. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived (or, during a Cash Dominion Period, paid into the Bank of America Concentration Account). If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.11(b), (c) or (d), such amount (to the extent not applied as aforesaid or as otherwise provided herein) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the Borrower would remain in compliance with Section 2.11(b), (c) or (d), no Issuing Bank shall have any exposure in respect of any outstanding Letter of Credit that is not fully covered by the Revolving Commitments of the Non-Defaulting

Lenders and/or the remaining cash collateral and no Default shall have occurred and be continuing. Unless and except to the extent that the deposit of cash collateral directly by the Borrower would not result in an obligation to grant a security interest in such cash collateral to the holders of other outstanding Indebtedness of the Borrower, the Borrower will cause Subsidiary Loan Parties to deposit all cash collateral required to be deposited pursuant to this Section 2.05(n), Section 2.11(b) or otherwise.

(o) *Additional Issuing Banks*. The Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld) and such Lender, designate one or more additional Lenders to act as an issuing bank under the terms of this Agreement. Any Lender designated as an issuing bank pursuant to this Section 2.05(o) shall be deemed to be an "Issuing Bank" (in addition to being a Lender) in respect of Letters of Credit issued or to be issued by such Lender, and, with respect to such Letters of Credit, such term shall thereafter apply to the other Issuing Banks and such Lender in its capacity as an Issuing Bank.

(p) *Reporting by Issuing Banks to the Administrative Agent*. At the end of each week and otherwise upon request of the Administrative Agent, each Issuing Bank shall provide the Administrative Agent with a certificate identifying the Letters of Credit issued by such Issuing Bank and outstanding on such date, the amount and expiration date of each such Letter of Credit, the beneficiary thereof, the amount, if any, drawn under each such Letter of Credit and any other information reasonably requested by the Administrative Agent with respect to such Letters of Credit. The Administrative Agent shall promptly enter all such information received by it pursuant to this Section 2.05(p) in the Register.

(q) *Letters of Credit Issued for Subsidiaries*. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse, indemnify and compensate the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit as if such Letter of Credit had been issued solely for the account of the Borrower. The Borrower irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.06. Funding of Borrowings.

(a) Each Appropriate Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by (i) in the case of Term SOFR Borrowings, 12:00 p.m., and (ii) in the case of ABR Borrowings, 3:00 p.m., in each case, in each case, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by wire transfer, in like funds, to an account designated by the Borrower in the applicable Borrowing Request. Wire transfers to the Borrower of all Loans (other than Swingline Loans and same-day ABR Revolving Borrowings) shall be made no later than 1:00 p.m. Wire transfers to the Borrower

of Swingline Loans and same-day ABR Revolving Borrowings shall be made no later than 4:00 p.m.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing (or, in the case of any Borrowing of ABR Loans, prior to 2:00 p.m. on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date (or, in the case of a Borrowing of ABR Loans, that such Lender has made such share available by the time required) in accordance with Section 2.06(a) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing or (ii) in the case of the Borrower, the interest rate applicable to ABR Revolving Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided herein, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to any applicable extension of credit set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

SECTION 2.07. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of Term SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of Term SOFR Borrowings, may elect Interest Periods therefor, all as provided in this Section 2.07. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans (of any Class) comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section 2.07 shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section 2.07, the Borrower shall notify the Administrative Agent of such election by (i) telephone, or (ii) submission of an Interest Election Request (including by electronic mail or facsimile) by the time that a Borrowing Request would be required to be made under Section 2.03 if the Borrower were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such notice and Interest Election Request shall be irrevocable and, in the case of an Interest Election Request, signed by the Borrower.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02 and this Section 2.07(c):

(i) the Borrowing and Class of Loans to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Term SOFR Borrowing; and

(iv) if the resulting Borrowing is a Term SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Term SOFR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Appropriate Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Term SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Term SOFR Borrowing and (ii) unless repaid, each Term SOFR Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto. Except as otherwise provided herein, a Term SOFR Loan may be continued or converted only on the last day of an Interest Period for such Term SOFR Loan.

(f) A Revolving Loan Borrowing or FILO Loan Borrowing may not be converted to or continued as a Term SOFR Borrowing if after giving effect thereto the Interest Period therefor would end after the earliest Revolving Maturity Date or the FILO Maturity Date, as applicable for such Class.

(g) With respect to SOFR or Term SOFR, the Administrative Agent, in consultation with the Borrower, will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document; provided, that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective. Notwithstanding anything herein or in any other Loan Document to the contrary, the Administrative Agent and the Borrower shall cooperate in good faith and use commercially reasonable efforts to satisfy any applicable requirements under proposed or final United States Treasury Regulations or other regulatory guidance such that any amendments implementing such Conforming Changes shall not result in a deemed exchange of any Loan under Section 1001 of the Code.

SECTION 2.08. Termination and Reduction of Commitments.

(a) *Termination of Commitments*. Unless previously terminated in accordance with the terms of this Agreement, (i) the Revolving Commitments shall terminate on the Revolving Maturity Date (applicable to such Class of Revolving Commitments), (ii) the FILO Initial Commitments shall terminate on the Closing Date upon the making of the applicable FILO Loans on such date by the applicable FILO Lenders, and (iii) each FILO Incremental Commitment shall terminate on the funding date with respect thereto upon the making of the applicable FILO Loans on such date by the applicable FILO Lenders.

(b) *Optional Reduction of Revolving Commitments*. The Borrower may at any time terminate, or from time to time reduce, the unused Revolving Commitments of any Class; provided that (i) each such reduction of the Commitments of any Class shall be in an amount that is an integral multiple of $1,000,000 and not less than $5,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, the Total Revolving

Exposure would exceed the Total Revolving Commitments or the Swingline Sublimit or the LC Sublimit shall exceed the Total Revolving Commitments.

(c) *Mandatory Reduction of Revolving Commitments*. In connection with any Prepayment Event that relates to assets contributing to the ABL Borrowing Base Amount, upon the application of the Net Cash Proceeds thereof, the Revolving Commitments shall be reduced by an amount equal to 75.0% of the reduction in the ABL Borrowing Base Amount arising as a result of such Prepayment Event.

(d) *Effect of Revolving Commitment Reductions; Ratable Reductions*. Any termination or reduction of the Revolving Commitments of any Class shall be permanent. Each reduction of the Revolving Commitments of any Class, whether effected pursuant to Section 2.08(b) or (c), shall be made ratably among the Lenders in accordance with their Applicable Revolving Percentage of such Class.

(e) *Procedures for Optional Revolving Commitment Reductions.* The Borrower shall notify the Administrative Agent of any election to terminate or reduce the unused Revolving Commitments under Section 2.08(b) at least one (1) Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Revolving Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.08 shall be irrevocable; provided that a notice of voluntary termination or reduction of the Revolving Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or other financings, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

SECTION 2.09. Repayment of Loans; Evidence of Indebtedness.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent, for the account of each Revolving Lender, the then unpaid principal amount of each Revolving Loan of a particular Class of such Lender on the Revolving Maturity Date of such Class of Revolving Loan (it being understood and agreed that, subject to the other terms and conditions hereof, the Borrower may make Borrowings of Revolving Loans under any remaining Revolving Commitments of any other Class to effect such repayment), (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of (A) the Revolving Maturity Date (applicable to the Class of Revolving Commitments with the Latest Maturity Date held by the Swingline Lender) and (B) the date that is seven (7) days after the date on which such Swingline Loan was made; provided that on each date that a Revolving Borrowing is made, the Borrower shall repay all Swingline Loans that were outstanding on the date such Borrowing was requested and (iii) to the Administrative Agent, for the account of each FILO Lender, the then unpaid principal amount of each FILO Loan of a particular Class of such Lender on the FILO Maturity Date of such Class of FILO Loan.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan

made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to Section 2.09(b) or (c) shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in the form attached hereto as Exhibit F-1 or F-2, as applicable, or in such other form approved by the Administrative Agent and the Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04(b)) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(f) Upon the occurrence of a Revolving Maturity Date for any applicable Class of Revolving Loans, the Applicable Revolving Percentages with respect to each remaining Class of Revolving Commitments shall be readjusted without any further action or consent of any other party, to reflect the expiration of the Class of Revolving Commitments as to which the Revolving Maturity Date has occurred. In connection with the foregoing, the Revolving Lenders immediately after effectiveness to the readjusted Applicable Revolving Percentages shall purchase and assign at par such amounts of the Revolving Loans outstanding at such time as the Administrative Agent may require such that all of the Revolving Lenders effectively participate in each of the outstanding Revolving Loans on a pro rata basis in accordance with their readjusted Applicable Revolving Percentages. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

SECTION 2.10. FILO Initial Loan Amortization. On the last day of each calendar quarter (or, if such day is not a Business Day, the immediately preceding Business Day), commencing with September 30, 2026, the Borrower shall make cash principal payments on the FILO Initial Loans in an amount equal to $7,500,000.

SECTION 2.11. Prepayment of Loans.

(a) *Optional Prepayments*. The Borrower shall have the right, at any time and from time to time, to prepay any Borrowing in whole or in part, subject to the requirements of this Section 2.11; provided, however, that any partial prepayment made pursuant to this Section 2.11(a) shall be in a principal amount that is a multiple of $1,000,000 and not less than $5,000,000; provided, further, that the Borrower shall not be permitted to prepay any FILO Loans, other than (i) in connection with a termination of the Total Revolving Commitments and payment in full in cash of all Obligations under the Loan Documents, (ii) in connection with any amortization or mandatory prepayments required pursuant to Section 2.10 and this Section 2.11, respectively, or (iii) at any other time subject to the satisfaction of the FILO Prepayment Conditions.

(b) *Out-of-Formula Prepayment Events*.

(i) In the event and on each date that the Total Revolving Outstandings on such date exceed the then-current ABL Borrowing Base Amount (other than as a result of Protective Advances pursuant to Section 2.24(a)), the Borrower shall on each such date apply an amount equal to such excess as follows (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay any Swingline Loans that may be outstanding until paid in full, *second*, to prepay the Revolving Loans that may be outstanding until paid in full (without a reduction in the Revolving Commitments), *third*, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n), and *fourth*, to the extent after giving effect to any such prepayments and provision of Cash Collateral, the Total FILO Outstandings exceed the FILO Borrowing Base Amount, to prepay FILO Loans that may be outstanding in an amount equal to such excess.

(ii) In the event and on each date that the Total Revolving Outstandings exceed the Total Revolving Commitments, the Borrower shall on such date apply an amount equal to such excess as follows (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay any Swingline Loans that may be outstanding until paid in full, *second*, to prepay the Revolving Loans that may be outstanding until paid in full (without a reduction in the Revolving Commitments), and *third*, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n).

(c) *Cash Dominion Period*. Subject to application of Section 7.02 and except for amounts subject to and applied in accordance with Section 2.11(d) and (e), on each Business Day during any Cash Dominion Period, the Administrative Agent shall apply all immediately available funds credited to the Concentration Account (and the Administrative Agent may apply other amounts contained in Blocked Accounts and any other amounts received by or on behalf of Administrative Agent), in each case, in the following order (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay any Protective Advances that may be outstanding until paid in full, *second*, to prepay any Swingline Loans that may be outstanding until paid in full, *third*, to prepay the Revolving Loans that may be outstanding until paid in full (without a reduction in the Revolving Commitments), *fourth*, at any time an Event of Default shall exist, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n),

and *fifth*, at any time an Event of Default has occurred and is continuing, to prepay the FILO Loans that may be outstanding until paid in full. If the Borrowers are required to provide (and have provided the required amount of) cash collateral pursuant to this Section 2.11(c), the amount of such Cash Collateral (to the extent not otherwise required to be maintained by any other provision of this Agreement) shall be returned to the Borrowers within three (3) Business Days after the last day of such Cash Dominion Period.

(d) *Mandatory Prepayment Events*.

(i) In the event and on each occasion that any Net Cash Proceeds are received by or on behalf of the Borrower or any Subsidiary in respect of any Prepayment Event (including, for the avoidance of doubt, any Specified Prepayment Event (subject to the specific application provisions of Section 2.11(e) with respect to proceeds of the 2023 CMS Receivable), but excluding any Specified Regional Sale Prepayment Event), the Borrower shall, within one (1) Business Day after such Net Cash Proceeds are received, prepay Total Revolving Outstanding and, if applicable, Total FILO Outstandings, in an aggregate amount equal to 100.0% of the Net Cash Proceeds resulting from such Prepayment Event. Each prepayment of the Total Revolving Outstandings and, if applicable, Total FILO Outstandings pursuant to this Section 2.11(d)(i), shall be applied as follows (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay any Swingline Loans that may be outstanding until paid in full, *second*, to prepay the Revolving Loans that may be outstanding until paid in full (without a reduction in the Revolving Commitments), *third*, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n), and *fourth*, to prepay the FILO Loans that may be outstanding until paid in full; provided that, upon receipt and application of such Net Cash Proceeds, the Deleveraging Reserve shall be established or adjusted, as and if applicable, in respect thereof;

(ii) In the event and on each occasion that any Net Cash Proceeds are received in respect of a Specified Regional Sale Prepayment Event, the Borrower shall, within one (1) Business Day after such Net Cash Proceeds are received, prepay Total Revolving Outstanding and, if applicable, Total FILO Outstandings in an aggregate amount equal to 100.0% of the Net Cash Proceeds resulting from such Prepayment Event. Each prepayment of the Total Revolving Outstandings and, if applicable, Total FILO Outstandings pursuant to this Section 2.11(d)(ii), shall be applied as follows (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay any Swingline Loans that may be outstanding until paid in full, *second*, to prepay the Revolving Loans that may be outstanding until paid in full (with, unless the Required Lenders otherwise agree, a corresponding permanent reduction in the Revolving Commitments in the case of Net Cash Proceeds received in connection with any Specified Regional Sale Prepayment Event), *third*, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n), and *fourth*, to prepay the FILO Loans that may be outstanding until paid in full;

provided, however, that, in the case of any Prepayment Event (including Specified Prepayment Event) described in clause (b) of the definition of "Prepayment Event", so long as (x) no Cash Dominion Period is then in effect and (y) a Liquidity Event shall have occurred, if the Borrower shall (by written notice delivered to the Administrative Agent prior to the required date of prepayment) elect to apply the Net Cash Proceeds from such event (or a portion thereof specified in such certificate), within 365 days after receipt of such Net Cash Proceeds, to acquire Real Estate, equipment or other tangible assets to be used in the business of the Borrower and the Subsidiaries, and shall certify that no Default has occurred and is continuing, then no prepayment shall be required pursuant to this Section 2.11(d) in respect of the Net Cash Proceeds in respect of such event (or the portion of such Net Cash Proceeds specified in such certificate, if applicable), except to the extent of any such Net Cash Proceeds therefrom that have not been so applied by the end of such 365 day period, at which time a prepayment shall be required in an amount equal to such Net Cash Proceeds that have not been so applied.

(e) *2023 CMS Receivable Distributions*.

(i) Promptly (and in any event within one (1) Business Days) after EIC's receipt of payment of the 2023 CMS Receivable, the Administrative Agent shall have received the proceeds of the 2023 CMSR FILO Initial Loan Paydown Distribution, and such proceeds, in the amount of the 2023 CMSR FILO Initial Loan Paydown Distribution, shall be applied to immediately prepay the FILO Initial Loans hereunder.

(ii) Promptly (and in any event within one (1) Business Days) after EIC's receipt of payment of the 2023 CMS Receivable, the Administrative Agent shall have received the proceeds of the 2023 CMSR Revolving Facility Paydown Distribution, and such proceeds, in the amount of the 2023 CMSR Revolving Facility Paydown Distribution, shall be applied immediately to reduce the Total Revolving Outstandings hereunder as follows (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay the Revolving Loans that may be outstanding until paid in full (without a reduction in the Revolving Commitments), and *second*, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n).

(f) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to Section 2.11(g). All optional and mandatory prepayments of the FILO Loans shall be applied to the amortization payments in respect of the FILO Loans pursuant to Section 2.10 in the inverse order of maturity thereof.

(g) The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by (x) telephone or (y) in writing (including by electronic mail or facsimile) of any prepayment of Loans pursuant to any of Section 2.11(a), (d) or (e). Such written notice of prepayment shall be delivered (i) in the case of prepayment of a Term SOFR Loan, not later than 1:00 p.m. two (2) Business Days before the date

of prepayment, (ii) in the case of prepayment of an ABR Borrowing, not later than 1:00 p.m. on the Business Day of such prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 1:00 p.m. on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the Borrowings to be prepaid and the principal amount and Class of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of optional prepayment delivered by the Borrower pursuant to this Section 2.11 may state that it is conditioned on the effectiveness of other credit facilities or other financing, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the applicable Appropriate Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13. Except as expressly provided in Section 2.12(d) or (e), payments shall be without premium or penalty, provided that the Borrower shall reimburse the Lenders for funding losses in accordance with Section 2.16.

SECTION 2.12. Fees.

(a) *Commitment Fees*. The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a commitment fee, which shall accrue at the Applicable Rate per annum on the daily unused amount of the Revolving Commitment of each applicable Class of such Lender during the period from and including the Closing Date to but excluding the date on which such Revolving Commitment terminates. Accrued commitment fees shall be payable in arrears on the first day of each calendar month and on the date on which the Total Revolving Commitments terminate (or, if earlier, with respect to any Class of Revolving Commitments, the Revolving Maturity Date for such Class), commencing on the first such date to occur after the Closing Date. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees pursuant to this Section 2.12(a), a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender (and the Swingline Exposure of such Lender shall be disregarded for such purpose), provided that if a Lender shall have more than one Class of Revolving Commitments, such Revolving Commitments of each Class shall be deemed to be used to the extent of such Revolving Loans and LC Exposure on a ratable basis.

(b) *Letter of Credit Fees; LC Fronting Fees*. The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee (a "Letter of Credit Fee") with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate as in effect from time to time for interest on Term SOFR Revolving Loans on the daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which such Lender's Revolving Commitment of an applicable Class terminates and the date on which such Lender ceases to have any LC Exposure (with any

LC Exposure of a Lender that has more than one Class of Revolving Commitments being deemed to be allocated between each Class of such Revolving Commitments on a ratable basis), and (ii) to each Issuing Bank a fronting fee, which shall accrue at the rate of 0.125% per annum on the daily outstanding amount of such Issuing Bank's Letters of Credit during the period from and including the Closing Date to but excluding the later of the date of termination of the Total Revolving Commitments and the date on which there ceases to be any LC Exposure (or, if earlier, the latest Revolving Maturity Date for Revolving Commitments held by such Issuing Bank), as well as such Issuing Bank's customary issuance, presentation, amendment and other processing fees, and other standard costs and charges with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Letter of Credit Fees and fronting fees payable pursuant to this Section 2.12(b) shall be paid monthly in arrears on the first day of each calendar month, commencing on the first such date to occur after the Closing Date; provided that all such fees shall be payable on the date on which the Total Revolving Commitments terminate (or, if earlier, the termination of Revolving Commitments of all Classes of any applicable Lender) and any such fees accruing after the date on which the Total Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this Section 2.12(b) shall be payable within ten (10) days after demand. All Letter of Credit Fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) *Fee Letters*. The Borrowers shall pay to the Administrative Agent, the Collateral Agent, and the other Persons entitled thereto, for their own respective accounts, the fees set forth in the Fee Letters in the amounts and at the times specified in the Fee Letters.

(d) *Revolving Commitment Termination Fee*. Upon the occurrence of any Revolving Commitment Termination Fee Trigger Event, on the effective date of the termination or reduction of the Revolving Commitments in connection therewith, the Borrower shall pay to the Administrative Agent, for the benefit of the Revolving Lenders, an amount in cash equal to the applicable Revolving Commitment Termination Fee with respect to such Revolving Commitment Termination Fee Trigger Event. Any Revolving Commitment Termination Fee payable in accordance with this Section 2.12(d) shall be presumed to be equal to the liquidated damages sustained by the Revolving Lenders as the result of the occurrence of the applicable Revolving Commitment Termination Fee Trigger Event, and the Borrower agrees that the corresponding Revolving Commitment Termination Fee is reasonable under the circumstances currently existing. The Revolving Commitment Termination Fee, if any, shall also be payable in the event the Revolving Loans (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. THE BORROWER EXPRESSLY WAIVES, ON BEHALF OF THE LOAN PARTIES, THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING REVOLVING COMMITMENT TERMINATION FEE IN CONNECTION WITH ANY TERMINATION OR REDUCTION OF THE REVOLVING COMMITMENTS. The Borrower expressly agrees that (i) the Revolving Commitment Termination Fee is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel, (ii) the Revolving Commitment Termination Fee shall be payable notwithstanding the then prevailing market rates at the time payment is made, (iii) there has been a course of conduct between Revolving Lenders and the Borrower giving specific consideration in this transaction for such agreement to pay the

Revolving Commitment Termination Fee, (iv) the Borrower shall be estopped hereafter from claiming differently than as agreed to in this Section 2.12(d), (v) their agreement to pay the Revolving Commitment Termination Fee is a material inducement to the Revolving Lenders to enter into this Agreement and to make available the Revolving Facility, and (vi) the Revolving Commitment Termination Fee represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Revolving Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Revolving Lenders or profits lost by the Revolving Lenders as a result of such Revolving Commitment Termination Fee Trigger Event.

(e) *FILO Loan Prepayment Fee*. Upon the occurrence of any FILO Loan Prepayment Fee Trigger Event, on the effective date of the prepayment or deemed prepayment in connection therewith, the Borrower shall pay to Administrative Agent, for the benefit of the FILO Lenders holding FILO Loans, an amount in cash equal to the applicable FILO Loan Prepayment Fee with respect to such FILO Loan Prepayment Fee Trigger Event. Any FILO Loan Prepayment Fee payable in accordance with this Section 2.12(e) shall be presumed to be equal to the liquidated damages sustained by the FILO Lenders as the result of the occurrence of the applicable FILO Loan Prepayment Fee Trigger Event, and the Borrower agrees that the corresponding FILO Loan Prepayment Fee is reasonable under the circumstances currently existing. The FILO Loan Prepayment Fee, if any, shall also be payable in the event the FILO Loans (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. THE BORROWER, ON BEHALF OF THE LOAN PARTIES, EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING FILO LOAN PREPAYMENT FEE IN CONNECTION WITH ANY ACCELERATION OF THE FILO LOANS. The Borrower, on behalf of the Loan Parties, expressly agrees that (i) the FILO Loan Prepayment Fee is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel, (ii) the FILO Loan Prepayment Fee shall be payable notwithstanding the then prevailing market rates at the time payment is made, (iii) there has been a course of conduct between FILO Lenders and the Borrower giving specific consideration in this transaction for such agreement to pay the FILO Loan Prepayment Fee, (iv) the Borrower shall be estopped hereafter from claiming differently than as agreed to in this Section 2.12(e), (v) their agreement to pay the FILO Loan Prepayment Fee is a material inducement to the FILO Lenders to enter into this Agreement and to make available the FILO Loans, and (vi) the FILO Loan Prepayment Fee represents a good faith, reasonable estimate and calculation of the lost profits or damages of the FILO Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the FILO Lenders or profits lost by the FILO Lenders as a result of such FILO Loan Prepayment Fee Trigger Event.

(f) *Assumed DIP Lender Fees*. The Borrower agrees to pay to the Administrative Agent, for the benefit of the Lenders entitled thereto, the fees set forth in any DIP ABL Fee Letter or in any DIP Term Loan Fee Letter that, pursuant to the terms of such DIP ABL Fee Letter or DIP Term Loan Fee Letter, are to be paid to such Lender during the term of this Agreement (any such fee, an "Assumed DIP Lender Fee"), in the amounts and at the times set forth in such DIP ABL Fee Letter or DIP Term Loan Fee Letter, as applicable.

(g) *Payment of Fees*. All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the relevant Issuing Bank, in

the case of fees payable to it) for distribution, in the case of any commitment fees, Letter of Credit Fees, Revolving Commitment Termination Fees, FILO Loan Prepayment Fees, and the Assumed DIP Lender Fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances. If any such fee is not paid when due, then (without waiving any Default or Event of Default that may arise with respect to such non-payment), at the option of the Administrative Agent or at the request of the Required Lenders (or, immediately (without any further act of any Person), upon the occurrence of an Event of Default clause (h) or (i) of Section 7.01), such unpaid amount shall be capitalized to the outstanding principal amount of the Revolving Loans (if such fee is related to the Revolving Facility) or to the outstanding principal amount of the FILO Loans of the applicable Class (if such fee is related to the FILO Facility).

SECTION 2.13. Interest.

(a) *Interest on ABR Borrowings*. The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) *Interest on Term SOFR Borrowings*. The Loans comprising each Term SOFR Borrowing shall bear interest at Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) *Default Rate of Interest*. Notwithstanding the foregoing, upon the occurrence and during the continuation of an Event of Default, at the option of the Administrative Agent or at the request of the Required Lenders (or, immediately (without any further act of any Person), upon the occurrence of an Event of Default under clause (a), (b), (h) or (i) of Section 7.01), the Borrower shall pay interest on all of the Obligations to but excluding the date of actual payment, after as well as before judgment, at the Default Rate.

(d) *Interest Payment Dates*. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and (i) in the case of FILO Loans of each Class, on the FILO Maturity Date of such Class and (ii) in the case of Revolving Loans of each Class on the earlier of the Revolving Maturity Date of such Class and the date on which the Total Revolving Commitments are terminated; provided that (i) interest accrued at the Default Rate pursuant to Section 2.13(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period with respect to the applicable Class), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion, together with any amounts due and payable pursuant to Section 2.16.

(e) *Computation*. All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate (including ABR Loans determined by reference to Term SOFR) shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest; Illegality.

(a) *Alternate Rate of Interest*. If in connection with any request for a Term SOFR Loan or a conversion of ABR Loans to Term SOFR Loans or continuation of any such Loans, as applicable,

(i) the Administrative Agent determines that (A) no Successor Rate has been determined in accordance with Section 2.14(b) and the circumstances under clause (i) of Section 2.14(b) or the Scheduled Unavailability Date has occurred, or (B) adequate and reasonable means do not exist for determining Term SOFR for any requested Interest Period with respect to a proposed Term SOFR Loan or in connection with an existing or proposed ABR Loan; or

(ii) the Administrative Agent is advised by the Required Lenders that Term SOFR for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, electronic mail or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) the obligation of the Lenders to make or maintain Term SOFR Loans shall be suspended, (to the extent of the affected Term SOFR Loans or Interest Periods), (ii) in the event of a determination described in the preceding sentence with respect to the Term SOFR component of the Alternate Base Rate, the utilization of the Term SOFR component in determining the Alternate Base Rate shall be suspended, (iii) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term SOFR Borrowing shall be ineffective and (iv) if any Borrowing Request requests a Term SOFR Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) *Replacement of Term SOFR or Successor Rate*. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders, as applicable, have determined that:

(i) adequate and reasonable means do not exist for ascertaining one month, three month and six month interest periods of Term SOFR, including, without limitation, because the Term SOFR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) CME or any successor administrator of the Term SOFR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or such administrator with respect to its publication of Term SOFR, in each case, acting in such capacity, has made a public statement identifying a specific date after which one month, three month and six month interest periods of Term SOFR or the

Term SOFR Screen Rate shall or will no longer be made available, or permitted to be used for determining the interest rate of U.S. dollar denominated syndicated loans, or shall or will otherwise cease, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide such interest periods of Term SOFR after such specific date (the latest date on which one month, three month and six month interest periods of Term SOFR or the Term SOFR Screen Rate are no longer available permanently or indefinitely, the "Scheduled Unavailability Date");

then, on a date and time determined by the Administrative Agent (in consultation with the Borrower) (any such date, the "Term SOFR Replacement Date"), which date shall be at the end of an Interest Period or on the relevant interest payment date, as applicable, for interest calculated and, solely with respect to clause (ii) above, no later than the Scheduled Unavailability Date, Term SOFR will be replaced hereunder and under any Loan Document with Daily Simple SOFR plus the SOFR Adjustment, in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (the "Successor Rate").

If the Successor Rate is Daily Simple SOFR plus the SOFR Adjustment, all interest payments will be payable on a monthly basis.

Notwithstanding anything to the contrary herein, (i) if the Administrative Agent determines that Daily Simple SOFR is not available on or prior to the Term SOFR Replacement Date, or (ii) if the events or circumstances of the type described in Section 2.14(b)(i) or (ii) have occurred with respect to the Successor Rate then in effect, then in each case, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing Term SOFR or any then current Successor Rate in accordance with this Section 2.14 at the end of any Interest Period, relevant interest payment date or payment period for interest calculated, as applicable, with an alternative benchmark rate giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated credit facilities syndicated and agented in the United States for such alternative benchmark, and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar U.S. denominated credit facilities syndicated and agented in the United States for such benchmark. For the avoidance of doubt, any such proposed rate and adjustments shall constitute a "Successor Rate". Any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

The Administrative Agent will promptly (in one or more notices) notify the Borrower and each Lender of the implementation of any Successor Rate.

Any Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, each Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent (after consultation with the Borrower).

Notwithstanding anything else herein, if at any time any Successor Rate as so determined would otherwise be less than zero, the Successor Rate will be deemed to be zero for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation and administration of a Successor Rate, the Administrative Agent will have the right, after consultation with the Borrower, to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective only after written notice thereof to the Borrower but otherwise without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective. Notwithstanding anything herein or in any other Loan Document to the contrary, the Administrative Agent and the Borrower shall cooperate in good faith and use commercially reasonable efforts to satisfy any applicable requirements under proposed or final United States Treasury Regulations or other regulatory guidance such that any amendments implementing such Conforming Changes shall not result in a deemed exchange of any Loan under Section 1001 of the Code.

For purposes of this Section 2.14, those Lenders (if any) that either have not made, or do not have an obligation under this Agreement to make, the relevant Loans in dollars shall be excluded from any determination of Required Lenders.

(c) *Illegality*. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to SOFR or Term SOFR, or to determine or charge interest rates based upon SOFR or Term SOFR, then, upon notice thereof by such Lender to the Borrower (through the Administrative Agent), (a) any obligation of such Lender to make or continue Term SOFR Loans or to convert ABR Loans to Term SOFR Loans shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Term SOFR component of the Alternate Base Rate, the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Term SOFR Loans of such Lender to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Alternate Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term SOFR Loan to such day, or immediately, if such Lender may not lawfully continue to maintain such Term SOFR Loan and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon SOFR, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest

rates based upon SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.16.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Agent, any Lender or any Issuing Bank to any Taxes (other than (A) Indemnified Taxes and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Agent, such Lender or such Issuing Bank, as applicable, of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Agent, such Lender or such Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Agent, such Lender or such Issuing Bank hereunder (whether of principal, interest or any other amount), then the Borrower will pay to such Agent, such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Agent, such Lender or such Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered to the extent notification thereof is delivered to the Borrower as set forth in this Section 2.15.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital requirements or liquidity has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital or liquidity adequacy), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered. Each Lender will promptly notify the Borrower and the Administrative Agent of any event of which it has

knowledge that will entitle such Lender to compensation pursuant to this Section 2.15; provided that the failure to provide such notification will not affect such Lender's rights to compensation hereunder.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in Section 2.15(a) or (b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section 2.15 for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided, further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding anything contained herein to the contrary, no Lender or Issuing Bank shall be entitled to any compensation pursuant to this Section 2.15 unless such Lender or Issuing Bank certifies in its reasonable good faith determination that it is imposing such charges or requesting such compensation from borrowers (similarly situated to the Borrower) under comparable syndicated credit facilities as a matter of general practice and policy.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Loan other than an ABR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Loan other than an ABR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(g) and is revoked in accordance therewith), or (d) the assignment of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event, but excluding any loss of margin. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

SECTION 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of the Borrower hereunder or under any other Loan Document shall be made free and clear of and without

deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after making all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this Section 2.17) the Administrative Agent, Lender or Issuing Bank (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made.

(b) In addition, the Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) The Borrower shall indemnify each Agent, each Lender and each Issuing Bank, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes payable or paid by, or required to be deducted or withheld from a payment to, such Agent, such Lender or such Issuing Bank, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower hereunder or under any other Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or an Issuing Bank, or by the Administrative Agent on its own behalf or on behalf of a Lender or an Issuing Bank, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 2.17, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e)

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup

withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clauses (ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Notwithstanding the foregoing, in the case of the Borrower or any applicable Loan Party that, in each case, is not a U.S. Person, the applicable Lender will not be subject to the requirements on this Section 2.17(e)(i) unless it has received written notice from the Borrower or such other Loan Party advising it of the availability of an exemption or reduction of withholding Tax under the laws of the jurisdiction in which the Borrower or such other Loan Party is located and containing all applicable documentation (together, if requested by such Lender, with a certified English translation thereof) required to be completed by such Lender in order to receive any such exemption or reduction, and such Lender is reasonably satisfied that it is legally able to provide such documentation to the Borrower or such other Loan Party.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner.

(C) Any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient), on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(D) If a payment made to a Lender under any Loan Document (or a payment made to a Participant pursuant to a participation granted by any Lender) would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender (or Participant) were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender who granted the participation only) at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent (or, in the case of a Participant, the Lender who granted the participation) such documentation prescribed

by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent (or, in the case of a Participant, the Lender who granted the participation) as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Each Lender (or Participant) agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent (or, in the case of the Participant, the Lender who granted the participation) in writing of its legal inability to do so. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(f) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 2.17(f).

(g) If any Agent, Lender or Issuing Bank determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.17(g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.17(g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.17(g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise

imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17(g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Each Party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) For purposes of this Section 2.17, the term "Lender" includes any Issuing Bank and the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m. on the date when due), in immediately available funds, free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its office for payments from time to time notified in writing to the Borrower, except payments to be made directly to an Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof, in the same form received. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or

participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate principal amount of its Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate relative amounts of principal of and accrued interest on their Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this Section 2.18(c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements and Swingline Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this Section 2.18(c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders, the Issuing Banks of the Swingline Lender hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, an Issuing Bank or the Swingline Lender, as the case may be, the amount due. With respect to any payment that the Administrative Agent makes for the account of the Lenders, any Issuing Bank or the Swingline Lender hereunder as to which the Administrative Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the "Rescindable Amount"): (i) the Borrower or any other Loan Party has not in fact made such payment, (ii) the Administrative Agent has made a payment in excess of the amount so paid by the Borrower or any other Loan Party (whether or not then owed), or (iii) the Administrative Agent has for any reason otherwise erroneously made such payment, then, in any such case, each of the Lenders, the Issuing Banks and the Swingline Lender, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount so distributed to such Lender, such Issuing Bank, or the Swingline Lender, as the case may be, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.18(d) shall be conclusive, absent manifest error.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(e), 2.05(d) or (e), 2.06(b), 2.18(d) or 9.03(c), then the Administrative

Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) To the extent not paid by the Borrower when due, the Administrative Agent, without any request being made by, and without notice to or consent from, the Borrower, may advance any interest, fee, or other payment required under any Loan Document to which any Secured Party is entitled and may charge the same to the Administrative Agent's loan account for the Revolving Facility notwithstanding any failure to satisfy the conditions set forth in Section 4.02; provided that such charges do not cause the Total Revolving Outstandings to exceed the Total Revolving Commitments. Such action on the part of the Administrative Agent shall not constitute a waiver of the Administrative Agent's rights and the Borrower obligations, if any, under Section 2.11(b). Any amount which is added to the principal balance of the Administrative Agent's loan account for the Revolving Facility as provided in this Section 2.18(f) shall bear interest at the interest rate then and thereafter applicable to ABR Revolving Loans.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender has become a Defaulting Lender or (iv) any Lender refuses to consent to any amendment or waiver of any Loan Document requested by the Borrower that requires the consent of all Lenders (or all Lenders within a specified Class), and such amendment or waiver is consented to by the Required Lenders (or the requisite majority of Lenders with respect to a specified Class), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and, if a Revolving Commitment is being assigned, the Issuing Banks and the Swingline Lender), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and

(iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 2.20. Reserves. The establishment or increase of any reserves against the ABL Borrowing Base Amount or the FILO Borrowing Base Amount based on the Borrowing Base Factors will be limited to the exercise by the Administrative Agent of its commercially reasonable judgment, and shall be made upon at least two (2) Business Days' prior written notice (which may be made by e-mail) to the Borrower (which written notice will include a reasonably detailed description of the reserve being established or increased); provided that, notwithstanding the foregoing to the contrary, no such prior written notice shall be required (i) for changes to any reserves resulting solely by virtue of mathematical calculations of the amount of the reserves in accordance with the methodology of calculation previously utilized, (ii) with respect to any establishment of, or adjustment to, the Deleveraging Reserve or (iii) if an Event of Default is continuing; provided, further, that, during such two (2) Business Day period, (i) the Borrower agrees that the Borrower shall not be entitled to borrow Loans or request any issuance or increase of any Letters of Credit (A) to the extent the making of any such Loans or issuance or increase of any such Letters of Credit, would cause the Total Revolving Outstandings to exceed the ABL Borrowing Base Amount (determined as if such new or modified reserves were in effect) or (B) to the extent a Default under Section 6.12 (compliance therewith being determined as if such new or modified reserves were in effect) would immediately result, and (ii) the Administrative Agent shall be available to discuss any such reserve or modification to a reserve with the Borrower, and the Borrower may take any action that may be required so that the event, condition or matter that is the basis for such reserve or modification no longer exists or exists in a manner that would result in the establishment of a lower reserve or result in a lesser increase in any existing reserve, in each case, in a manner and to the extent reasonably satisfactory to the Administrative Agent. Notwithstanding anything to the contrary herein, (x) the amount of any reserve or change established in connection with the Borrowing Base Factors shall have a reasonable relationship to the event, condition or other matter that is the basis for such reserve or such change and (y) no reserves or changes shall be duplicative of reserves or changes already accounted for through eligibility criteria or advance rates.

SECTION 2.21. Revolving Commitment Increases; FILO Incremental Facilities.

(a) *Revolving Facility Increases*. At any time after the Closing Date, the Borrower may, by written notice to the Administrative Agent (which shall promptly deliver a copy to each of the Lenders), request at any time or from time to time increases in the amount of the Revolving Commitments; provided that (i) the aggregate amount of each such increase pursuant to this Section 2.21(a) (each, a "Revolving Commitment Increase") shall be in an aggregate principal amount that is not less than $25,000,000 (provided that such amount may be less than $25,000,000 if such amount represents all remaining Incremental Availability at such time), (ii) the amount of any requested Revolving Commitment Increase shall not exceed the Incremental Availability at such time, and (iii) each such Revolving Commitment Increase shall be subject to the conditions set forth in Section 2.21(c) and shall be documented as set forth in this Section 2.21. Each notice from the Borrower pursuant to this Section 2.21(a) shall set forth the requested amount

and proposed terms of the relevant Revolving Commitment Increase. Revolving Commitment Increases may be provided by any existing Revolving Lender (it being understood that no existing Revolving Lender will have an obligation to provide a portion of any Revolving Commitment Increase) or by any other Person constituting an Eligible Assignee (subject to any consents as would be required pursuant to Section 9.04(b)(i)(B) and (C) if such Person were becoming a Revolving Lender pursuant to Section 9.04) (any such other Person being called an "Additional Revolving Lender"). Commitments in respect of any Revolving Commitment Increases shall become Revolving Commitments (or in the case of a Revolving Commitment Increase to be provided by an existing Revolving Lender, an increase in such Revolving Lender's Revolving Commitments) under this Agreement pursuant to an amendment (an "Incremental Revolving Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Revolving Lender agreeing to provide such Revolving Commitment, if any, each Additional Revolving Lender, if any, and the Administrative Agent. Upon each increase in the Revolving Commitments pursuant to this Section 2.21(a), (x) each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Revolving Lender providing a portion of the Revolving Commitment Increase (each a "Revolving Commitment Increase Lender") in respect of such increase, and each such Revolving Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Lender's participations hereunder in outstanding Letters of Credit and Swingline Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (i) participations hereunder in Letters of Credit, (ii) participations hereunder in Swingline Loans held by each Revolving Lender, and (iii) participations in Protective Advances held by each Revolving Lender (including each such Revolving Commitment Increase Lender) will equal the percentage of the Total Revolving Commitments represented by such Revolving Lender's Revolving Commitment (without regard to any separate Class or Classes of Revolving Commitments of all Revolving Lenders) and (y) if, on the date of such increase, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Revolving Commitment Increase be prepaid from the proceeds of additional Revolving Loans made hereunder (reflecting such increase in Revolving Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Revolving Lender in accordance with Section 2.16. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence. Each Revolving Commitment Increase shall be allocated among the Revolving Lenders providing such Revolving Commitment Increase in such manner as the Borrower may designate (in consultation with the Administrative Agent).

(b) *FILO Incremental Facilities.* At any time after the Closing Date, the Borrower may, by written notice to the Administrative Agent (which shall promptly deliver a copy to each of the Lenders), request at any time or from time to time one or more commitments to make additional FILO Loans (each such commitment, a "FILO Incremental Commitment", and such additional FILO Loans made thereunder, "FILO Incremental Loans"; any such Commitments and FILO Loans be referred to herein as a FILO Incremental Facility); provided that (i) the aggregate amount of each FILO Incremental Facility shall be in an aggregate principal amount that is not less than $10,000,000 (provided that such amount may be less than $10,000,000 if such amount represents all remaining Incremental Availability at such time), (ii) the amount of any

requested FILO Incremental Facility shall not exceed the Incremental Availability at such time, (iii) each such FILO Incremental Facility shall be subject to the conditions set forth in Section 2.21(c) and shall be documented as set forth in this Section 2.21, and (vi) after giving effect to any FILO Incremental Facility, the All-in Advance Rate Requirement is satisfied. Each notice from the Borrower pursuant to this Section 2.21(b) shall set forth the requested amount and proposed terms of the relevant Incremental FILO Facility. A FILO Incremental Facility may be provided by any existing Lender (it being understood that no existing Lender will have an obligation to provide a portion of any FILO Incremental Facility) or by any other Person constituting an Eligible Assignee (subject to any consents as would be required pursuant to Section 9.04(b)(i)(B) and (C) if such Person were becoming a FILO Lender pursuant to Section 9.04) (any such other Person being called an "Additional FILO Lender"), in each case, on terms permitted in this Section 2.21(b) and otherwise on terms reasonably acceptable to the Administrative Agent. Each FILO Incremental Facility shall be effectuated under this Agreement pursuant to an amendment (an "Incremental FILO Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender agreeing to provide such FILO Incremental Facility, if any, each Additional FILO Lender, if any, and the Administrative Agent. Each FILO Incremental Facility shall be allocated among the Lenders providing such FILO Incremental Facility in such manner as the Borrower may designate (in consultation with the Administrative Agent).

(c) *Conditions to Effectiveness of Facility Increases*. The effectiveness of any Incremental Revolving Amendment or Incremental FILO Amendment shall be subject to (i) the satisfaction on the date thereof of each of the conditions set forth in Sections 4.02(b) and (c) (it being understood that all references to "such Borrowing or issuance" or similar language in such Sections shall be deemed to refer to the effective date of such Incremental Revolving Amendment or Incremental FILO Amendment, as applicable), (ii) the receipt of opinions and certificates corresponding to those opinions and certificates delivered pursuant to Sections 4.01(e) through (i), in each case, unless waived by the Administrative Agent, and (iii) the satisfaction of such other conditions as the parties thereto shall agree.

(d) *Terms of Facility Increases*.

(i) Any Revolving Commitment Increase shall be documented as an increase to the existing Class of Revolving Commitments then having the latest Revolving Maturity Date and shall be on terms identical to those applicable to such existing Class of Revolving Commitments, except with respect to any commitment, arrangement, upfront or similar fees that may be agreed to among the Borrower and the Revolving Lenders or Additional Revolving Lenders agreeing to participate in such Revolving Commitment Increase.

(ii) Any FILO Incremental Facility shall be on terms identical to those applicable to the then-existing FILO Loans, except with respect to any arrangement, upfront or similar fees that may be agreed to among the Borrower and the FILO Lenders or Additional FILO Lenders agreeing to provide such FILO Incremental Facility; provided, however, that any FILO Facility may have (A) different interest terms and (B) so long as after giving effect to all FILO Facilities, the All-In Advance Rate Requirement is satisfied, different advance rates for any applicable

assets included in the "borrowing base" governing such FILO Facility as may be agreed to among the Borrower, the Administrative Agent and the FILO Lenders or Additional FILO Lenders agreeing to provide such FILO Facility.

(iii) In addition to the foregoing, (A) no Revolving Commitment Increase or FILO Incremental Facility, nor any related obligations, may be (1) guaranteed by any Person other than the Loan Parties or (2) secured by any assets other than Collateral, (B) the final maturity of any Revolving Commitment Increase or FILO Incremental Facility shall be no earlier than the Latest Maturity Date applicable to any existing Class of Loans or Commitments, (C) as between the Revolving Facility and the FILO Facility, all proceeds from the liquidation or other realization of the Collateral or application of funds shall be applied first, to the Revolving Facility, and second, to the FILO Facility (in the manner contemplated by Section 7.02), (C) the Required Lenders shall exercise control of remedies in respect of the Collateral, and (D) no changes adversely affecting the priority status of the obligations under any Facility relative to the obligations under any other Facility may be made without the consent of each the Lenders in each Class adversely affected thereby.

(f) *Notice of Amendments; Conflicting Provisions.* The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Revolving Amendment and Incremental FILO Amendment. Each Incremental Revolving Amendment and Incremental FILO Amendment may, without the consent of any Lenders (other than the Lenders party thereto pursuant Section 2.21(a) or (b), as applicable), effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of (and without limiting any restrictions set forth in) this Section 2.21. This Section 2.21 shall supersede any provisions in Section 2.09, 2.18 or 9.02 to the contrary, and the requirements of any other provision of this Agreement or any other Loan Document that may otherwise prohibit any transaction contemplated by this Section 2.21.

SECTION 2.22. Extensions of Loans and Commitments.

(a) *Extension of Revolving Commitments*.

(i) *Generally*. The Borrower may at any time and from time to time request that all or a portion of the Revolving Commitments of a given Class (each, an "Existing Revolving Tranche") be amended to extend the Revolving Maturity Date with respect to all or a portion of any principal amount of such Revolving Commitments (any such Revolving Commitments which have been so amended, "Extended Revolving Commitments") and to provide for other terms consistent with this Section 2.22(a); provided that there shall be no more than two (2) Classes of Revolving Loans and Revolving Commitments outstanding at any time. In order to establish any Extended Revolving Commitments, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Revolving Lenders under the applicable Existing Revolving Tranche) (each, a "Revolving Extension Request") setting forth the proposed terms (which shall be

determined in consultation with the Administrative Agent) of the Extended Revolving Commitments to be established, which shall (x) be identical as offered to each Revolving Lender under such Existing Revolving Tranche (including as to the proposed interest rates and fees payable) and offered pro rata to each Revolving Lender under such Existing Revolving Tranche and (y) be identical to the Revolving Commitments under the Existing Revolving Tranche from which such Extended Revolving Commitments are to be amended, except that: (i) the Revolving Maturity Date of the Extended Revolving Commitments shall be later than the Revolving Maturity Date of the Revolving Commitments of such Existing Revolving Tranche, (ii) the Revolving Extension Amendment may provide for other covenants and terms that (A) apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Revolving Extension Amendment (immediately prior to the establishment of such Extended Revolving Commitments) or (B) are reasonably satisfactory to the Administrative Agent and the Borrower to incorporate such more restrictive provisions for the benefit of the Lenders (which amendment shall, notwithstanding any provision herein to the contrary, not require the consent of any Lender) and (iii) all borrowings under the Revolving Commitments and repayments thereunder shall be made on a pro rata basis (except for (A) payments of interest and fees at different rates on Extended Revolving Commitments (and related outstandings) and (B) repayments required upon the Revolving Maturity Date (or at the maturity, upon acceleration or otherwise, of) of the Class of non-extending Revolving Commitments); provided, further, that (1) the conditions precedent set forth in Sections 4.02(b) and (c) shall be satisfied as of the date of such Revolving Extension Amendment and at the time when any Revolving Loans are made in respect of any Extended Revolving Commitment, (2) in no event shall the final maturity date of any Extended Revolving Commitments of a given Revolving Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Revolving Commitments hereunder, (3) any such Extended Revolving Commitments (and the Liens securing the same) shall be permitted by the terms of each Acceptable Intercreditor Agreement then in effect, and (4) all documentation in respect of the such Revolving Extension Amendment shall be consistent with the foregoing. Any Extended Revolving Commitments effected pursuant to any Revolving Extension Request shall be designated a series (each, a "Revolving Extension Series") of Extended Revolving Commitments for all purposes of this Agreement; provided that any Extended Revolving Commitments amended from an Existing Revolving Tranche may, to the extent provided in the applicable Revolving Extension Amendment, be designated as an increase in any previously established Revolving Extension Series with respect to such Existing Revolving Tranche.

(ii) *Revolving Extension Request*. The Borrower shall provide the applicable Revolving Extension Request at least ten (10) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the date on which Revolving Lenders under the Existing Revolving Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to

accomplish the purposes of this Section 2.22(a). No Revolving Lender shall have any obligation to agree to provide any Extended Revolving Commitment pursuant to any Revolving Extension Request. Any Revolving Lender (each, an "Extending Revolving Lender") wishing to have all (but not less than all) of its Revolving Commitments under the Existing Revolving Tranche subject to such Revolving Extension Request amended into Extended Revolving Commitments shall notify the Administrative Agent (each, a "Revolving Extension Election") on or prior to the date specified in such Revolving Extension Request of the Revolving Commitments under the Existing Revolving Tranche which it has elected to request be amended into Extended Revolving Commitments (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of Revolving Commitments under the Existing Revolving Tranche in respect of which applicable Revolving Lenders shall have accepted the relevant Revolving Extension Request exceeds the amount of Extended Revolving Commitments requested to be extended pursuant to the Revolving Extension Request, Revolving Commitments subject to Revolving Extension Elections shall be amended to reflect allocations of the Extended Revolving Commitments, which Extended Revolving Commitments shall be allocated as agreed by Administrative Agent and the Borrower.

(iii) *New Revolving Commitment Lenders*. Following any Revolving Extension Request made by the Borrower in accordance with this Section 2.22(a), if the Revolving Lenders shall have declined to agree during the period specified in Section 2.22(a)(ii) above to provide Extended Revolving Commitments in an aggregate principal amount equal to the amount requested by the Borrower in such Revolving Extension Request, the Borrower may request that banks, financial institutions or other institutional lenders or investors other than the existing Revolving Lenders or Extending Revolving Lenders (the "New Revolving Commitment Lenders"), which New Revolving Commitment Lenders may elect to provide an Extended Revolving Commitment hereunder; provided that such Extended Revolving Commitments of such New Revolving Commitment Lenders (A) shall be in an aggregate principal amount for all such New Revolving Commitment Lenders not to exceed the aggregate principal amount of Extended Revolving Commitments so declined to be provided by the existing Revolving Lenders and (B) shall be on identical terms to the terms applicable to the terms specified in the applicable Revolving Extension Request (and any Extended Revolving Commitments provided by existing Revolving Lenders in respect thereof); provided, further, that as a condition to the effectiveness of any Extended Revolving Commitment of any New Revolving Commitment Lender, the Administrative Agent, each Issuing Bank and the Swingline Lender shall have consented (such consent not to be unreasonably withheld or delayed) to each New Revolving Commitment Lender if such consent would be required under Section 9.04 for an assignment of Revolving Commitments to such Person and such Person shall otherwise constitute an Eligible Assignee. Notwithstanding anything herein to the contrary, any Extended Revolving Commitment provided by New Revolving Commitment Lenders shall be pro rata to each New Revolving Commitment Lender. Upon effectiveness of the Revolving Extension Amendment

to which each such New Revolving Commitment Lender is a party, (A) the Revolving Commitments of all existing Revolving Lenders of each Class specified in the Revolving Extension Amendment in accordance with this Section 2.22(a) will be permanently reduced pro rata by an aggregate amount equal to the aggregate principal amount of the Extended Revolving Commitments of such New Revolving Commitment Lenders and (B) the Revolving Commitment of each such New Revolving Commitment Lender will become effective. The Extended Revolving Commitments of New Revolving Commitment Lenders will be incorporated as Revolving Commitments hereunder in the same manner in which Extended Revolving Commitments of existing Revolving Lenders are incorporated hereunder pursuant to this Section 2.22(a), and for the avoidance of doubt, all Borrowings and repayments of Revolving Loans from and after the effectiveness of such Revolving Extension Amendment shall be made pro rata across all Classes of Revolving Commitments including such New Revolving Commitment Lenders (based on the outstanding principal amounts of the respective Classes of Revolving Commitments) except for (x) payments of interest and fees at different rates for each Class of Revolving Commitments (and related Outstanding Amounts) and (y) repayments required on the Revolving Maturity Date for (or at the maturity, upon acceleration or otherwise, of) any particular Class of Revolving Commitments. Upon the effectiveness of each Extended Revolving Commitment pursuant to this Section 2.22(a)(iii), (a) each Revolving Lender of all applicable existing Classes of Revolving Commitments immediately prior to such effectiveness will automatically and without further act be deemed to have assigned to each New Revolving Commitment Lender, and each such New Revolving Commitment Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender's participations hereunder in outstanding Letters of Credit and Swingline Loans such that, after giving effect to each such deemed assignment and assumption of participations, subject to Section 2.23, the percentage of the outstanding (i) participations hereunder in Letters of Credit, (ii) participations hereunder in Swingline Loans, and (iii) participations in Protective Advances held by each Revolving Lender held by each Revolving Lender of each Class of Revolving Commitments (including each such New Revolving Commitment Lender) will equal the percentage of the Total Revolving Commitments of all Classes of Revolving Lenders represented by such Revolving Lender's Revolving Commitment (without regard to any separate Class or Classes of) Revolving Commitments of all Revolving Lenders and (b) if, on the date of such effectiveness, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Extended Revolving Commitment be prepaid from the proceeds of Revolving Loans made hereunder under the Extended Revolving Commitments, which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Revolving Lender in accordance with Section 2.16. The Administrative Agent and the Revolving Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(iv) *Revolving Extension Amendment*. Extended Revolving Commitments shall be established pursuant to an amendment (each, a "Revolving Extension Amendment") to this Agreement among the Borrower, each Extending Revolving Lender and each New Revolving Commitment Lender, if any, providing an Extended Revolving Commitment thereunder, and the Administrative Agent, which shall be consistent with the provisions set forth in sub-sections (i), (ii) and (iii) of this Sections 2.22(a) (but which shall not require the consent of any other Lender). The effectiveness of any Revolving Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Sections 4.02(b) and (c).

(v) *Conversions*. No conversion of Revolving Loans pursuant to any Revolving Extension in accordance with this Section 2.22(a) shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(b) Extension of FILO Loans.

(i) *Generally*. The Borrower may at any time and from time to time request that all or a portion of the FILO Loans of a given Class (each, an "Existing FILO Tranche") be amended to extend the applicable FILO Maturity Date with respect to all or a portion of any principal amount of such FILO Loans (any such FILO Loans which have been so amended, "Extended FILO Loans") and to provide for other terms consistent with this Section 2.22(b); provided that, without the Administrative Agent's consent, there shall be no more than two (2) Classes of FILO Loans. In order to establish any Extended FILO Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the FILO Lenders under the applicable Existing FILO Tranche) (each, a "FILO Extension Request") setting forth the proposed terms (which shall be determined in consultation with the Administrative Agent) of the Extended FILO Loans, which shall (x) be identical as offered to each FILO Lender under such Existing FILO Tranche (including as to the proposed interest rates and fees payable) and offered pro rata to each FILO Lender under such Existing FILO Tranche and (y) be identical to the FILO Loans under the Existing FILO Tranche from which such Extended FILO Loans are to be amended, except that: (i) the FILO Maturity Date of the Extended FILO Loans shall be later than the FILO Maturity Date of the FILO Loans of such Existing FILO Tranche, (ii) the FILO Extension Amendment may provide for other covenants and terms that (A) apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the FILO Extension Amendment (immediately prior to the establishment of such Extended FILO Loans) or (B) are reasonably satisfactory to the Administrative Agent and the Borrower to incorporate such more restrictive provisions for the benefit of the Lenders (which amendment shall, notwithstanding any provision herein to the contrary, not require the consent of any Lender), and (iii) all repayments of FILO Loans shall be made on a pro rata basis (except for (A) payments of interest and fees at different rates on Extended FILO Loans and (B) repayments required upon the FILO Maturity Date for (or at the maturity, upon acceleration or otherwise, of) the non-extending Class of FILO Loans); provided,

further, that (1) the conditions precedent set forth in Section 4.02(b) and (c) shall be satisfied as of the date of such FILO Extension Amendment, (2) in no event shall the final maturity date of any Extended FILO Loans of a given FILO Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other FILO Loans hereunder, (3) any such Extended FILO Loans (and the Liens securing the same) shall be permitted by the terms of each Acceptable Intercreditor Agreement then in effect, and (4) all documentation in respect of the such FILO Extension Amendment shall be consistent with the foregoing. Any Extended FILO Loans amended pursuant to any FILO Extension Request shall be designated a series (each, a "FILO Extension Series") of Extended FILO Loans for all purposes of this Agreement.

(ii) *FILO Extension Request*. The Borrower shall provide the applicable FILO Extension Request at least ten (10) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the date on which Lenders under the Existing FILO Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to accomplish the purposes of this Section 2.22(b). No FILO Lender shall have any obligation to agree to extend any FILO Loan pursuant to any FILO Extension Request. Any FILO Lender (each, an "Extending FILO Lender") wishing to have all (but not less than all) of its FILO Loans under the Existing FILO Tranche subject to such FILO Extension Request amended into Extended FILO Loans shall notify the Administrative Agent (each, a "FILO Extension Election") on or prior to the date specified in such FILO Extension Request of the FILO Loans under the Existing FILO Tranche which it has elected to request be amended into Extended FILO Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of FILO Loans under the Existing FILO Tranche in respect of which applicable FILO Lenders shall have accepted the relevant FILO Extension Request exceeds the amount of Extended FILO Loans requested to be extended pursuant to the FILO Extension Request, FILO Loans subject to FILO Extension Elections shall be amended to reflect allocations of the Extended FILO Loans, which Extended FILO Loans shall be allocated as agreed by Administrative Agent and the Borrower.

(iii) *FILO Extension Amendment*. Extended FILO Loans shall be established pursuant to an amendment (each, a "FILO Extension Amendment") to this Agreement among the Borrower, each Extending FILO Lender, and the Administrative Agent, which shall be consistent with the provisions set forth in sub-sections (i) and (ii) of this Sections 2.22(b) (but which shall not require the consent of any other Lender). The effectiveness of any FILO Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02(b) and (c).

(c) Notice of Amendments; Conflicting Provisions. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Revolving Extension Amendment and each FILO Extension Amendment. Each Revolving Extension Amendment and each FILO

Extension Amendment may, without the consent of any Lenders (other than the Lenders party thereto pursuant to Section 2.22(a)(iv) or Section 2.22(b)(iii), as applicable), effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.22. This Section 2.22 shall supersede any provisions in Section 2.09, 2.18 or 9.02 to the contrary, and the requirements of any other provision of this Agreement or any other Loan Document that may otherwise prohibit any transaction contemplated by this Section 2.22.

SECTION 2.23. Defaulting Lenders.

(a) *Defaulting Lender Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. The Commitments, FILO Loans and Revolving Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders, Required FILO Lenders, Required Revolving Lender, Supermajority FILO Lenders, Supermajority Revolving Lenders or any other requisite Lenders have taken or may take any action hereunder or under any other Loan Document (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders affected thereby shall, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to each Issuing Bank or the Swingline Lender; *third*, to Cash Collateralize each Issuing Bank's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.05(n); *fourth*, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Bank's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.05(n); *sixth*, to the payment of any amounts owing to the Lenders or the Issuing Bank as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the Issuing Bank against

such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit and Swingline Loans are held by the Lenders pro rata in accordance with the Commitments without giving effect to Section 2.23(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.23(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee pursuant to Section 2.12(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive fees in respect of Letters of Credit pursuant to Section 2.12(b) in respect of its participations in Letters of Credit for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.05(n).

(C) With respect to any participation fee in respect of Letters of Credit not required to be paid to any Defaulting Lender pursuant to clause (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the Issuing Bank, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to the Issuing Bank's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in LC Exposure and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Exposure of any Non-Defaulting Lender to exceed such Lender's Revolving Commitment. Subject to Section 9.18, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swingline Loans. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under applicable law, (a) first, prepay Swingline Loans in an amount equal to the Swingline Lender's Fronting Exposure in respect of the Defaulting Lender and (b) second, Cash Collateralize the Issuing Bank's Fronting Exposure in respect of the Defaulting Lender in accordance with the procedures set forth in Section 2.05(n).

(b) *Defaulting Lender Cure*. If the Borrower, the Administrative Agent, each Swingline Lender and the Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held pro rata by the Lenders in accordance with the Commitments (without giving effect to Section 2.23(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) *New Swingline Loans/Letters of Credit*. So long as any Lender is a Defaulting Lender, (i) each Swingline Lenders shall not be required to fund any Swingline Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swingline Loan and (ii) the Issuing Bank shall not be required to issue, amend, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

SECTION 2.24. Protective Advances.

(a) Notwithstanding anything to the contrary contained in this Agreement, the Administrative Agent may, in its sole discretion, elect to make, or permit to remain outstanding

any Protective Advance. If a Protective Advance is made, or permitted to remain outstanding, pursuant to the preceding sentence, then all Revolving Lenders shall be bound to make, or permit to remain outstanding, such Protective Advance based upon their Applicable Revolving Percentage in accordance with the terms of this Agreement, regardless of whether the conditions to lending set forth in Section 4.02 have been met. A Protective Advance may be made as a Revolving Loan, a Swingline Loan or as an issuance of a Letter of Credit and each Revolving Lender (including the Swingline Lender) and each Issuing Bank, as applicable, agrees to make any such requested Revolving Loan, Swingline Loan or Letter of Credit available to the Borrower. The obligation of each Revolving Lender (including the Swingline Lender) and each Issuing Bank, as applicable, to participate in each Protective Advance shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right which such Person may have against any other Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default, or (iii) any other occurrence, event or condition. The making or sufferance of any such Protective Advance on any one occasion shall not obligate the Administrative Agent or any Revolving Lender to make or permit any Protective Advance on any other occasion. No funding of a Protective Advance or sufferance of a Protective Advance shall constitute a waiver by the Administrative Agent or the Lenders of any Event of Default caused thereby. In no event shall the Borrower or other Loan Party be deemed a beneficiary of this Section 2.24 nor authorized to enforce any of its terms. The Required Revolving Lenders may, upon not less than five (5) Business Days prior written notice, revoke the authority of the Administrative Agent to make further Protective Advances.

(b) No Protective Advance shall modify or abrogate any of the provisions of (i) Section 2.05 regarding the Revolving Lenders' obligations to reimburse any LC Disbursement and to purchase participations with respect to LC Disbursements, respectively, or (ii) Section 2.04 regarding the Revolving Lenders' obligations with respect to participations in applicable Swingline Loans and settlements thereof. Notwithstanding anything herein to the contrary, no event or circumstance shall result in any claim or liability against the Administrative Agent for any "inadvertent Overadvances" resulting from changed circumstances beyond the control of the Administrative Agent (such as result of a reduction in the value of Collateral included in the ABL Borrowing Base Amount or the FILO Borrowing Base Amount or the implementation or a fluctuation in the amount of any reserves or the FILO Push-Down Reserve), and such "inadvertent Overadvances" shall not reduce the amount of Protective Advances allowed hereunder.

(c) All Protective Advances shall be payable by the Borrower on demand by the Administrative Agent or the Required Revolving Lenders. All Overadvances (other than Overadvances constituting Protective Advances) shall be payable in accordance with the requirements of Section 2.11(b)(i). All Protective Advances and Overadvances shall constitute Obligations secured by the Collateral and entitled to all benefits of the Loan Documents.

ARTICLE III

Representations and Warranties

The Borrower represents and warrants to the Lenders that:

SECTION 3.01. Organization; Powers. Each of the Borrower and the Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02. Authorization; Enforceability. The Transactions to be entered into by each Loan Party are within such Loan Party's corporate powers and have been duly authorized by all necessary corporate, limited liability company or similar action and, if required, stockholder, member or similar action. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of the Borrower or such Subsidiary Loan Party (as the case may be), enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, (i) except such as have been obtained or made and are in full force and effect (including entry of the Plan Confirmation Order by the Bankruptcy Court) or are not necessary for the Debtors' emergence from the Chapter 11 Cases and (ii) except filings necessary to perfect Liens created under the Loan Documents, (b) will not violate any applicable law or regulation or any order of any Governmental Authority, except for such violations that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, (c) will not violate the charter, by-laws or other organizational documents of the Borrower or any of the Subsidiaries, (d) will not violate or result in a default under any indenture, agreement or other instrument evidencing or governing Indebtedness or any other material agreement binding upon the Borrower or any Subsidiary or its assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any Subsidiary, and (e) will not result in the creation or imposition of any Lien on any asset of the Borrower or any Subsidiary, except Liens permitted pursuant to Section 6.02(a), (c) and (d).

SECTION 3.04. Financial Condition; No Material Adverse Effect.

(a) The Pro Forma Financial Statements delivered to the Administrative Agent on or prior to the Closing Date were prepared based on good faith estimates and assumptions made by the management of the Borrower (and in conformity with GAAP) and fairly present, in all material respects, the estimated financial position, on a consolidated and pro forma basis, of the Borrower and its Subsidiaries as at the date thereof, subject to changes resulting from audit and normal year-end adjustments and assuming that the Transactions had actually occurred on the date thereof or at the beginning of the period covered thereby, as the case may be.

(b) As of the Closing Date, the Financial Performance Projections delivered to the Administrative Agent on or prior to the Closing Date are based on good faith estimates and assumptions made by the management of the Borrower; provided that the Financial Performance

Projections are not to be viewed as facts, the Financial Performance Projections are subject to significant uncertainties, actual results during the period or periods covered by the Financial Performance Projections may differ materially from the projected results and no assurance can be given that the projected results will be realized.

(c) Except as disclosed (i) in the Pro Forma Financial Statements or the notes thereto or (ii) on Schedule 3.04, after giving effect to the Plan of Reorganization and the Plan Confirmation Order and the other Transactions on the Closing Date, none of the Borrower or the Subsidiaries has, as of the Closing Date, any material contingent liabilities, unusual long-term loan commitments or unrealized losses.

(d) The initial Cash Flow Forecast, which was furnished to the Administrative Agent on or prior to the Closing Date, and each subsequent Cash Flow Forecast delivered in accordance with Section 5.19, has been (or when delivered, will be) prepared by the Borrower (after consultation with the Company Financial Advisors (to the extent such Company Financial Advisors continue to be retained as required by this Agreement)) in good faith, with due care and based upon assumptions the Borrower believed to be reasonable assumptions on the date of delivery of the then applicable Cash Flow Forecast. To the knowledge of the Borrower, as of the Closing Date, no facts exist that, individually or in the aggregate, would result in any material change to the Cash Flow Forecast for the period covered thereby.

(e) Since the Closing Date, there has not occurred any Material Adverse Effect.

SECTION 3.05. Properties.

(a)

(i) Each of the Borrower and the Subsidiaries has good and marketable title to, or valid leasehold interests in, all its real and personal property material to its business, except (A) for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes and (B) as set forth on Schedule 3.05(a)(1).

(ii) Schedule 3.05(a)(2) sets forth (A) the address (including street address and state) of all Owned Real Estate and (B) the nature of use of such Owned Real Estate. No default by a Loan Party or any Subsidiary thereof has occurred and is continuing under any lease pursuant to which a Loan Party leases Ground-Leased Real Estate beyond any applicable notice or cure period, the result of which default would result in termination of such lease or otherwise permit the ground lessor to terminate such ground lease, except to the extent set forth on Schedule 3.05(a)(3).

All such real and personal property are free and clear of all Liens, other than Liens permitted by Section 6.02.

(b) Each of the Borrower and the Subsidiaries owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and the Subsidiaries does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(c) Schedule 3.05(c) sets forth the address of every Store, warehouse or distribution center of the Borrower and its Subsidiaries in which Inventory that is included in the determination of the ABL Borrowing Base Amount or the FILO Borrowing Base Amount is located as of the Closing Date.

SECTION 3.06. Litigation and Environmental Matters.

(a) After giving effect to the Plan Confirmation Order and the Plan of Reorganization, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of the Subsidiaries (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any of the Loan Documents or the Transactions.

(b) Except as set forth on Schedule 3.06(b) and except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any of the Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

SECTION 3.07. Compliance with Laws and Agreements. Without limiting Section 3.20 or any other representation or warranty made herein or in any of the other Loan Documents, each of the Borrower and the Subsidiaries is in compliance with (i) all laws, regulations and orders of any Governmental Authority applicable to it or its property and (ii) after giving effect to the Plan of Reorganization and the Plan Confirmation Order, all agreements and

other instruments binding upon it or its property or assets, in each case, except where the failure to be so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.09. Taxes. Each of the Borrower and the Subsidiaries has timely filed or caused to be filed all United States Federal income Tax returns and reports and all other material Tax returns and reports required to have been filed and has paid or caused to be paid all material Taxes required to have been paid, except where the payment of any such Taxes is being contested in good faith by appropriate proceedings and for which the Borrower or such Subsidiary, as applicable, has set aside on its books adequate reserves. The charges, accruals and reserves on the books of the Borrower and its Consolidated Subsidiaries in respect of Taxes or charges imposed by a Governmental Authority are, in the opinion of the Borrower, adequate.

SECTION 3.10. ERISA. No ERISA Event has occurred or is reasonably expected to occur, except where failure to do so, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $35,000,000 the fair market value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $35,000,000 the fair market value of the assets of all such underfunded Plans.

(b) Each Borrowing Base Certificate and Compliance Certificate that has been or will be delivered to the Administrative Agent or any Lender is (or when delivered, will be) complete and correct in all material respects.

SECTION 3.12. Subsidiaries. Schedule 3.12 sets forth the name of, and the ownership interest of the Borrower in, each Subsidiary and identifies each Subsidiary that is a Subsidiary Loan Party, in each case as of the Closing Date.

The Borrower reasonably believes that the insurance maintained by or on behalf of the Borrower and the Subsidiaries is adequate.

SECTION 3.14. Labor Matters. Except as set forth on Schedule 3.14, as of the Closing Date, there are no strikes, lockouts or slowdowns against the Borrower or any Subsidiary pending or, to the knowledge of the Borrower, threatened which could reasonably be expected to result in a Material Adverse Effect. Except as set forth on Schedule 3.14, the hours worked by and payments made to employees of the Borrower and the Subsidiaries have not been in violation in any material respect of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with such matters. Except as set forth on Schedule 3.14, the consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which the Borrower or any Subsidiary is bound.

SECTION 3.15. Solvency. Immediately after the consummation of the Transactions to occur on the Closing Date (including the making of any Loan made on the Closing Date and after giving effect to the application of the proceeds of any such Loans), (a) the fair value of the assets of the Borrower and the other Loan Parties, taken as a whole, at a fair valuation, will exceed their debts and liabilities, subordinated, contingent or otherwise; (b) the present fair saleable value of the property of the Borrower and the other Loan Parties, taken as a whole, will be greater than the amount that will be required to pay the probable liability of their debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured; (c) the Borrower and the other Loan Parties taken as a whole, will be able to pay their debts and liabilities, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured; and (d) the Borrower and the other Loan Parties will not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted following the Closing Date.

ARTICLE VIII

Rights of Agents

SECTION 8.01. Appointment and Authority of Agents.

(a) Each of the Lenders and the Issuing Banks hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article VIII are solely for the benefit of the Administrative Agent, the other Agents, the Lenders, the Swingline Lender and the Issuing Banks, and the Borrower shall not have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) Bank of America shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders (including in its capacities as a potential counterparty to a Cash Management Agreement and/or provider of Bank Products) and the Issuing Banks hereby irrevocably appoints and authorizes Bank of America to act as the agent of such Lender and the Issuing Banks in such capacities for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, Bank of America in its capacity as Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to the terms hereof for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent), shall be

entitled to the benefits of all provisions of this Article VIII and Article IX (including Section 9.03(c), as though such co-agents, sub-agents and attorneys-in-fact were the "Collateral Agent" under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 8.02. Rights as a Lender. Each financial institution serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such financial institutions and their Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or any Affiliate of any of the foregoing as if they were not Agents hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03. Exculpatory Provisions. No Agent shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that such Agent is required to exercise in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law and (c) except as expressly set forth in the Loan Documents, no Agent shall have any duty to disclose, and no Agent shall be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the financial institution serving as such Agent or any of its Affiliates in any capacity. No Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct (as determined by a court of competent jurisdiction by final and non-appealable judgment). No Agent shall be deemed to have knowledge of any Default unless and until written notice thereof is given to such Agent by the Borrower, a Lender or an Issuing Bank, as applicable, and no Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent.

SECTION 8.04. Reliance by the Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent also may rely upon any statement made to it

orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or such Issuing Bank prior to the making of such Loan or the "issuance" (as such term is defined in Section 4.02) of such Letter of Credit. Any Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05. Delegation of Duties. Each Agent may perform any and all of its duties and exercise any and all of its rights and powers by or through any one or more sub-agents appointed by such Agent. Any Agent and any such sub-agent may perform any and all of its duties and exercise any and all of its rights and powers through their Related Parties. The exculpatory provisions of this Article VIII shall apply to any such sub-agent and to the Related Parties of any Agent and any such sub-agent, and shall apply to their activities in connection with the syndication of the credit facilities provided for herein as well as activities as an Agent. No Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 8.06. Resignation or Removal of an Agent.

(a) Subject to any limitations and requirements set forth in the Collateral Documents, any Agent may at any time give notice of its resignation to the Lenders, the Issuing Banks and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower and with the consent of the Required FILO Lenders (to the extent any FILO Loans shall be outstanding at such time), to appoint a successor acting in the same capacity as the resigning Agent, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders, and, if applicable the Required FILO Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to) on behalf of the Lenders and the Issuing Banks, appoint a successor Agent meeting the qualifications set forth above; provided that in no event shall any such successor Agent be a Defaulting Lender. Whether or not a successor has been appointed, such resignation shall become effective with such notice on the Resignation Effective Date.

(b) If the Person serving as an Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may (with the consent of the Required FILO Lenders (to the extent any FILO Loans shall be outstanding at such time)), to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as an Agent and, in consultation with the Borrower and with the consent of the FILO Lenders (to the extent any FILO Loans shall be outstanding at such time), appoint a successor. If

no such successor shall have been so appointed and shall have accepted such appointment within thirty (30) days (or such earlier day as shall be agreed by the Required Lenders, and, if applicable the Required FILO Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by any Agent on behalf of any of the Secured Parties under any of the Loan Documents, the retiring or removed Agent shall continue to hold such collateral security until such time as a successor Agent is appointed to act in such capacity) and (ii) except for any indemnity payments or other amounts then owed to the retiring or removed Agent, all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and each Issuing Bank directly, until such time, if any, as the Required Lenders (and, if applicable the FILO Lenders) appoint a successor Agent as provided for above. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Agent (other than as provided in Section 2.17 and other than any rights to indemnity payments or other amounts owed to the retiring or removed Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 8.06). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article VIII and Section 9.03 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (i) while the retiring or removed Agent was acting as Agent and (ii) after such resignation or removal for as long as any of them continues to act in any capacity hereunder or under the other Loan Documents, including (a) acting as collateral agent or otherwise holding any collateral security on behalf of any of the Lenders and (b) in respect of any actions taken in connection with transferring the agency to any successor Agent. Notwithstanding anything to the contrary contained herein, any resignation or removal of the Collateral Agent pursuant to the terms hereof shall be subject to the terms, conditions and limitations set forth in the Collateral Documents and no such resignation or removal shall be effective except to the extent made in compliance with the terms of such Collateral Documents.

(d) Any resignation or removal by Bank of America as Administrative Agent pursuant to this Section 8.06 shall also constitute its resignation as an Issuing Bank and as Swingline Lender. If Bank of America resigns as an Issuing Bank, it shall retain all the rights, powers, privileges and duties of an Issuing Bank hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an Issuing Bank and all Obligations in respect of Letters of Credit, including the right to require the Revolving Lenders to make Revolving Loans or fund risk participations in unreimbursed drawing under any Letter of Credit pursuant to Section 2.05. If Bank of America resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the

Revolving Lenders to make Revolving Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.04. Upon the appointment by the Borrower of a successor Issuing Bank or Swingline Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank or Swingline Lender, as applicable, (ii) the retiring Issuing Bank and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

SECTION 8.07. Reports and Financial Statements. By signing this Agreement, each Lender (and with respect to clause (a), each Secured Party):

(a) agrees to furnish the Administrative Agent at its written request, and at such frequency as the Administrative Agent may reasonably request in writing, with a summary of all Bank Product Liabilities due or to become due to such Lender or its Affiliates;

(b) is deemed to have requested that the Administrative Agent furnish such Lender, promptly after they become available, copies of (i) all financial statements (and other information) required to be delivered by the Borrower under Section 5.01, (ii) all commercial finance examinations and appraisals of the Loan Parties and the Collateral, as applicable, received by the Administrative Agent, (iii) all Borrowing Base Certificates and Compliance Certificates received by the Administrative Agent (clauses (i) through (iii), collectively, the "Reports"), and (iv) the notices delivered by the Borrower under Section 5.02, and the Administrative Agent agrees to furnish the same promptly to the Lenders (which Reports may be furnished in accordance with the final paragraph of Section 5.01);

(c) expressly agrees and acknowledges that the Administrative Agent makes no representation or warranty as to the accuracy of the Reports, and shall not be liable for any information contained in any Report;

(d) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Administrative Agent or any other party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel; and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Administrative Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any credit extensions that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in Swingline Loans and Letters of Credit, or the indemnifying Lender's purchase of, Loans of the Borrower; and (ii) to pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts

(including Attorney Costs) incurred by the Administrative Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender in violation of the terms hereof.

SECTION 8.08. Non-Reliance on Agents and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder.

SECTION 8.09. [Reserved].

SECTION 8.10. Acceptable Intercreditor Agreements. Each Lender, each Issuing Bank and each other Secured Party hereby (a) authorizes each Agent to enter into (i) each Acceptable Intercreditor Agreement and (ii) amendments or supplements to each Acceptable Intercreditor Agreement to the extent permitted by this Agreement and made in accordance with the applicable Acceptable Intercreditor Agreement, (b) agrees that such Person will be subject to and bound by, and will take no actions contrary to, the provisions of any Acceptable Intercreditor Agreement, and (c) agrees that each Agent may take such actions on behalf of such Person as is contemplated by the terms of any such Acceptable Intercreditor Agreement.

SECTION 8.11. No Other Duties. Anything herein to the contrary notwithstanding, none of the Arrangers, Co-Syndication Agents or Co-Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any other Loan Documents, except in its capacity, as an Agent, a Lender, an Issuing Bank or the Swingline Lender hereunder.

SECTION 8.12. Agents May File Proofs of Claim; Credit Bidding. In case of the pendency of any Bankruptcy Proceeding or any other judicial proceeding relative to any Loan Party, each Agent (irrespective of whether the principal of any Loan or LC Exposure shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether any Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such Bankruptcy Proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Secured Parties (including any claim for the reasonable compensation, expenses, disbursements and advances of the Secured Parties and their respective Related Parties and counsel and all other amounts due the Secured Parties, including under Section 2.12 and Section 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to any Agent and, if the Agents shall consent to the making of such payments directly to the Secured Parties, to pay to each Agent any amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due such Agent under the Loan Documents, including under Section 2.12 and Section 9.03.

Nothing contained herein shall be deemed to authorize any Agent to authorize or consent to or accept or adopt on behalf of any Secured Party any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Secured Party to authorize any Agent to vote in respect of the claim of any Secured Party or in any such Bankruptcy Proceeding.

The Secured Parties hereby irrevocably authorize each Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar Debtor Relief Law in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) any Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) each Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Agents with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (1) through (13) of Section 9.02(b)), (iii) each Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had

been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

SECTION 8.13. Collateral and Guaranty Matters. Without limiting the provisions of Section 8.12, the Secured Loan Secured Parties hereby irrevocably authorize the Agents, at their option and in their discretion (subject to the terms and conditions set forth in any applicable Collateral Documents):

(a) to release any Lien on any property granted to or held by the Agents under any Loan Document (i) upon the Obligations Payment Date, (ii) constituting property being sold, transferred or disposed of in a transaction permitted under Section 6.05 (other than any such transaction constituting a sale, disposition or transfer to a Person required to grant a Lien to an Agent under the Loan Documents), subject to the conditions thereof; provided that (A) the Liens on such property securing any Material Indebtedness and any McKesson Obligations are released substantially concurrently with the release of any Lien of the Agents on such property and (B) the release of any such Lien shall not constitute a release by the Agents of any Lien on the proceeds received by any Loan Party in connection with the applicable sale, transfer or other disposition, or (iii) if approved, authorized or ratified in writing in accordance with Section 9.02 of this Agreement;

(b) (i) to release any Subsidiary Loan Party from its obligations under the Subsidiary Guarantee Agreement if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder, (ii) to release any Subsidiary Loan Party from its obligations under the Subsidiary Guarantee Agreement in connection with a transaction permitted under Section 6.03, or (iii) to terminate this Agreement and the other Loan Documents upon the occurrence of the Obligations Payment Date; provided that, in the case of clause (i) or (ii) above, such Subsidiary Loan Party is released from any Guarantee of any Material Indebtedness and any McKesson Obligations substantially concurrently with such Subsidiary Loan Party's release from its obligations under the Subsidiary Guarantee Agreement;

(c) to subordinate any Lien on any property granted to or held by any Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(i); or

(d) if any Loan Party incurs any Lien on the Collateral permitted by Section 6.02, enter into any Acceptable Intercreditor Agreement to the extent the execution of such Acceptable Intercreditor Agreement is contemplated by the terms of this Agreement in connection with such Lien;

Upon request by the Administrative Agent at any time, the Required Lenders (or, where expressly required by the terms of this Agreement, a greater proportion of the Lenders or other parties hereto as required herein) will confirm in writing each Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Subsidiary Loan Party from its obligations under the Subsidiary Guarantee Agreement pursuant to this Section 8.13. In each case as specified in this Section 8.13, each Agent will, subject to the terms and conditions set forth in the Collateral Documents, at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the

release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to release such Subsidiary Loan Party from its obligations under the Subsidiary Guarantee Agreement, in each case in accordance with the terms of the Loan Documents and this Section 8.13; provided that the Borrower shall have delivered to the Administrative Agent, at least five (5) Business Days prior to the date of the proposed execution of any document evidencing such release or subordination (or such shorter period as the Administrative Agent may agree in writing in its reasonable discretion), a written request therefor identifying the relevant Collateral or Loan Party, together with a certification by the Borrower stating that such transaction is in compliance with this Agreement and the other Loan Documents and otherwise in form and substance satisfactory to the Administrative Agent. No Agent shall be required to execute any such document on terms which, in its reasonable opinion, would, under applicable law, expose such Agent to liability or create any obligation or entail any adverse consequence other than the release of such Liens without recourse or warranty, and such release shall not in any manner discharge, affect or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of any Loan Party in respect of) all interests retained by any Loan Party, including (without limitation) the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

No Agent shall be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of any Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall any Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

SECTION 8.14. Additional Secured Parties. The benefit of the provisions of the Loan Documents directly relating to the Collateral or any Lien granted thereunder shall extend to and be available to any Secured Party that is not an Agent, a Lender or an Issuing Bank party hereto as long as, by accepting such benefits, such Secured Party agrees, as among Agents and all other Secured Parties, that such Secured Party is bound by (and, if requested by the Administrative Agent, shall confirm such agreement in a writing in form and substance reasonably acceptable to the Administrative Agent) this Article VIII and Section 2.17, Section 7.02, Section 9.02(a), Section 9.03(c), Section 9.08, Section 9.09, Section 9.13, and Section 9.16, and the decisions and actions of the Agents and the Required Lenders (or, where expressly required by the terms of this Agreement, a greater proportion of the Lenders or other parties hereto as required herein) to the same extent a Lender is bound; provided, however, that, notwithstanding the foregoing, (a) such Secured Party shall be bound by Section 9.03(c) only to the extent of liabilities, reimbursement obligations, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements with respect to or otherwise relating to the Liens and Collateral held for the benefit of such Secured Party, in which case the obligations of such Secured Party thereunder shall not be limited by any concept of pro rata share or similar concept, (b) each of the Agents, the Lenders and the Issuing Banks party hereto shall be entitled to act at its sole discretion, without regard to the interest of such Secured Party, regardless of whether any Obligation to such Secured Party thereafter remains outstanding, is deprived of the benefit of the Collateral, becomes unsecured or is otherwise affected or put in jeopardy thereby, and without any duty or liability to such Secured Party or any such Obligation and (c) except as otherwise set forth herein and in the other Loan Documents, such Secured Party shall not have any right to be notified of, consent to, direct, require or be heard with respect to, any action taken or omitted in respect of the Collateral or under any

Loan Document. Notwithstanding any other provision of this Article VIII to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, any Bank Product Liabilities.

SECTION 8.15. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any Subsidiary Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (1) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (2) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (3) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (4) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation,

warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Subsidiary Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

SECTION 8.16. Recovery of Erroneous Payments. Without limitation of any other provision in this Agreement, if at any time the Administrative Agent makes a payment hereunder in error to any Lender, any Issuing Bank of the Swingline Lender (the "Applicable Credit Party"), whether or not in respect of an Obligation due and owing by the Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Applicable Credit Party receiving a Rescindable Amount severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount received by such Applicable Credit Party in immediately available funds in the currency so received, with interest thereon, for each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Each Applicable Credit Party irrevocably waives any and all defenses, including any "discharge for value" (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Administrative Agent shall inform each Applicable Credit Party promptly upon determining that any payment made to such Applicable Credit Party comprised, in whole or in part, a Rescindable Amount.

ARTICLE IX

Miscellaneous

SECTION 9.01. Notices.

(a) *Notices Generally*. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in clause (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or electronic mail as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, any Agent, Bank of America, in its capacity as Issuing Bank or the Swingline Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 9.01; and

(ii) if to any other Lender or any other Issuing Bank, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Borrower).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in clause (b) below shall be effective as provided in clauses (b) and (c) below.

(b) *Electronic Communications*. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail, FpML messaging, and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any Issuing Bank pursuant to Article II if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article II by electronic communication. Any Agent, the Swingline Lender, any Issuing Bank or the Borrower may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) *E-mail*. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(d) *The Platform*. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER

MATERIALS OR THE PLATFORM. In no event shall any Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender, any Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's, any Subsidiary Loan Party's or any Agent's transmission of Borrower Materials or notices through the Platform, any other electronic platform or electronic messaging service, or through the Internet other than losses, claims, liabilities or expenses that are determined by a court of competent jurisdiction by final and nonappealable judgement to have resulted from the gross negligence or willful misconduct of such Agent Party.

(e) *Change of Address, Etc*. Each of the Borrower, each Agent, each Issuing Bank and the Swingline Lender may change its address, facsimile, electronic mail address or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile, electronic mail address or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, each Issuing Bank and the Swingline Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(f) *Reliance by Agents, Issuing Banks and Lenders*. The Agents, the Issuing Banks and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices, Borrowing Requests, Interest Election Requests, letter of credit applications and requests for swingline loans) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Issuing Bank, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower; provided, however, such indemnity will not be available for losses, costs, expenses and liabilities that are determined by a court of competent jurisdiction by final and nonappealable judgement to have resulted from the gross negligence or willful misconduct of the Administrative Agent, the Issuing Bank, the Lender or its respective Related Party. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 9.02. Waivers; Amendments.

(a) No failure or delay by any Agent, any Issuing Bank or any Lender in exercising any right, remedy, privilege or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right, remedy, privilege or power, preclude any other or further exercise thereof or the exercise of any other right, remedy, privilege or power. The rights, remedies, powers and privileges of the Agents, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights, remedies, powers or privileges that they would otherwise have (including under applicable law).

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Collateral Agent in accordance with the Security Agreement and the other Collateral Documents for the benefit of all the Secured Parties; provided, however, that the foregoing shall not prohibit (a) any Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as an Agent) hereunder and under the other Loan Documents, (b) any Issuing Bank or the Swingline Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as an Issuing Bank or Swingline Lender, as the case may be) hereunder and under the other Loan Documents, or (c) any Lender from exercising setoff rights in accordance with Section 9.08 (subject to the terms of Section 2.18), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a Bankruptcy Proceeding relative to any Loan Party; and provided, further, that if at any time there is no Person acting as the Collateral Agent hereunder and under the other Loan Documents, then (i) the Administrative Agent or, if there shall be no Administrative Agent, the Required Lenders shall, to the fullest extent permitted by law, have the rights otherwise ascribed to the Collateral Agent pursuant to the Security Agreement the other Collateral Documents and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.18, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by Section 9.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether any Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Subject to Section 2.07(g), 2.14(b), 2.21 and 2.22, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, (I) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Administrative Agent and the Required Lenders (or the Administrative Agent with the consent (and on behalf) of the Required Lenders) or, (II) in the case

of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and/or the Collateral Agent (in each case with the consent of the Required Lenders) and the Loan Party or Loan Parties that are parties thereto; provided that (i) no such agreement shall change any provision of any Loan Document in a manner that by its terms adversely affects the rights of Lenders holding Loans of any Class differently than those holding Loans of any other Class, without the written consent of Lenders holding a majority in interest of the outstanding Loans and unused Commitments of each adversely affected Class and (ii) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of one or more Classes of Lenders (but not the other Class or Classes of Lenders) may be effected by an agreement or agreements in writing entered into by the Borrower and the Administrative Agent acting with the consent of the requisite percentage in interest of the affected Class or Classes of Lenders that would be required to consent thereto under this Section 9.02 if such Class or Classes of Lenders were the only Class or Classes of Lenders hereunder at the time (it being understood and agreed that, notwithstanding anything to the contrary in this Section 9.02, the second proviso in Section 2.11(a) may be waived, amended or modified by an agreement or agreements in writing entered into by the Borrower and the Administrative Agent acting with the consent of the Required Lenders), (iii) no such agreement shall amend, modify or otherwise affect the rights or duties of any Agent, the Issuing Banks or the Swingline Lender without the prior written consent of such Agent, the Issuing Banks or the Swingline Lender, as the case may be; and provided, further, that no such agreement shall,

(1) increase, extend or reinstate the Commitment of any Lender without the prior written consent of such Lender (it being understood that, subject to clause (ii) above, a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment shall not constitute an extension or increase of any Commitment of any Lender);

(2) reduce or forgive the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce or forgive any fees payable hereunder, without the prior written consent of each Lender affected thereby; provided that only the consent of the requisite percentage in interest of the affected Class or Classes of Lenders that would be required to consent thereto under this Section 9.02 if such Class or Classes of Lenders were the only Class or Classes of Lenders hereunder at the time shall be necessary to (x) amend the rate of default interest set out in Section 2.13(c) or (y) waive any obligation of the Borrower to pay default interest under Section 2.13(c), in each case, as it relates to Obligations in respect of such Class of Lenders (including, with respect to the Revolving Facility, the Required Revolving Lenders and with respect to the FILO Facility, the Required FILO Lenders);

(3) postpone the maturity of any Loan, or the required date of reimbursement of any LC Disbursement, or any date for the payment of any principal, interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the prior written consent of each Lender affected thereby; provided that (A) only the consent of the requisite percentage in interest of the affected Class or Classes of Lenders that would be required to consent thereto under

this Section 9.02 if such Class or Classes of Lenders were the only Class or Classes of Lenders hereunder at the time shall be necessary to (x) amend the rate of default interest set out in Section 2.13(c) or (y) waive any obligation of the Borrower to pay default interest under Section 2.13(c), in each case, as it relates to Obligations in respect of such Class of Lenders (including, with respect to the Revolving Facility, the Required Revolving Lenders, and with respect to the FILO Facility, the Required FILO Lenders), (B) only the consent of the Required Revolving Lenders shall be necessary to waive any mandatory prepayment applicable to the Revolving Loans, and (C) only the consent of the Required FILO Lenders shall be necessary to waive any mandatory prepayment applicable to the FILO Loans;

(4) (i) amend Section 7.02, Section 2.18(b) or (c) in a manner that would alter the *pro rata* sharing or application of payments required thereby, as applicable, (ii) amend Section 7.02 in a manner that would alter the order of application of payments required thereby, (iii) amend the definition of "Applicable Percentage", "Applicable Revolving Percentage" or "Applicable FILO Percentage", in each case, without the prior written consent of each Lender directly and adversely affected thereby, or (iv) amend or modify any provision in this Agreement providing for mandatory Commitment reductions or the *pro rata* application of Commitment reductions with respect to any Class of Commitments, without the prior written consent of each Lender in such Class;

(5) except as expressly permitted by this Agreement or the other Loan Documents, (i) subordinate the Lien of the Collateral Agent securing the Obligations on all or substantially all of the Collateral in any transaction or series of related transactions (or modify any Loan Document to permit any such subordination) or (ii) subordinate to the prior payment of any other Indebtedness, the Obligations (or modify any Loan Document to permit any such subordination), in each case, without the prior written consent of all Lenders; provided, however, that the provisions of this clause (5) shall not restrict or prohibit the incurrence of any "debtor-in-possession" type facility (other than a "debtor-in-possession" type facility that includes any non-pro rata refinancing, repayment, "roll-up", exchange or conversion of all or a portion of the Obligations into such "debtor-in-possession" type facility, unless first offered to all Lenders on a pro rata basis);

(6) change any of the provisions of this Section 9.02 or the percentage set forth in the definition of "Required Lenders", "Required FILO Lenders", "Required Revolving Lenders", "Supermajority FILO Lenders", "Supermajority Revolving Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the prior written consent of each Lender affected thereby (or each Lender of such affected Class, as the case may be); provided, that, for the avoidance of doubt, the definition of "Required Lenders", "Required FILO Lenders", "Required Revolving Lenders", "Supermajority FILO Lenders", and "Supermajority Revolving Lenders" may be amended in connection with any amendment pursuant to Section 2.21 or Section 2.22 to include (or to exclude)

appropriately the Lenders participating in such incremental facility or extension in any required vote or action of the Required Lenders, Required FILO Lenders, Required Revolving Lenders, Supermajority FILO Lenders, or Supermajority Revolving Lenders, as applicable;

(7) release the Borrower from its obligations under the Loan Documents or release any Subsidiary Loan Party from its Guarantee under the Subsidiary Guarantee Agreement or limit its liability in respect of such Guarantee (except as expressly provided in the Subsidiary Guarantee Agreement or in Section 8.13), without the prior written consent of each Lender;

(8) except to the extent the release of any Collateral is permitted pursuant to the Loan Documents, release all or substantially all of the Collateral from the Liens under the Collateral Documents, without the prior written consent of each Lender;

(9) amend, modify or waive any condition set forth in Section 4.02 as to any Borrowing or any issuance of any Letter of Credit under a particular class of Commitments and Loans, without the prior written consent of the requisite percentage in interest of the affected Class or Classes of Lenders that would be required to consent thereto under this Section 9.02 if such Class or Classes of Lenders were the only Class or Classes of Lenders hereunder at the time (including, with respect to the Revolving Facility, the Required Revolving Lenders);

(10) increase "Accounts Receivable Advance Rate", "Credit Card Receivable Advance Rate", "Pharmaceutical Inventory Advance Rate", "Other Inventory Advance Rate" or "Script Lists Advance Rate" without the prior written consent of all Lenders; provided, however, that only the consent of all FILO Lenders shall be required to increase "Accounts Receivable Advance Rate", "Credit Card Receivable Advance Rate", "Pharmaceutical Inventory Advance Rate", "Other Inventory Advance Rate" or "Script Lists Advance Rate" with respect to determination of the FILO Borrowing Base Amount;

(11) (i) without the prior written consent of the Supermajority Revolving Lenders and the Supermajority FILO Lenders, change the definition of the term "ABL Borrowing Base Amount" (or any component definition of any such terms (including any applicable advance rates)) if as a result thereof the "ABL Borrowing Base Amount" would be increased, or (ii) without the prior written consent of the Supermajority FILO Lenders, (A) change the definition of the term "FILO Borrowing Base Amount" (or any component definition of such term (including any applicable advance rates)) if as a result thereof the "FILO Borrowing Base Amount" would be increased, or (B) change the definition of "FILO Push-Down Reserve" (or any component definition of such term) or (C) cease to deduct from the ABL Borrowing Base Amount (or fail to establish or maintain) the FILO Push-Down Reserve; provided, however, that the foregoing clause (11) shall not limit the discretion of the Administrative Agent to change, establish or eliminate any

reserves or to exercise any other discretion that the Administrative Agent may have in respect of any of the provisions referenced in this clause (11));

(12) without the prior written consent of each Lender, amend the definition of "Deleveraging Proceeds" or "Deleveraging Reserve" or to cease to deduct from the ABL Borrowing Base Amount (or fail to establish or maintain) the Deleveraging Reserve; or

(13) without the prior written consent of all Lenders, modify the definition of "Protective Advance" so as to increase the amount thereof, or to cause the Total Revolving Commitments (or the Revolving Commitment of any Revolving Lender) to be exceeded as a result thereof, or, except as provided in such definition, the time period for a Protective Advance.

(c) Notwithstanding the foregoing, (i) Collateral shall be released from the Lien under the Collateral Documents from time to time as necessary to effect any sale of Collateral permitted by the Loan Documents, and the Collateral Agent shall execute and deliver all release documents reasonably requested to evidence such release; provided that arrangements satisfactory to the Administrative Agent shall have been made for application of the cash proceeds thereof in accordance with Section 2.11, if required, and for the pledge of any non-cash proceeds thereof pursuant to the Collateral Documents and (ii) if a Subsidiary Loan Party ceases to be a Subsidiary in accordance with this Agreement, or ceases to own any property that constitutes Collateral, at the request of and at the expense of the Borrower, such Subsidiary Loan Party shall be released from the Subsidiary Guarantee Agreement, the Security Agreement and each other Loan Document to which it is a party, subject to the provisions of Section 8.13 (and each Agent shall, upon the request and at the expense of the Borrower, execute such documents evidencing such release as may be reasonably requested by the Borrower).

(d) Notwithstanding anything in this Agreement (including this Section 9.02) or any other Loan Document to the contrary:

(i) any provision of this Agreement may be amended by an agreement in writing entered into by the Borrower, the Required Lenders and the Administrative Agent (and, if their rights or obligations are affected thereby, the Issuing Banks and the Swingline Lender) if (A) by the terms of such agreement the Commitment of each Lender not consenting to the amendment provided for therein shall terminate upon the effectiveness of such amendment and (B) at the time such amendment becomes effective, each Lender not consenting thereto receives payment in full of the principal of and interest accrued on each Loan made by it and all other amounts owing to it or accrued for its account under this Agreement;

(ii) no consent with respect to any amendment, waiver or other modification of this Agreement or any other Loan Document shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (1), (2) or (3) of the second proviso of this Section 9.02(b) and then only in the event such Defaulting Lender shall be affected by such amendment, waiver or other modification;

(iii) (A) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent and/or the Collateral Agent to cure any ambiguity, omission, mistake, defect or inconsistency and (B) this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent and/or the Collateral Agent to add terms (including representations and warranties, conditions, prepayments, covenants or events of default), in connection with any amendment pursuant to Section 2.21 or Section 2.22, that are favorable to the then-existing Lenders, as reasonably determined by the Administrative Agent, in each case of clause (A) and (B), so long as, in each case, the Lenders shall have received at least five (5) Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five (5) Business Days after the date of such notice to the Lenders, a written notice from (x) the Required Lenders stating that the Required Lenders object to such amendment or (y) if affected by such amendment, any Agent, Issuing Bank or the Swingline Lender stating that it objects to such amendment;

(iv) after the Closing Date, any Fee Letter may be amended or modified, or rights or privileges thereunder waived, in a writing executed only by the parties thereto; provided that any amendments or modifications to the provisions of the Fee Letter referred to in clause (a) of the defined term "Fee Letter" pertaining to the Revolving Commitment Termination Fee or the FILO Loan Prepayment Fee shall be subject to obtaining any consents that would otherwise be required pursuant to clause (2) or (3) of the second proviso of this Section 9.02(b);

(v) the Administrative Agent, the Collateral Agent and the Borrower may amend, restate, amend and restate or otherwise modify any Acceptable Intercreditor Agreement as provided herein and therein; provided that notification of any such amendment, restatement, amendment and restatement, or other modification of such Acceptable Intercreditor Agreement shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective;

(vi) any Collateral Document and any other documents executed by any Loan Party or any Subsidiary in connection with this Agreement or any other Loan Document may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, waived, amended or modified solely with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such waiver, amendment or modification is delivered to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties or to cause any Collateral Document to be consistent with this Agreement and the other Loan Documents; provided that notification of any such waiver, amendment or modification of any Loan Document shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective; and

(vii) no amendment, waiver or consent shall, unless in writing and signed by each Borrowing Base Agent, affect the rights or duties of any Borrowing Base Agent under this Agreement or any other Loan Document or under the Borrowing Base Agent Rights Agreement.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Agents and their Affiliates (including Attorney Costs and the reasonable and documented fees, expenses and disbursements of the Lender Group Consultants), in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) (limited, in the case of legal fees, expenses and disbursements, to the Attorney Costs of one counsel to the Agents and, if necessary, of one local counsel in each relevant jurisdiction and of one special counsel for each relevant specialty, in each case to the Agents), (ii) all reasonable and documented out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out-of-pocket expenses incurred by any Agent, any Issuing Bank or any Lender (including Attorney Costs), in connection with the enforcement or protection of its rights under or in connection with the Loan Documents, including its rights under this Section 9.03, or in connection with the Loans made, Letters of Credit issued, or other extensions of credit made available hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit (limited, in the case of legal fees, expenses and disbursements, to the Attorney Costs of (x) one counsel to the Agents, the Lenders, and the Issuing Banks (taken as a whole), (y) if necessary, of one local counsel in each relevant jurisdiction and of one special counsel for each relevant specialty, in each case, to the Agents, the Lenders, and the Issuing Banks (taken as a whole), and (z) in the event of an actual or potential conflict of interest between the Agents, the Lenders, or the Issuing Banks, where the Person or Persons affected by such conflict of interest inform the Borrower in writing of such conflict of interest, one additional counsel in each relevant jurisdiction, to each group of affected Persons similarly situated (taken as a whole)). For the avoidance of doubt and subject to the limitations set forth above with respect to Attorney Costs, the Borrower shall reimburse the Agents for all reasonable and documented legal, accounting, appraisal, consulting and other fees, costs and expenses incurred in connection with the negotiation, preparation and administration of the Loan Documents and incurred in connection with efforts of any Agent (or its external counsel or the Lender Group Consultant) to (A) monitor the Loans or any of the other Obligations, (B) evaluate, observe or assess any of the Loan Parties or their respective affairs, and (C) verify, protect, evaluate, assess, appraise, collect, sell, liquidate or otherwise dispose of any of the Collateral (including, for the avoidance of doubt, any recording fees in connection with filing Mortgages).

(b) The Borrower shall indemnify each Agent (and any sub-agent thereof), the Arrangers, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including Attorney Costs) incurred by or asserted against any Indemnitee (but limited, in the case of legal

fees, expenses and disbursements, to the Attorney Costs of (x) one counsel to all Indemnitees (taken as a whole), (y) if necessary, one local counsel in each relevant jurisdiction and of one special counsel for each relevant specialty, in each case to all Indemnitees (taken as a whole), and (z) in the event of an actual or potential conflict of interest between Indemnitees, where the Person or Persons affected by such conflict of interest inform the Borrower in writing of such conflict of interest, one additional counsel in each relevant jurisdiction, to each group of affected Indemnitees similarly situated (taken as a whole)) arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, or, in the case of any Agent (and any sub agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents (including in respect of matters addressed in Section 2.17), (ii) any Loan, Letter of Credit or other extension of credit hereunder or the use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower or any of the Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of the Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Subsidiary Loan Party, and regardless of whether any Indemnitee is a party thereto, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNITEE**; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. In no event shall any Loan Party have any liability for indemnification under this Section 9.03(b) for any special, indirect, consequential or punitive damages, except for claims made by third parties for which an Indemnitee is otherwise entitled to indemnity pursuant to this Section 9.03(b). Without limiting the provisions of Section 2.17(c), this Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) To the extent that the Borrower for any reason fails to indefeasibly pay any amount required to be paid by it to any Agent (or any sub agent thereof), any Issuing Bank, the Swingline Lender or any Related Party of any of the foregoing under Section 9.03(a) or (b), each Lender severally agrees to pay to such Agent (or any such sub agent), such Issuing Bank, the Swingline Lender or such Related Party, as the case may be, such Lender's *pro rata* share of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), determined as of the time that the applicable unreimbursed expense or indemnity payment is sought; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Agent (or any such sub agent), such Issuing Bank, or the Swingline Lender in its capacity as such in its capacity as such, or against any Related Party of any of the foregoing, acting for any Agent (any such sub agent), any Issuing Bank or the Swingline Lender in connection with such capacity. The obligations of the Lenders under this Section 9.03(c) are subject to the provisions of Section 2.06(d). For purposes hereof, a Lender's "*pro rata* share" shall be determined based upon

its share of the sum of the Total Revolving Exposures, outstanding FILO Loans and other Loans and unused Commitments at the time.

(d) To the extent permitted by applicable law, each party hereto (each for itself and on behalf of its Subsidiaries) hereby waives, releases and agrees not to assert any claim against any Indemnitee or the Borrower (or any of its Subsidiaries), on any theory of liability, for any special, indirect, consequential or punitive damages (as opposed to direct or actual damages), whether or not accrued and whether or not known or suspected to exist in its favor, arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any other agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that the foregoing shall not limit the Borrower's liability under Section 9.03(b) in respect of claims made by third parties for which an Indemnitee is otherwise entitled to indemnity pursuant to Section 9.03(b). No Indemnitee shall be liable for any damages arising from the use by any unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the Transactions, other than for direct and actual damages (as opposed to special, indirect, consequential or punitive damages) that a court of competent jurisdiction determines in a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such indemnitee.

(e) All amounts due under this Section 9.03 shall be payable not later than ten (10) Business Days after written demand therefor.

(f) The Agreements in this Section 9.03 and the indemnity provisions of Section 9.01(f) shall survive the resignation of any Agent, any Issuing Bank and the Swingline Lender, the replacement of any Lender, the termination of the aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

SECTION 9.04. Successors and Assigns.

(a) *Successors and Assigns Generally*. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except to an Eligible Assignee in accordance with the provisions of Section 9.04(b) (and any attempted assignment or transfer by the Borrower without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Assignments by Lenders*. (i) Subject to the conditions set forth in Section 9.04(b)(ii), any Lender may assign all or a portion of its rights and obligations under this

Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) to one or more Eligible Assignees, with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld or delayed); provided that (1) no consent of the Borrower shall be required for (x) an assignment to a Lender, an Affiliate of a Lender, an Approved Fund, (y) an assignment to any Eligible Assignee during the six (6) month period following the Closing Date or (z) if an Event of Default has occurred and is continuing, any other Eligible Assignee and (2) the Borrower shall be deemed to have consented to any such assignment unless it shall have objected thereto within ten (10) Business Days after having received notice thereof;

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment (x) in respect of the Revolving Facility, if such assignment is to a Person that is a Revolving Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender or (y) in respect of the FILO Facility, if such assignment is to a FILO Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the consent of each Issuing Bank and the Swingline Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Revolving Facility.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than (1) with respect to Revolving Commitments and Revolving Loans, $5,000,000 and (2) with respect to FILO Commitments and FILO Loans, $1,000,000 or, in each case, if smaller, the entire remaining amount of the assigning Lender's Commitment or Loans, unless the Administrative Agent shall otherwise consent; provided that in the event of concurrent assignments to two or more assignees that are Affiliates of one another, or to two or more Approved Funds managed by the same investment advisor or by affiliated investment advisors, all such concurrent assignments shall be aggregated in determining compliance with this subsection;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (B) shall not (1) apply to the Swingline Lender's rights and obligations in respect of Swingline Loans or (2) prohibit any Lender from assigning all or a portion of its rights and obligations among

the Facilities provided pursuant to the this Agreement on a non-pro rata basis;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of $3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire;

(E) no such assignment shall be made (1) to the Borrower or any of the Borrower's Affiliates or Subsidiaries, as applicable, (2) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (2), (3) to a natural Person (or a holding company, investment vehicle or trust for, or owned and operated by or for the primary benefit of a natural Person), (4) to any Permitted Holder, Takeback Noteholder, Rollover Noteholder, or any Affiliate or related fund or managed account of any of the foregoing Persons (other than (x) the commercial banking unit of JPMorgan Chase Bank, N.A. or (y) with the Administrative Agent's prior written consent, which may be granted or withheld in the Administrative Agent's sole discretion and may be conditioned upon implementation of customary affiliated lender protections set forth in an amendment hereto solely among the Borrower and the Administrative Agent) or (5) to any Disqualified Institution (any such Person described in this clause (E), an "Ineligible Person"); and

(F) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, any Issuing Bank or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective

under applicable law without compliance with the provisions of this clause (F), then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs

(iii) Subject to acceptance and recording thereof pursuant to Section 9.04(b)(iv), from and after the effective date specified in each Assignment and Acceptance the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender). Upon request, the Borrower (at its expense) shall execute and deliver a promissory note evidencing its Loan hereunder to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c).

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower (and such agency being solely for Tax purposes), shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error and the Borrower, the Agents, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any other Agent, any Issuing Bank and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this Section 9.04(b) and any written consent to such assignment required by this Section 9.04(b), the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for

purposes of this Agreement unless it has been recorded in the Register as provided in this Section 9.04(b)(v).

(vi) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (A) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Commitment and the outstanding balances of its Loans, in each case without giving effect to assignments thereof that have not become effective, are as set forth in such Assignment and Acceptance; (B) except as set forth in clause (A) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or any other instrument or document furnished pursuant hereto or thereto, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of any of the foregoing, or the financial condition of the Loan Parties or the performance or observance by the Loan Parties of any of their obligations under this Agreement or under any other Loan Document or any other instrument or document furnished pursuant hereto or thereto; (C) each of the assignee and the assignor represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (D) such assignee confirms that it has received a copy of this Agreement, together with copies of any amendments or consents entered into prior to the date of such Assignment and Acceptance and copies of the most recent financial statements delivered pursuant to Section 5.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (E) such assignee will independently and without reliance upon the Agents, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (F) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to them by the terms hereof and thereof, together with such powers as are reasonably incidental thereto; and (G) such assignee agrees that it will perform in accordance with their terms all the obligations that by the terms of this Agreement are required to be performed by it as a Lender.

(c) *Participations*. (i) Any Lender may, without the consent of or notice to the Borrower, the Agents, the Issuing Banks or the Swingline Lender, sell participations to one or more banks or other entities (other than any Ineligible Person) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including such Lender's participations in LC Disbursements and/or Swingline Loans) owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Agents, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with

such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.03(c) without regard to the existence of any participation. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the second proviso to Section 9.02(b)(1), (2) or (3) that affects such Participant. Subject to Section 9.04(c)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.04(b) (it being understood that the documentation required under Section 2.17(e) shall be delivered to the Lender who sells the participation). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitments, Loans, Letters of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.17 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.17(f) as though it were a Lender.

(d) *Certain Pledges*.

(i) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a

Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(ii) In the case of any Lender that is a fund that invests in bank loans, such Lender may, without the consent of the Borrower or the Administrative Agent, assign or pledge all or any portion of its rights under the Loan Documents, including the Loans and promissory notes or any other instrument evidencing its rights as a Lender under the Loan Documents, to any holder of, trustee for, or any other representative of holders of obligations owed or securities issued by such fund, as security for such obligations or securities; provided that any foreclosure or similar action by such trustee or representative shall be subject to the provisions of this Section 9.04 concerning assignments.

(e) *Disqualified Institutions*.

(i) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no Disqualified Institution that purports to become a Lender hereunder (notwithstanding the provisions of this Agreement that prohibit Disqualified Institutions from becoming Lenders) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting, information and lender meetings. In addition, if any assignment or participation is made to any Disqualified Institution without the Borrower's express prior written consent, the Borrower may, in addition to any other rights and remedies that it may have against such Disqualified Institution, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interest, rights and obligations under this Agreement to one or more Persons that meet the requirements for an assignee under Section 9.04(b) at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(ii) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, the Administrative Agent shall not be responsible (or have any liability) for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions thereof relating to Disqualified Institutions. The Administrative Agent may make the list of Disqualified Institutions available to all Lenders on the Platform or to any Lender, Participant, or any prospective Lender or Participant, upon any such Person's written request therefor. Without limiting the generality of the foregoing, the Administrative Agent shall not (A) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (B) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that any Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06. Integration; Effectiveness. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective as provided in Section 4.01.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 9.07, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, any Issuing Bank or the Swingline Lender, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, each Issuing Bank, and each of their Affiliates is hereby authorized at any time and from time to time after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender, Issuing Bank, or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations may be unmatured; provided that, in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 7.02 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the

Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application. Notwithstanding the provisions of this Section 9.08, if at any time any Lender, any Issuing Bank or any of their respective Affiliates maintains one or more deposit accounts for the Borrower or any other Loan Party into which Medicare and/or Medicaid receivables are deposited, such Person shall waive the right of setoff set forth herein.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) *Governing Law*. This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) *Submission to Jurisdiction*. The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that any Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in any other court of competent jurisdiction to the extent necessary or required as a matter of law to assert such claim, action or proceeding against any assets of any Loan Party or any of their Subsidiaries or to enforce any judgement arising out of any such claim, action or proceeding.

(c) *Venue*. The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 9.09(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) *Service of Process*. Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Agents, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates', auditors and Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (including any Federal Reserve Bank or central bank pursuant to Section 9.04(d)), (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 9.12, to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (g) with the consent of the Borrower, (h) to (x) any prospective Additional FILO Lender or Additional Revolving Lender invited to be a Lender pursuant to Section 2.21 or (y) any pledgee referred to in Section 9.04(d) or any direct or indirect contractual counterparty in any Hedging Agreement (or to any such contractual counterparty's professional advisor), so long, in each such case, as such Person agrees to be bound by the provisions of this Section 9.12, (i) on a confidential basis to (x) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided hereunder or (y) the CUSIP Service Bureau or any similar agency in connection with the application, issuance, publishing and monitoring of CUSIP numbers of other market identifiers with respect to the credit facilities provided hereunder or (j) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 9.12 or (y) becomes available to any Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than the Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Agents and the Lenders in connection with the administration of this Agreement, the other Loan Documents, and the Commitments. For

the purposes of this Section 9.12, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to any Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. Each of the Administrative Agent, the Lenders and the Issuing Banks acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable law, including United States Federal and state securities laws.

SECTION 9.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.13 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.14. USA Patriot Act. Each Lender, each Issuing Bank and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender, Issuing Bank or the Administrative Agent, as applicable, to identify the Borrower in accordance with its requirements. The Borrower shall promptly, following a request by the Administrative Agent, any Lender or any Issuing Bank, provide all documentation and other information that the Administrative Agent, such Lender or such Issuing Bank reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA Patriot Act.

SECTION 9.15. Certain Waivers.

(a) Without limiting the generality of the foregoing, or of any other waiver or other provision set forth in this Agreement, the Borrower, on behalf of itself and each Subsidiary Loan Party, hereby absolutely, knowingly, unconditionally, and expressly waives any and all claim, defense or benefit arising directly or indirectly under any one or more of Sections 2787 to 2855 inclusive of the California Civil Code or any similar law of California.

(b) The Borrower, on behalf of itself and each Subsidiary Loan Party, further waives (to the extent permitted by applicable Law): (i) any defense to the recovery by the Administrative Agent or any other Secured Party against such Loan Party of any deficiency or otherwise to the enforcement of this Agreement or any other Loan Document or any security for this Agreement or any other Loan Document based upon the Administrative Agent's or any other Secured Party's election of any remedy against any Loan Party, including the defense to enforcement of this Agreement or any other Loan Document (the so-called "Gradsky" defense) which, absent this waiver, each Loan Party would have by virtue of an election by the Administrative Agent or any other Secured Party to conduct a non-judicial foreclosure sale (also known as a "trustee's sale") of any Owned Real Estate or Ground-Leased Real Estate as security for the Obligations, it being understood by each Loan Party that any such non-judicial foreclosure sale will destroy, by operation of California Code of Civil Procedure Section 580d, all rights of any party to a deficiency judgment against the Borrower (and/or the applicable Loan Party) and, as a consequence, will destroy all rights that such Loan Party would otherwise have (including the right of subrogation, the right of reimbursement, and the right of contribution) to proceed against the Borrower and/or any other Loan Party; (ii) any defense or benefits that may be derived from California Code of Civil Procedure Sections 580a, 580b, 580d or 726, or comparable provisions of the laws of any other jurisdiction and all other anti-deficiency and one form of action defenses under the laws of California and any other jurisdiction; and (iii) any right to a fair value hearing under California Code of Civil Procedure Section 580a, or any other similar law, to determine the size of any deficiency owing (for which any Loan Party would be liable hereunder) following a non-judicial foreclosure sale.

(c) Without limiting the foregoing or anything else contained in this Agreement or any other Loan Document, the Borrower, on behalf of itself and each Subsidiary Loan Party, waives all rights and defenses that such Loan Party may have because any of the Obligations are secured by Owned Real Estate or Ground-Leased Real Estate. This means, among other things: (i) that the Secured Parties may collect from any Loan Party without first foreclosing on any real or personal property collateral pledged by the Borrower or any other Loan Party, and (ii) if any Secured Party forecloses on any Owned Real Estate or Ground-Leased Real Estate pledged by the Borrower or any other Loan Party: (A) the amount of the Obligations may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price; and (B) any Loan Party may collect from any Loan Party even if the Secured Party, by foreclosing on the Owned Real Estate or Ground-Leased Real Estate, has destroyed any right such Loan Party may have to collect from the Borrower or another Loan Party. This is an unconditional and irrevocable waiver of any rights and defenses that any Loan Party may have because the Obligations are secured by Owned Real Estate or Ground-Leased Real Estate. These rights and defenses include, but are not limited to, any rights or defenses based upon Sections 580a, 580b, 580d, or 726 of the California Code of Civil Procedure.

(d) In the case of a power of sale foreclosure, the fair market value of the Owned Real Estate or Ground-Leased Real Estate shall be conclusively deemed to be the amount of the successful bid at the foreclosure sale. The Borrower, on behalf of itself and each Subsidiary Loan Party, waives (to the extent permitted by applicable Law) any rights or benefits it may now or hereafter have to a fair value hearing under Section 580a of the California Code of Civil Procedure. The Secured Parties shall have absolutely no obligation to make a bid at any foreclosure sale, but

rather may make no bid or bid any amount which any Secured Party, in its sole discretion, deems appropriate.

(e) The Borrower, on behalf of itself and each Subsidiary Loan Party, hereby irrevocably authorizes the Administrative Agent to apply any and all amounts received by the Administrative Agent in repayment of the Obligations first to amounts which are secured pursuant to the terms of any Mortgage and then to amounts which are not secured pursuant to the terms of such Mortgage, if any. The Borrower, on behalf of itself and each Subsidiary Loan Party, hereby waives any and all rights that it has or may hereafter have under Section 2822 of the California Civil Code which provides that if a guarantor is "liable upon only a portion of an obligation and the principal provides partial satisfaction of the obligation, the principal may designate the portion of the obligation that is to be satisfied."

(f) The Borrower, on behalf of itself and each Subsidiary Loan Party, waives (to the extent permitted by applicable Law) all rights and defenses arising out of an election of remedies by any Secured Party, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for an Obligation, has destroyed such Loan Party's rights of subrogation and reimbursement against the Borrower (or any other Loan Party) by operation of Section 580d of the California Code of Civil Procedure or otherwise.

(g) The Borrower, on behalf of itself and each Subsidiary Loan Party, waives (to the extent permitted by applicable Law) such Loan Party's rights of subrogation and reimbursement, including (i) any defenses such Loan Party may have by reason of an election of remedies by the Administrative Agent, and (ii) any rights or defenses such Loan Party may have by reason of protection afforded to the Borrower or a Loan Party with respect to the Obligations pursuant to the anti-deficiency or other laws of California limiting or discharging the Borrower's or any other Loan Party's obligations, including Sections 580a, 580b, 580d or 726 of the California Code of Civil Procedure.

SECTION 9.16. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers, and the Lenders are arm's-length commercial transactions between the Borrower and its Subsidiaries, on the one hand, and the Administrative Agent, the Arrangers, and the Lenders, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, the Arrangers and the Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Subsidiaries, or any other Person and (B) neither the Administrative Agent, nor any Arranger, nor any Lender has any obligation to the Borrower or any of its Subsidiaries with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Arrangers, the Lenders, and their respective Affiliates may be engaged in a broad range of transactions that involve interests

that differ from those of the Borrower and its Subsidiaries, and neither the Administrative Agent, nor any Arranger nor any Lender has any obligation to disclose any of such interests to the Borrower and its Subsidiaries. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent, the Arrangers, and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.17. Electronic Execution; Electronic Records. This Agreement, any Loan Document and any other Communication, including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties and each of the Secured Parties agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on such Person to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of such Person enforceable against such Person in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this Section 9.17 may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Secured Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, neither the Administrative Agent, the Issuing Banks nor the Swingline Lender is under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by such Person pursuant to procedures approved by it; provided, further, that without limiting the foregoing, (a) to the extent the Administrative Agent, the Issuing Banks and/or the Swingline Lender has agreed to accept such Electronic Signature, the Administrative Agent and each of the Secured Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party and/or any Secured Party without further verification and regardless of the appearance or form of such Electronic Signature, and (b) upon the request of the Administrative Agent or any Secured Party, any Communication executed using an Electronic Signature shall be promptly followed by a manually executed counterpart.

Neither the Administrative Agent, the Issuing Banks nor the Swingline Lender shall be responsible for or have any duty to ascertain or inquire into the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent's, the Issuing Banks' or the Swingline Lender's reliance on any Electronic Signature transmitted by telecopy, emailed .pdf or any other electronic means). The Administrative Agent, the Issuing Banks and the Swingline Lender shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any Communication or

any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

Each of the Loan Parties and each Secured Party hereby waives (i) any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document based solely on the lack of paper original copies of this Agreement, such other Loan Document, and (ii) any claim against the Administrative Agent, each Secured Party and each of their respective Related Parties for any liabilities arising solely from the Administrative Agent's and/or any such other Secured Party's reliance on or use of Electronic Signatures, including any liabilities arising as a result of the failure of the Loan Parties to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.18. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or any Issuing Bank that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

Any Person acting as the Administrative Agent and its affiliates or other related entities may engage in transactions or other activities unrelated to this Agreement that affect any reference rate referred to herein, or any alternative, successor or replacement rate (including any Successor Rate) (or any component of any of the foregoing) or any related spread or other adjustments thereto, in each case, in a manner adverse to the Borrower. SECTION 1.10. Pro Forma Calculations.

(a) Notwithstanding anything to the contrary herein, Consolidated EBITDA and any financial ratio or test, including the Consolidated Fixed Charge Coverage Ratio (whether in connection with testing the satisfaction of the Payment Conditions or otherwise) and the Consolidated Total Leverage Ratio, shall be calculated in the manner prescribed by this Section 1.10.

(b) For purposes of calculating Consolidated EBITDA and any financial ratio or test, including the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith, subject to Section 1.10(c)) that have been made (i) during the applicable Measurement Period or (ii) subsequent to such Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio or test is made shall be calculated on a pro forma basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Measurement Period. If since the beginning of any applicable Measurement Period any Person that subsequently became a Subsidiary or was merged, amalgamated or consolidated with or into a Loan Party or any Subsidiary since the beginning of such Measurement Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.10, then the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio shall be calculated to give pro forma effect thereto in accordance with this Section 1.10.

(c) In the event that any Loan Party or any Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, as the case may be (in each case, other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Measurement Period or (ii) subsequent to the end of the applicable Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, as applicable, shall be calculated giving pro forma effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Measurement Period (with respect to any calculation of the Consolidated Total Leverage Ratio) or the first day of the

applicable Measurement Period (with respect to any calculation of the Consolidated Fixed Charge Coverage Ratio).

(d) Whenever Pro Forma Effect is to be given to a Specified Transaction, the pro forma calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of Expected Cost Savings projected by a Financial Officer of the Borrower in good faith to be realized as a result of action that is taken, committed to be taken or reasonably expected to be taken (calculated on a pro forma basis as though such Expected Cost Savings had been realized on the first day of such Measurement Period and as if such Expected Cost Savings were realized during the entirety of such Measurement Period) in connection with such Specified Transaction, net of the amount of actual amounts realized during such Measurement Period from such actions; provided that (i) such Expected Cost Savings are reasonably identifiable and factually supportable (in the good faith determination of a Financial Officer of the Borrower), (ii) the relevant action resulting in (or substantial steps towards the relevant action that would result in) such Expected Costs Savings must either be taken or reasonably expected to be taken within twelve (12) months after the date of such Specified Transaction, (iii) no amounts shall be added pursuant to this Section 2.10(d) to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA, whether through a *pro forma* adjustment or otherwise, with respect to such Measurement Period, and (iv) amounts added back pursuant to this Section 2.10(d), when taken together with any such similar adjustments made in accordance with clause (b)(xi) of the definition of "Consolidated EBITDA", shall not exceed twenty percent (20.0%) of Consolidated EBITDA for such Measurement Period (calculated prior to giving effect to such addbacks).

(e) If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, as the case may be, is made had been the applicable rate for the entire period (taking into account any hedging obligations applicable to such Indebtedness). Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in the applicable Capital Lease in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, an interbank offered rate, a risk-free rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower may designate.

FILO Loans made to the Borrower that are repaid or prepaid may not be reborrowed.

(c) *Other Revolving Commitments*. Except as expressly provided herein or in the relevant documents (in accordance with the terms hereof), all Revolving Commitments effected pursuant to any Incremental Revolving Amendment or Revolving Extension Amendment, as applicable (any such Revolving Commitments, "Other Revolving Commitments"), shall be subject to the same terms and conditions as the then existing Revolving Commitments of each applicable Class. After giving effect to any Other Revolving Commitments, all Borrowings under the Revolving Commitments (including any such Other Revolving Commitments), participations in Letters of Credit and Swingline Loans and repayments thereunder shall be made on a pro rata basis according to each Revolving Lender's Applicable Revolving Percentage across all Classes of Revolving Commitments (except for (x) any payments of interest and fees at different rates on any Other Revolving Commitments (and related Revolving Loans thereunder), (y) repayments required upon the applicable Revolving Maturity Date of such Other Revolving Commitments and (z) except as otherwise expressly set forth in the applicable Incremental Revolving Amendment or Revolving Extension Amendment, subject to the provisions contained herein). Notwithstanding the foregoing, the Borrower may Refinance all or any portion of any Class of Revolving Commitments (and prepay or otherwise Refinance the Revolving Loans and other extensions of credit outstanding thereunder) pursuant to Section 6.01(a)(i) without Refinancing any other Class of Revolving Commitments (or the Loans and other extensions of credit outstanding thereunder).

(d) *Adjustments to Applicable Revolving Percentage*. In connection with the establishment of any Other Revolving Commitments effected pursuant to any Incremental

Revolving Amendment or Revolving Extension Amendment, as applicable, for any applicable Class of Revolving Loans, the relevant Applicable Revolving Percentages with respect to all Classes of Revolving Commitments shall be readjusted without any further action or consent of any other party, to reflect such new Class of Revolving Commitments or increase in any existing Class of Revolving Commitments. In connection with the foregoing, the Revolving Lenders shall immediately after giving effect to the readjusted Applicable Revolving Percentages purchase and assign at par such amounts of the Revolving Loans outstanding at such time as the Administrative Agent may require such that all of the Revolving Lenders effectively participate in each of the outstanding Revolving Loans on a pro rata basis in accordance with their readjusted Applicable Revolving Percentages across all Classes of Revolving Commitments. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence or as provided in Section 2.01(c) above.

(e) *Cashless Settlement*. Notwithstanding anything to the contrary in this Agreement, any Lender may exchange, continue or rollover all of the portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent, and such Lender.

If no Interest Period is specified with respect to any requested Term SOFR Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Appropriate Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

(a) Subject to the terms and conditions set forth herein, the Swingline Lender may, in its sole discretion in reliance upon the agreements of the Revolving Lenders set forth in this Section 2.04, make Swingline Loans to the Borrower from time to time during the Revolving Availability Period (provided that such Swingline Lender shall not be required to make Swingline Loans after the Latest Maturity Date applicable to the Class of Revolving Commitments held by such Swingline Lender) in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding $100,000,000 (the "Swingline Sublimit"), or (ii) failure of any of the Credit Extension Conditions to be satisfied; provided that (x) the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan and (y) the Swingline Lender shall not have any obligation, under this Agreement or otherwise, to make any Swingline Loan requested by the Borrower hereunder and may, in its sole discretion, decline to make a requested Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans. Immediately upon the making of a Swingline Loan, the Swingline Lender shall be deemed to grant, and each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swingline Lender a risk participation in such Swingline Loan in an amount equal to the product of such Revolving Lender's Applicable Revolving Percentage (determined without regard to any separate Class or Classes of Revolving Commitments of such Lender) times the amount of such Swingline Loan.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent of such request by (i) telephone or (ii) by submission of a Borrowing Request, provided that any such Borrowing Request (including by electronic mail or facsimile) shall be submitted not later than 1:00 p.m. on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Borrower. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a wire transfer to an account designated by the Borrower (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(e), by remittance to the relevant Issuing Bank) by 3:00 p.m. the requested date of such Swingline Loan, unless the Swingline Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Lender) prior to 2:00 p.m. on the date of the proposed Borrowing of Swingline Loans (A) directing the Swingline Lender not to make such Swingline Loan as a result of the failure of the Credit Extension Conditions to be satisfied), or (B) that one or more of the applicable conditions

specified in Section 4.02 is not then satisfied, in each case, other than as a result of a Protective Advance.

(c) Interest on each Swingline Loan shall be payable on the Interest Payment Date with respect thereto.

(d) The Administrative Agent shall (i) at any time when Swingline Loans in an aggregate principal amount of $10,000,000 or more are outstanding, at the request of the Swingline Lender in its sole discretion, or (ii) on the date that is seven (7) days after the date on which a Swingline Loan was made, deliver on behalf of the Borrower a Borrowing Request pursuant to Section 2.03 for an ABR Revolving Borrowing in the amount of such Swingline Loans; provided, however, that the obligations of the Lenders to fund such Borrowing shall not be subject to the conditions set forth in Section 4.02.

(e) The Swingline Lender may by written notice given to the Administrative Agent not later than 12:00 p.m. on any Business Day require the Revolving Lenders to fund its participation interest on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate principal amount of Swingline Loans in which Revolving Lenders will fund its participation interest. Promptly upon receipt of such notice (but no later than 2:00 p.m. on such Business Day), the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Applicable Revolving Percentage of such Swingline Loan(s). Each Revolving Lender hereby absolutely and unconditionally agrees, upon timely receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Revolving Lender's Applicable Revolving Percentage of such Swingline Loan(s). Each Revolving Lender acknowledges and agrees that its obligation to acquire and fund participations in Swingline Loans pursuant to this Section 2.04 is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments (including any Class thereof), and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this Section 2.04 by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this Section 2.04, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other Person on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent, and any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this Section 2.04, ratably, and to the Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this Section 2.04 shall not relieve the Borrower of any default in the payment thereof.

SECTION 2.05. Letters of Credit.

(a) *General*. Subject to the terms and conditions set forth herein, the Borrower may request the issuance of (and the applicable Issuing Bank, as specified by the Borrower, will, in reliance on the agreements of the Revolving Lenders set forth in this Section 2.05, issue) Letters of Credit denominated in dollars for its own account or the account of any of its Subsidiaries, in a form reasonably acceptable to the Administrative Agent and the relevant Issuing Bank, at any time and from time to time during the Revolving Availability Period (provided that such Issuing Bank shall not be required to issue such Letters of Credit after the Latest Maturity Date applicable to the Class of Revolving Commitments held by such Issuing Bank). Letters of Credit issued hereunder shall constitute utilization of the Revolving Commitments. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) *Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions*. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall deliver (or transmit by electronic communication (including by electronic mail or facsimile), if arrangements for doing so have been approved by the applicable Issuing Bank) to the relevant Issuing Bank and the Administrative Agent not later than 1:00 p.m. at least two (2) Business Days (or such later date and time as the Administrative Agent and such Issuing Bank may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with Section 2.05(c)), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by an Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto, and from and after the Closing Date shall be subject to and governed by the terms and conditions of this Agreement and, subject to Section 2.05(a), any letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Bank relating to any such Existing Letters of Credit.

(i) A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (A) the total LC Exposure shall not exceed $300,000,000 (the "LC Sublimit") and (B) each of the Credit Extension Conditions shall be satisfied. If the conditions for borrowing under Section 4.02 cannot be fulfilled, the Required Lenders may direct the Issuing Banks to, and the Issuing Banks thereupon shall, cease to issue Letters of

Credit (other than as Protective Advances) until such conditions can be satisfied or are waived in accordance with Section 9.02.

(ii) No Issuing Bank shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing the Letter of Credit, or any law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated or entitled to compensation hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such Issuing Bank in good faith deems material to it and for which such Issuing Bank is not otherwise compensated or entitled to compensation hereunder;

(B) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and such Issuing Bank, the Letter of Credit is in an initial stated amount less than $100,000;

(D) any Revolving Lender is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or potential Fronting Exposure (after giving effect to Section 2.23(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other Obligations in respect of Letters of Credit as to which such Issuing Bank has actual or potential Fronting Exposure, as it may elect in its sole discretion;

(E) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; or

(F) the issuance of such Letter of Credit would cause the aggregate amount of the Letters Credit issued by such Issuing Bank to exceed such Issuing Bank's LC Commitment.

(iii) No Issuing Bank shall be under any obligation to amend any Letter of Credit if (A) such Issuing Bank would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit.

(c) *Expiration Date*. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit subject to the provisions of this Section 2.05(c), and (ii) the date that is five Business Days prior to the Revolving Maturity Date (applicable to the Class of Revolving Commitments with the Latest Maturity Date held by the Issuing Bank which issued such Letter of Credit). If the Borrower so requests in any applicable letter of credit application, the applicable Issuing Bank may, in its discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit the applicable Issuing Bank to prevent any such extension at least once in each twelve (12) month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve (12) month period to be agreed upon at the time such Letter of Credit is issued, but not less than thirty (30) days prior to the scheduled expiration or renewal thereof. Unless otherwise directed by the Issuing Bank, the Borrower shall not be required to make a specific request to the Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Revolving Lenders shall be deemed to have authorized (but may not require) the Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the date set forth in clause (ii) above; provided, however, that the applicable Issuing Bank shall not permit any such extension if (A) such Issuing Bank has determined that it would not be permitted, or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof, or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Revolving Lenders have elected not to permit such extension or (2) from the Administrative Agent, any Revolving Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, and in each such case directing the Issuing Bank not to permit such extension.

(d) *Participations*. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof or extending the expiration date thereof) and without any further action on the part of the applicable Issuing Bank or the Lenders, such Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit in an amount equal to such Lender's Applicable Revolving Percentage (determined without regard to any separate Class or Classes of Revolving Commitments of such Lender) of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Lender's Applicable Revolving Percentage of each LC Disbursement made by an Issuing Bank not later than 2:00 p.m. on the Business Day specified in the notice provided by the Administrative Agent to the Revolving Lenders pursuant to Section 2.05(e) until such LC Disbursement is reimbursed by the Borrower or at any time after

any reimbursement payment is required to be refunded to the Borrower for any reason, including after the Revolving Maturity Date and any expiration of any Class of Commitments applicable to any Revolving Lender. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this Section 2.05(d) in respect of Letters of Credit is absolute, unconditional and irrevocable and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

Each Revolving Lender further acknowledges and agrees that its participation in each Letter of Credit will be automatically adjusted to reflect such Revolving Lender's Applicable Revolving Percentage of the aggregate amount available to be drawn under such Letter of Credit at each time such Lender's Commitment is amended pursuant to the operation of Section 2.21 or 2.23, as a result of an assignment in accordance with Section 9.04 or otherwise pursuant to this Agreement (including as a result of the expiration of any Class of Revolving Commitments).

(e) *Reimbursement*. If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 3:30 p.m. on the date that such LC Disbursement is made, if the Borrower shall have received notice of such LC Disbursement prior to 10:00 a.m. on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 1:00 p.m. on the Business Day immediately following the day that the Borrower receives such notice; provided that, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.04 that such payment be financed with an ABR Revolving Borrowing or Swingline Loan in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing or Swingline Loan. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Lender's Applicable Revolving Percentage (determined without regard to any separate Class or Classes of Revolving Commitments of such Lender) thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent such Applicable Revolving Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the relevant Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this Section 2.05(e), the Administrative Agent shall distribute such payment to such Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this Section 2.05(e) to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this Section 2.05(e) to reimburse an Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement. If any Revolving Lender fails to make available to the Administrative Agent for the account of the

applicable Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.05(e), then, without limiting the other provisions of this Agreement, the applicable Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by the applicable Issuing Bank in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by such Issuing Bank in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Loan included in the relevant Revolving Borrowing or payment in respect of its participation interest in respect of the relevant LC Disbursement, as the case may be. A certificate of any Issuing Bank submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.05(e) shall be conclusive absent manifest error.

(f) *Obligations Absolute*. The Borrower's obligation to reimburse LC Disbursements as provided in Section 2.05(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein or herein, (ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), any Issuing Bank or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction, (iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement in such draft or other document being untrue or inaccurate in any respect, or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit, (iv) waiver by any Issuing Bank of any requirement that exists for such Issuing Bank's protection and not the protection of the Borrower or any waiver by such Issuing Bank which does not in fact materially prejudice the Borrower, (v) any payment made by any Issuing Bank in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable, (vi) payment by the applicable Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit, or any payment made by any Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any Bankruptcy Proceeding, or (vii) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.05(f), constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, any Lender or any Issuing Bank, or any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit

or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the relevant Issuing Bank; provided that the foregoing shall not be construed to excuse such Issuing Bank or its Related Parties from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the fullest extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's or its Related Parties gross negligence or willful misconduct (as determined by a court of competent jurisdiction by a final and non-appealable judgment) in determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank or its Related Parties (as determined by a court of competent jurisdiction by a final and non-appealable judgment), such Issuing Bank or its Related Parties shall be deemed to have exercised care in each such determination, and that:

(i) an Issuing Bank may replace a purportedly lost, stolen, or destroyed original Letter of Credit or missing amendment thereto with a certified true copy marked as such or waive a requirement for its presentation;

(ii) an Issuing Bank may accept documents that appear on their face to be in substantial compliance with the terms of a Letter of Credit without responsibility for further investigation, regardless of any notice or information to the contrary, and may make payment upon presentation of documents that appear on their face to be in substantial compliance with the terms of such Letter of Credit and without regard to any non-documentary condition in such Letter of Credit;

(iii) an Issuing Bank shall have the right, in its sole discretion, to decline to accept such documents and to make such payment if such documents are not in strict compliance with the terms of such Letter of Credit; and

(iv) this sentence shall establish the standard of care to be exercised by an Issuing Bank when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof (and the parties hereto hereby waive, to the extent permitted by applicable law, any standard of care inconsistent with the foregoing).

(g) *Limited Liability*. Without limiting the foregoing, none of the Administrative Agent, the Lenders, any Issuing Bank, or any of their Related Parties shall have any liability or responsibility by reason of (i) any presentation that includes forged or fraudulent documents or that is otherwise affected by the fraudulent, bad faith, or illegal conduct of the beneficiary or other Person, (ii) an Issuing Bank declining to take-up documents and make payment (A) against documents that are fraudulent, forged, or for other reasons by which that it is entitled not to honor or (B) following a Borrower's waiver of discrepancies with respect to such documents or request for honor of such documents or (iii) an Issuing Bank retaining

proceeds of a Letter of Credit based on an apparently applicable attachment order, blocking regulation, or third-party claim notified to such Issuing Bank.

(h) *Borrower Examination*. The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will immediately notify the applicable Issuing Bank. The Borrower shall be conclusively deemed to have waived any such claim against each Issuing Bank and its correspondents unless such notice is given as aforesaid.

(i) *Disbursement Procedures*. The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The applicable Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by electronic mail or facsimile) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement.

(j) *Interim Interest*. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to Section 2.05(e), then Section 2.13(c) shall apply. Interest accrued pursuant to this Section 2.05(j) shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to Section 2.05(e) to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(k) *Resignation or Replacement of the Issuing Bank*. An Issuing Bank may resign at any time by giving 180 days' prior written notice to the Administrative Agent, the Borrower and the Lenders, and an Issuing Bank may be replaced at any time by written agreement (an "Issuing Bank Agreement") among the Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank, which shall set forth the LC Commitment of such successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any Issuing Bank Agreement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto to the extent of its Commitment hereunder and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it

prior to such replacement, but shall not be required to issue additional Letters of Credit. Upon the expiration of the Revolving Commitments of an Issuing Bank (upon the occurrence of the Latest Maturity Date applicable to any Class of Revolving Commitments of such Issuing Bank), such Issuing Bank shall be deemed to have resigned as an Issuing Bank hereunder without the requirement for any further notice to or consent from any other Person unless such Issuing Bank shall have previously agreed to act as an Issuing Bank with respect to any Class of Revolving Commitments with a later maturity.

(l) *Applicability of ISP and UCP*. Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a Letter of Credit is issued by it (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, no Issuing Bank shall be responsible to the Borrower for, and no Issuing Bank's rights and remedies against the Borrower shall be impaired by, any action or inaction of any Issuing Bank required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where any Issuing Bank or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade – International Financial Services Association (BAFT), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(m) *Role of Issuing Bank*. Each Issuing Bank shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each Issuing Bank shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article VIII with respect to any acts taken or omissions suffered by such Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article VIII included such Issuing Bank with respect to such acts or omissions, and (B) as additionally provided herein with respect to such Issuing Bank.

(n) *Cash Collateralization*. If any Event of Default shall occur and be continuing, the Borrower shall (or shall cause Subsidiary Loan Parties to), promptly (and in any event within one (1) Business Day following receipt by the Borrower of a written demand for the deposit of cash collateral pursuant to this Section 2.05(n) from the Administrative Agent (or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing greater than 50.0% of the total LC Exposure)) deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders, an amount in cash equal to 103.0% of the total LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower or any Subsidiary Loan Party described in Section 7.01(h) or (i). The Borrower also shall (or shall cause Subsidiary Loan Parties to) deposit cash collateral pursuant to this Section 2.05(n) (i) as and to the extent required by (x) Section 2.11(b), and any such cash collateral so deposited and held by the Administrative Agent hereunder shall constitute

part of the ABL Borrowing Base Amount for purposes of determining compliance with Section 2.11(b) and (y) any other provision of this Agreement, and (ii) if any Letter of Credit remains outstanding after the date specified in Section 2.05(c)(ii), with respect to any Issuing Bank, in an amount equal to 103.0% of the stated amount of each such Letter of Credit. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. The Administrative Agent shall, at the Borrower's risk and expense, invest all such deposits in Permitted Investments chosen in the sole discretion of the Administrative Agent after consultation with the Borrower, provided that no consultation shall be required if a Default has occurred and is continuing. Other than any interest earned in respect of the investment of such deposits, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse each Issuing Bank for LC Disbursements for which it has not been reimbursed (together with related fees, costs, and customary processing charges) and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to (i) the consent of Revolving Lenders with LC Exposure representing greater than 50.0% of the total LC Exposure and (ii) in the case of any such application at a time when any Revolving Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders), the consent of each Issuing Bank), be applied to satisfy the Obligations. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived (or, during a Cash Dominion Period, paid into the Bank of America Concentration Account). If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.11(b), (c) or (d), such amount (to the extent not applied as aforesaid or as otherwise provided herein) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the Borrower would remain in compliance with Section 2.11(b), (c) or (d), no Issuing Bank shall have any exposure in respect of any outstanding Letter of Credit that is not fully covered by the Revolving Commitments of the Non-Defaulting Lenders and/or the remaining cash collateral and no Default shall have occurred and be continuing. Unless and except to the extent that the deposit of cash collateral directly by the Borrower would not result in an obligation to grant a security interest in such cash collateral to the holders of other outstanding Indebtedness of the Borrower, the Borrower will cause Subsidiary Loan Parties to deposit all cash collateral required to be deposited pursuant to this Section 2.05(n), Section 2.11(b) or otherwise.

(o) *Additional Issuing Banks*. The Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld) and such Lender, designate one or more additional Lenders to act as an issuing bank under the terms of this Agreement. Any Lender designated as an issuing bank pursuant to this Section 2.05(o) shall be deemed to be an "Issuing Bank" (in addition to being a Lender) in respect of Letters of Credit issued or to be issued by such Lender, and, with respect to such

Letters of Credit, such term shall thereafter apply to the other Issuing Banks and such Lender in its capacity as an Issuing Bank.

(p) *Reporting by Issuing Banks to the Administrative Agent*. At the end of each week and otherwise upon request of the Administrative Agent, each Issuing Bank shall provide the Administrative Agent with a certificate identifying the Letters of Credit issued by such Issuing Bank and outstanding on such date, the amount and expiration date of each such Letter of Credit, the beneficiary thereof, the amount, if any, drawn under each such Letter of Credit and any other information reasonably requested by the Administrative Agent with respect to such Letters of Credit. The Administrative Agent shall promptly enter all such information received by it pursuant to this Section 2.05(p) in the Register.

(q) *Letters of Credit Issued for Subsidiaries*. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse, indemnify and compensate the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit as if such Letter of Credit had been issued solely for the account of the Borrower. The Borrower irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.06. Funding of Borrowings.

(a) Each Appropriate Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by (i) in the case of Term SOFR Borrowings, 12:00 p.m., and (ii) in the case of ABR Borrowings, 3:00 p.m., in each case, in each case, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by wire transfer, in like funds, to an account designated by the Borrower in the applicable Borrowing Request. Wire transfers to the Borrower of all Loans (other than Swingline Loans and same-day ABR Revolving Borrowings) shall be made no later than 1:00 p.m. Wire transfers to the Borrower of Swingline Loans and same-day ABR Revolving Borrowings shall be made no later than 4:00 p.m.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing (or, in the case of any Borrowing of ABR Loans, prior to 2:00 p.m. on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date (or, in the case of a Borrowing of ABR Loans, that such Lender has made such share available by the time required) in accordance with Section 2.06(a) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such

corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing or (ii) in the case of the Borrower, the interest rate applicable to ABR Revolving Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided herein, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to any applicable extension of credit set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

SECTION 2.07. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of Term SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of Term SOFR Borrowings, may elect Interest Periods therefor, all as provided in this Section 2.07. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans (of any Class) comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section 2.07 shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section 2.07, the Borrower shall notify the Administrative Agent of such election by (i) telephone, or (ii) submission of an Interest Election Request (including by electronic mail or facsimile) by the time that a Borrowing Request would be required to be made under Section 2.03 if the Borrower were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such notice and Interest Election Request shall be irrevocable and, in the case of an Interest Election Request, signed by the Borrower.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02 and this Section 2.07(c):

(i) the Borrowing and Class of Loans to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Term SOFR Borrowing; and

(iv) if the resulting Borrowing is a Term SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Term SOFR Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Appropriate Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Term SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Term SOFR Borrowing and (ii) unless repaid, each Term SOFR Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto. Except as otherwise provided herein, a Term SOFR Loan may be continued or converted only on the last day of an Interest Period for such Term SOFR Loan.

(f) A Revolving Loan Borrowing or FILO Loan Borrowing may not be converted to or continued as a Term SOFR Borrowing if after giving effect thereto the Interest Period therefor would end after the earliest Revolving Maturity Date or the FILO Maturity Date, as applicable for such Class.

(g) With respect to SOFR or Term SOFR, the Administrative Agent, in consultation with the Borrower, will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document; provided, that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective. Notwithstanding anything herein or in any other Loan Document to the contrary, the Administrative Agent and the Borrower shall cooperate in good faith and use commercially reasonable efforts to satisfy any applicable requirements under proposed or final United States Treasury Regulations or other regulatory guidance such that any amendments implementing such Conforming Changes shall not result in a deemed exchange of any Loan under Section 1001 of the Code.

SECTION 2.08. Termination and Reduction of Commitments.

(a) *Termination of Commitments*. Unless previously terminated in accordance with the terms of this Agreement, (i) the Revolving Commitments shall terminate on the Revolving Maturity Date (applicable to such Class of Revolving Commitments), (ii) the FILO Initial Commitments shall terminate on the Closing Date upon the making of the applicable FILO Loans on such date by the applicable FILO Lenders, and (iii) each FILO Incremental Commitment shall terminate on the funding date with respect thereto upon the making of the applicable FILO Loans on such date by the applicable FILO Lenders.

(b) *Optional Reduction of Revolving Commitments*. The Borrower may at any time terminate, or from time to time reduce, the unused Revolving Commitments of any Class; provided that (i) each such reduction of the Commitments of any Class shall be in an amount that is an integral multiple of $1,000,000 and not less than $5,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, the Total Revolving Exposure would exceed the Total Revolving Commitments or the Swingline Sublimit or the LC Sublimit shall exceed the Total Revolving Commitments.

(c) *Mandatory Reduction of Revolving Commitments*. In connection with any Prepayment Event that relates to assets contributing to the ABL Borrowing Base Amount, upon the application of the Net Cash Proceeds thereof, the Revolving Commitments shall be reduced by an amount equal to 75.0% of the reduction in the ABL Borrowing Base Amount arising as a result of such Prepayment Event.

(d) *Effect of Revolving Commitment Reductions; Ratable Reductions*. Any termination or reduction of the Revolving Commitments of any Class shall be permanent. Each

reduction of the Revolving Commitments of any Class, whether effected pursuant to Section 2.08(b) or (c), shall be made ratably among the Lenders in accordance with their Applicable Revolving Percentage of such Class.

(e) *Procedures for Optional Revolving Commitment Reductions.* The Borrower shall notify the Administrative Agent of any election to terminate or reduce the unused Revolving Commitments under Section 2.08(b) at least one (1) Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Revolving Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.08 shall be irrevocable; provided that a notice of voluntary termination or reduction of the Revolving Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or other financings, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

SECTION 2.09. Repayment of Loans; Evidence of Indebtedness.

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent, for the account of each Revolving Lender, the then unpaid principal amount of each Revolving Loan of a particular Class of such Lender on the Revolving Maturity Date of such Class of Revolving Loan (it being understood and agreed that, subject to the other terms and conditions hereof, the Borrower may make Borrowings of Revolving Loans under any remaining Revolving Commitments of any other Class to effect such repayment), (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the earlier of (A) the Revolving Maturity Date (applicable to the Class of Revolving Commitments with the Latest Maturity Date held by the Swingline Lender) and (B) the date that is seven (7) days after the date on which such Swingline Loan was made; provided that on each date that a Revolving Borrowing is made, the Borrower shall repay all Swingline Loans that were outstanding on the date such Borrowing was requested and (iii) to the Administrative Agent, for the account of each FILO Lender, the then unpaid principal amount of each FILO Loan of a particular Class of such Lender on the FILO Maturity Date of such Class of FILO Loan.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to Section 2.09(b) or (c) shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in the form attached hereto as Exhibit F-1 or F-2, as applicable, or in such other form approved by the Administrative Agent and the Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04(b)) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(f) Upon the occurrence of a Revolving Maturity Date for any applicable Class of Revolving Loans, the Applicable Revolving Percentages with respect to each remaining Class of Revolving Commitments shall be readjusted without any further action or consent of any other party, to reflect the expiration of the Class of Revolving Commitments as to which the Revolving Maturity Date has occurred. In connection with the foregoing, the Revolving Lenders immediately after effectiveness to the readjusted Applicable Revolving Percentages shall purchase and assign at par such amounts of the Revolving Loans outstanding at such time as the Administrative Agent may require such that all of the Revolving Lenders effectively participate in each of the outstanding Revolving Loans on a pro rata basis in accordance with their readjusted Applicable Revolving Percentages. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

SECTION 2.10. FILO Initial Loan Amortization. On the last day of each calendar quarter (or, if such day is not a Business Day, the immediately preceding Business Day), commencing with ~~[●]~~[33] September 30, 2026, the Borrower shall make cash principal payments on the FILO Initial Loans in an amount equal to $~~[~~7,500,000~~]~~.[34]

SECTION 2.11. Prepayment of Loans.

(a) *Optional Prepayments*. The Borrower shall have the right, at any time and from time to time, to prepay any Borrowing in whole or in part, subject to the requirements of this Section 2.11; provided, however, that any partial prepayment made pursuant to this Section 2.11(a) shall be in a principal amount that is a multiple of $1,000,000 and not less than $5,000,000; provided, further, that the Borrower shall not be permitted to prepay any FILO

~~[33] Note to Draft: To be the second anniversary of the Closing Date.~~
~~[34] Note to Draft: Quarterly amortization of 2.5% of original principal amount = 10% per year.~~

Loans, other than (i) in connection with a termination of the Total Revolving Commitments and payment in full in cash of all Obligations under the Loan Documents, (ii) in connection with any amortization or mandatory prepayments required pursuant to Section 2.10 and this Section 2.11, respectively, or (iii) at any other time subject to the satisfaction of the FILO Prepayment Conditions.

(b) *Out-of-Formula Prepayment Events*.

(i) In the event and on each date that the Total Revolving Outstandings on such date exceed the then-current ABL Borrowing Base Amount (other than as a result of Protective Advances pursuant to Section 2.24(a)), the Borrower shall on each such date apply an amount equal to such excess as follows (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay any Swingline Loans that may be outstanding until paid in full, *second*, to prepay the Revolving Loans that may be outstanding until paid in full (without a reduction in the Revolving Commitments), *third*, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n), and *fourth*, to the extent after giving effect to any such prepayments and provision of Cash Collateral, the Total FILO Outstandings exceed the FILO Borrowing Base Amount, to prepay FILO Loans that may be outstanding in an amount equal to such excess.

(ii) In the event and on each date that the Total Revolving Outstandings exceed the Total Revolving Commitments, the Borrower shall on such date apply an amount equal to such excess as follows (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay any Swingline Loans that may be outstanding until paid in full, *second*, to prepay the Revolving Loans that may be outstanding until paid in full (without a reduction in the Revolving Commitments), and *third*, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n).

(c) *Cash Dominion Period*. Subject to application of Section 7.02 and except for amounts subject to and applied in accordance with Section 2.11(d) and (e), on each Business Day during any Cash Dominion Period, the Administrative Agent shall apply all immediately available funds credited to the Concentration Account (and the Administrative Agent may apply other amounts contained in Blocked Accounts and any other amounts received by or on behalf of Administrative Agent), in each case, in the following order (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay any Protective Advances that may be outstanding until paid in full, *second*, to prepay any Swingline Loans that may be outstanding until paid in full, *third*, to prepay the Revolving Loans that may be outstanding until paid in full (without a reduction in the Revolving Commitments), *fourth*, at any time an Event of Default shall exist, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n), and *fifth*, at any time an Event of Default has occurred and is continuing, to prepay the FILO Loans that may be outstanding until paid in full. If the Borrowers are required to provide (and have provided the required amount of) cash collateral pursuant to this Section 2.11(c), the amount of such Cash Collateral (to the extent not otherwise required to be

maintained by any other provision of this Agreement) shall be returned to the Borrowers within three (3) Business Days after the last day of such Cash Dominion Period.

(d) *Mandatory Prepayment Events*.

(i) In the event and on each occasion that any Net Cash Proceeds are received by or on behalf of the Borrower or any Subsidiary in respect of any Prepayment Event (including, for the avoidance of doubt, any Specified Prepayment Event (subject to the specific application provisions of Section 2.11(e) with respect to proceeds of the 2023 CMS Receivable), but excluding any Specified Regional Sale Prepayment Event), the Borrower shall, within one (1) Business Day after such Net Cash Proceeds are received, prepay Total Revolving Outstanding and, if applicable, Total FILO Outstandings, in an aggregate amount equal to 100.0% of the Net Cash Proceeds resulting from such Prepayment Event. Each prepayment of the Total Revolving Outstandings and, if applicable, Total FILO Outstandings pursuant to this Section 2.11(d)(i), shall be applied as follows (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay any Swingline Loans that may be outstanding until paid in full, *second*, to prepay the Revolving Loans that may be outstanding until paid in full (without a reduction in the Revolving Commitments), *third*, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n), and *fourth*, to prepay the FILO Loans that may be outstanding until paid in full; provided that, upon receipt and application of such Net Cash Proceeds, the Deleveraging Reserve shall be established or adjusted, as and if applicable, in respect thereof;

(ii) In the event and on each occasion that any Net Cash Proceeds are received in respect of a Specified Regional Sale Prepayment Event, the Borrower shall, within one (1) Business Day after such Net Cash Proceeds are received, prepay Total Revolving Outstanding and, if applicable, Total FILO Outstandings in an aggregate amount equal to 100.0% of the Net Cash Proceeds resulting from such Prepayment Event. Each prepayment of the Total Revolving Outstandings and, if applicable, Total FILO Outstandings pursuant to this Section 2.11(d)(ii), shall be applied as follows (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay any Swingline Loans that may be outstanding until paid in full, *second*, to prepay the Revolving Loans that may be outstanding until paid in full (with, unless the Required Lenders otherwise agree, a corresponding permanent reduction in the Revolving Commitments in the case of Net Cash Proceeds received in connection with any Specified Regional Sale Prepayment Event), *third*, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n), and *fourth*, to prepay the FILO Loans that may be outstanding until paid in full;

provided, however, that, in the case of any Prepayment Event (including Specified Prepayment Event) described in clause (b) of the definition of "Prepayment Event", so long as (x) no Cash Dominion Period is then in effect and (y) a Liquidity Event shall have occurred, if the Borrower shall (by written notice

delivered to the Administrative Agent prior to the required date of prepayment) elect to apply the Net Cash Proceeds from such event (or a portion thereof specified in such certificate), within 365 days after receipt of such Net Cash Proceeds, to acquire Real Estate, equipment or other tangible assets to be used in the business of the Borrower and the Subsidiaries, and shall certify that no Default has occurred and is continuing, then no prepayment shall be required pursuant to this Section 2.11(d) in respect of the Net Cash Proceeds in respect of such event (or the portion of such Net Cash Proceeds specified in such certificate, if applicable), except to the extent of any such Net Cash Proceeds therefrom that have not been so applied by the end of such 365 day period, at which time a prepayment shall be required in an amount equal to such Net Cash Proceeds that have not been so applied.

(e) *2023 CMS Receivable Distributions*.

(i) Promptly (and in any event within one (1) Business Days) after ~~Elixir Insurance Company's~~EIC's receipt of payment of the 2023 CMS Receivable, the Administrative Agent shall have received the proceeds of the 2023 CMSR FILO Initial Loan Paydown Distribution, and such proceeds, in the amount of the 2023 CMSR FILO Initial Loan Paydown Distribution, shall be applied to immediately prepay the FILO Initial Loans hereunder.

(ii) Promptly (and in any event within one (1) Business Days) after ~~Elixir Insurance Company's~~EIC's receipt of payment of the 2023 CMS Receivable, the Administrative Agent shall have received the proceeds of the 2023 CMSR Revolving Facility Paydown Distribution, and such proceeds, in the amount of the 2023 CMSR Revolving Facility Paydown Distribution, shall be applied immediately to reduce the Total Revolving Outstandings hereunder as follows (without regard to minimum or integral amounts otherwise required by this Agreement): *first*, to prepay the Revolving Loans that may be outstanding until paid in full (without a reduction in the Revolving Commitments), and *second*, to Cash Collateralize outstanding LC Obligations in the manner provided in Section 2.05(n).

(f) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to Section 2.11(g). All optional and mandatory prepayments of the FILO Loans shall be applied to the amortization payments in respect of the FILO Loans pursuant to Section 2.10 in the inverse order of maturity thereof.

(g) The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by (x) telephone or (y) in writing (including by electronic mail or facsimile) of any prepayment of Loans pursuant to any of Section 2.11(a), (d) or (e). Such written notice of prepayment shall be delivered (i) in the case of prepayment of a Term SOFR Loan, not later than 1:00 p.m. two (2) Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, not later than 1:00 p.m. on the Business Day of such prepayment or (iii) in the case of prepayment of a Swingline Loan,

not later than 1:00 p.m. on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the Borrowings to be prepaid and the principal amount and Class of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of optional prepayment delivered by the Borrower pursuant to this Section 2.11 may state that it is conditioned on the effectiveness of other credit facilities or other financing, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the applicable Appropriate Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13. Except as expressly provided in ~~[~~Section 2.12(d) or (e)~~]~~ ~~[the Fee Letter referred in in clause (a) of the definition of "Fee Letter"]~~, payments shall be without premium or penalty, provided that the Borrower shall reimburse the Lenders for funding losses in accordance with Section 2.16.

SECTION 2.12. Fees.

(a) *Commitment Fees*. The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a commitment fee, which shall accrue at the Applicable Rate per annum on the daily unused amount of the Revolving Commitment of each applicable Class of such Lender during the period from and including the Closing Date to but excluding the date on which such Revolving Commitment terminates. Accrued commitment fees shall be payable in arrears on the first day of each calendar month and on the date on which the Total Revolving Commitments terminate (or, if earlier, with respect to any Class of Revolving Commitments, the Revolving Maturity Date for such Class), commencing on the first such date to occur after the Closing Date. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees pursuant to this Section 2.12(a), a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender (and the Swingline Exposure of such Lender shall be disregarded for such purpose), provided that if a Lender shall have more than one Class of Revolving Commitments, such Revolving Commitments of each Class shall be deemed to be used to the extent of such Revolving Loans and LC Exposure on a ratable basis.

(b) *Letter of Credit Fees; LC Fronting Fees*. The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee (a "Letter of Credit Fee") with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate as in effect from time to time for interest on Term SOFR Revolving Loans on the daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which such Lender's Revolving Commitment of an applicable Class terminates and the date on which such Lender ceases to have

any LC Exposure (with any LC Exposure of a Lender that has more than one Class of Revolving Commitments being deemed to be allocated between each Class of such Revolving Commitments on a ratable basis), and (ii) to each Issuing Bank a fronting fee, which shall accrue at the rate of 0.125% per annum on the daily outstanding amount of such Issuing Bank's Letters of Credit during the period from and including the Closing Date to but excluding the later of the date of termination of the Total Revolving Commitments and the date on which there ceases to be any LC Exposure (or, if earlier, the latest Revolving Maturity Date for Revolving Commitments held by such Issuing Bank), as well as such Issuing Bank's customary issuance, presentation, amendment and other processing fees, and other standard costs and charges with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Letter of Credit Fees and fronting fees payable pursuant to this Section 2.12(b) shall be paid monthly in arrears on the first day of each calendar month, commencing on the first such date to occur after the Closing Date; provided that all such fees shall be payable on the date on which the Total Revolving Commitments terminate (or, if earlier, the termination of Revolving Commitments of all Classes of any applicable Lender) and any such fees accruing after the date on which the Total Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this Section 2.12(b) shall be payable within ten (10) days after demand. All Letter of Credit Fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) *Fee Letters*. The Borrowers shall pay to the Administrative Agent, the Collateral Agent, and the other Persons entitled thereto, for their own respective accounts, the fees set forth in the Fee Letters in the amounts and at the times specified in the Fee Letters.

(d) *Revolving Commitment Termination Fee*. Upon the occurrence of any Revolving Commitment Termination Fee Trigger Event, on the effective date of the termination or reduction of the Revolving Commitments in connection therewith, the Borrower shall pay to the Administrative Agent, for the benefit of the Revolving Lenders, an amount in cash equal to the applicable Revolving Commitment Termination Fee with respect to such Revolving Commitment Termination Fee Trigger Event. Any Revolving Commitment Termination Fee payable in accordance with this Section 2.12(d) shall be presumed to be equal to the liquidated damages sustained by the Revolving Lenders as the result of the occurrence of the applicable Revolving Commitment Termination Fee Trigger Event, and the Borrower agrees that the corresponding Revolving Commitment Termination Fee is reasonable under the circumstances currently existing. The Revolving Commitment Termination Fee, if any, shall also be payable in the event the Revolving Loans (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. THE BORROWER EXPRESSLY WAIVES, ON BEHALF OF THE LOAN PARTIES, THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING REVOLVING COMMITMENT TERMINATION FEE IN CONNECTION WITH ANY TERMINATION OR REDUCTION OF THE REVOLVING COMMITMENTS. The Borrower expressly agrees that (i) the Revolving Commitment Termination Fee is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel, (ii) the Revolving Commitment Termination Fee shall be payable notwithstanding the then prevailing market rates at the time payment is made, (iii) there has been a course of conduct between Revolving Lenders

and the Borrower giving specific consideration in this transaction for such agreement to pay the Revolving Commitment Termination Fee, (iv) the Borrower shall be estopped hereafter from claiming differently than as agreed to in this Section 2.12(d), (v) their agreement to pay the Revolving Commitment Termination Fee is a material inducement to the Revolving Lenders to enter into this Agreement and to make available the Revolving Facility, and (vi) the Revolving Commitment Termination Fee represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Revolving Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Revolving Lenders or profits lost by the Revolving Lenders as a result of such Revolving Commitment Termination Fee Trigger Event.

(e) *FILO Loan Prepayment Fee*. Upon the occurrence of any FILO Loan Prepayment Fee Trigger Event, on the effective date of the prepayment or deemed prepayment in connection therewith, the Borrower shall pay to Administrative Agent, for the benefit of the FILO Lenders holding FILO Loans, an amount in cash equal to the applicable FILO Loan Prepayment Fee with respect to such FILO Loan Prepayment Fee Trigger Event. Any FILO Loan Prepayment Fee payable in accordance with this Section 2.12(e) shall be presumed to be equal to the liquidated damages sustained by the FILO Lenders as the result of the occurrence of the applicable FILO Loan Prepayment Fee Trigger Event, and the Borrower agrees that the corresponding FILO Loan Prepayment Fee is reasonable under the circumstances currently existing. The FILO Loan Prepayment Fee, if any, shall also be payable in the event the FILO Loans (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. THE BORROWER, ON BEHALF OF THE LOAN PARTIES, EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING FILO LOAN PREPAYMENT FEE IN CONNECTION WITH ANY ACCELERATION OF THE FILO LOANS. The Borrower, on behalf of the Loan Parties, expressly agrees that (i) the FILO Loan Prepayment Fee is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel, (ii) the FILO Loan Prepayment Fee shall be payable notwithstanding the then prevailing market rates at the time payment is made, (iii) there has been a course of conduct between FILO Lenders and the Borrower giving specific consideration in this transaction for such agreement to pay the FILO Loan Prepayment Fee, (iv) the Borrower shall be estopped hereafter from claiming differently than as agreed to in this Section 2.12(e), (v) their agreement to pay the FILO Loan Prepayment Fee is a material inducement to the FILO Lenders to enter into this Agreement and to make available the FILO Loans, and (vi) the FILO Loan Prepayment Fee represents a good faith, reasonable estimate and calculation of the lost profits or damages of the FILO Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the FILO Lenders or profits lost by the FILO Lenders as a result of such FILO Loan Prepayment Fee Trigger Event.

(f) *Assumed DIP Lender Fees*. The Borrower agrees to pay to the Administrative Agent, for the benefit of the Lenders entitled thereto, the fees set forth in any DIP ABL Fee Letter or in any DIP Term Loan Fee Letter that, pursuant to the terms of such DIP ABL Fee Letter or DIP Term Loan Fee Letter, are to be paid to such Lender during the term of this Agreement (any such fee, an "Assumed DIP Lender Fee"), in the amounts and at the times set forth in such DIP ABL Fee Letter or DIP Term Loan Fee Letter, as applicable.

(g) *Payment of Fees*. All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the relevant Issuing Bank, in the case of fees payable to it) for distribution, in the case of any commitment fees, Letter of Credit Fees, Revolving Commitment Termination Fees, FILO Loan Prepayment Fees, and the Assumed DIP Lender Fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances. If any such fee is not paid when due, then (without waiving any Default or Event of Default that may arise with respect to such non-payment), at the option of the Administrative Agent or at the request of the Required Lenders (or, immediately (without any further act of any Person), upon the occurrence of an Event of Default clause (h) or (i) of Section 7.01), such unpaid amount shall be capitalized to the outstanding principal amount of the Revolving Loans (if such fee is related to the Revolving Facility) or to the outstanding principal amount of the FILO Loans of the applicable Class (if such fee is related to the FILO Facility).

SECTION 2.13. Interest.

(a) *Interest on ABR Borrowings*. The Loans comprising each ABR Borrowing (including each Swingline Loan) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) *Interest on Term SOFR Borrowings*. The Loans comprising each Term SOFR Borrowing shall bear interest at Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) *Default Rate of Interest*. Notwithstanding the foregoing, upon the occurrence and during the continuation of an Event of Default, at the option of the Administrative Agent or at the request of the Required Lenders (or, immediately (without any further act of any Person), upon the occurrence of an Event of Default under clause (a), (b), (h) or (i) of Section 7.01), the Borrower shall pay interest on all of the Obligations to but excluding the date of actual payment, after as well as before judgment, at the Default Rate.

(d) *Interest Payment Dates*. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and (i) in the case of FILO Loans of each Class, on the FILO Maturity Date of such Class and (ii) in the case of Revolving Loans of each Class on the earlier of the Revolving Maturity Date of such Class and the date on which the Total Revolving Commitments are terminated; provided that (i) interest accrued at the Default Rate pursuant to Section 2.13(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period with respect to the applicable Class), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion, together with any amounts due and payable pursuant to Section 2.16.

(e) *Computation*. All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate (including ABR Loans determined by reference to Term SOFR) shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual

number of days elapsed (including the first day but excluding the last day). Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest; Illegality.

(a) *Alternate Rate of Interest*. If in connection with any request for a Term SOFR Loan or a conversion of ABR Loans to Term SOFR Loans or continuation of any such Loans, as applicable,

(i) the Administrative Agent determines that (A) no Successor Rate has been determined in accordance with Section 2.14(b) and the circumstances under clause (i) of Section 2.14(b) or the Scheduled Unavailability Date has occurred, or (B) adequate and reasonable means do not exist for determining Term SOFR for any requested Interest Period with respect to a proposed Term SOFR Loan or in connection with an existing or proposed ABR Loan; or

(ii) the Administrative Agent is advised by the Required Lenders that Term SOFR for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, electronic mail or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) the obligation of the Lenders to make or maintain Term SOFR Loans shall be suspended, (to the extent of the affected Term SOFR Loans or Interest Periods), (ii) in the event of a determination described in the preceding sentence with respect to the Term SOFR component of the Alternate Base Rate, the utilization of the Term SOFR component in determining the Alternate Base Rate shall be suspended, (iii) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term SOFR Borrowing shall be ineffective and (iv) if any Borrowing Request requests a Term SOFR Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) *Replacement of Term SOFR or Successor Rate*. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders, as applicable, have determined that:

(i) adequate and reasonable means do not exist for ascertaining one month, three month and six month interest periods of Term SOFR, including, without limitation, because the Term SOFR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) CME or any successor administrator of the Term SOFR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or such administrator with respect to its publication of Term SOFR, in each case, acting in such capacity, has made a public statement identifying a specific date after which one month, three month and six month interest periods of Term SOFR or the Term SOFR Screen Rate shall or will no longer be made available, or permitted to be used for determining the interest rate of U.S. dollar denominated syndicated loans, or shall or will otherwise cease, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide such interest periods of Term SOFR after such specific date (the latest date on which one month, three month and six month interest periods of Term SOFR or the Term SOFR Screen Rate are no longer available permanently or indefinitely, the "Scheduled Unavailability Date");

then, on a date and time determined by the Administrative Agent (in consultation with the Borrower) (any such date, the "Term SOFR Replacement Date"), which date shall be at the end of an Interest Period or on the relevant interest payment date, as applicable, for interest calculated and, solely with respect to clause (ii) above, no later than the Scheduled Unavailability Date, Term SOFR will be replaced hereunder and under any Loan Document with Daily Simple SOFR plus the SOFR Adjustment, in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (the "Successor Rate").

If the Successor Rate is Daily Simple SOFR plus the SOFR Adjustment, all interest payments will be payable on a monthly basis.

Notwithstanding anything to the contrary herein, (i) if the Administrative Agent determines that Daily Simple SOFR is not available on or prior to the Term SOFR Replacement Date, or (ii) if the events or circumstances of the type described in Section 2.14(b)(i) or (ii) have occurred with respect to the Successor Rate then in effect, then in each case, the Administrative Agent and the Borrower may amend this Agreement solely for the purpose of replacing Term SOFR or any then current Successor Rate in accordance with this Section 2.14 at the end of any Interest Period, relevant interest payment date or payment period for interest calculated, as applicable, with an alternative benchmark rate giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated credit facilities syndicated and agented in the United States for such alternative benchmark, and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar U.S. denominated credit facilities syndicated and agented in the United States for such benchmark. For the avoidance of doubt, any such proposed rate and adjustments shall constitute a "Successor Rate". Any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

The Administrative Agent will promptly (in one or more notices) notify the Borrower and each Lender of the implementation of any Successor Rate.

Any Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, each Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent (after consultation with the Borrower).

Notwithstanding anything else herein, if at any time any Successor Rate as so determined would otherwise be less than zero, the Successor Rate will be deemed to be zero for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation and administration of a Successor Rate, the Administrative Agent will have the right, after consultation with the Borrower, to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective only after written notice thereof to the Borrower but otherwise without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective. Notwithstanding anything herein or in any other Loan Document to the contrary, the Administrative Agent and the Borrower shall cooperate in good faith and use commercially reasonable efforts to satisfy any applicable requirements under proposed or final United States Treasury Regulations or other regulatory guidance such that any amendments implementing such Conforming Changes shall not result in a deemed exchange of any Loan under Section 1001 of the Code.

For purposes of this Section 2.14, those Lenders (if any) that either have not made, or do not have an obligation under this Agreement to make, the relevant Loans in dollars shall be excluded from any determination of Required Lenders.

(c) *Illegality*. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to SOFR or Term SOFR, or to determine or charge interest rates based upon SOFR or Term SOFR, then, upon notice thereof by such Lender to the Borrower (through the Administrative Agent), (a) any obligation of such Lender to make or continue Term SOFR Loans or to convert ABR Loans to Term SOFR Loans shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Term SOFR component of the Alternate Base Rate, the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Term SOFR Loans of such Lender to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by

the Administrative Agent without reference to the Term SOFR component of the Alternate Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term SOFR Loan to such day, or immediately, if such Lender may not lawfully continue to maintain such Term SOFR Loan and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon SOFR, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.16.

SECTION 2.15. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Agent, any Lender or any Issuing Bank to any Taxes (other than (A) Indemnified Taxes and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Agent, such Lender or such Issuing Bank, as applicable, of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Agent, such Lender or such Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Agent, such Lender or such Issuing Bank hereunder (whether of principal, interest or any other amount), then the Borrower will pay to such Agent, such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Agent, such Lender or such Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered to the extent notification thereof is delivered to the Borrower as set forth in this Section 2.15.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital requirements or liquidity has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by

such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital or liquidity adequacy), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered. Each Lender will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge that will entitle such Lender to compensation pursuant to this Section 2.15; provided that the failure to provide such notification will not affect such Lender's rights to compensation hereunder.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in Section 2.15(a) or (b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section 2.15 for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided, further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding anything contained herein to the contrary, no Lender or Issuing Bank shall be entitled to any compensation pursuant to this Section 2.15 unless such Lender or Issuing Bank certifies in its reasonable good faith determination that it is imposing such charges or requesting such compensation from borrowers (similarly situated to the Borrower) under comparable syndicated credit facilities as a matter of general practice and policy.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Loan other than an ABR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Loan other than an ABR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(g) and is revoked in accordance therewith), or (d) the assignment of any Term SOFR Loan other than

on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event, but excluding any loss of margin. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

SECTION 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of the Borrower hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after making all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this Section 2.17) the Administrative Agent, Lender or Issuing Bank (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made.

(b) In addition, the Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) The Borrower shall indemnify each Agent, each Lender and each Issuing Bank, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes payable or paid by, or required to be deducted or withheld from a payment to, such Agent, such Lender or such Issuing Bank, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower hereunder or under any other Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or an Issuing Bank, or by the Administrative Agent on its own behalf or on behalf of a Lender or an Issuing Bank, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 2.17, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental

Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e)

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clauses (ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Notwithstanding the foregoing, in the case of the Borrower or any applicable Loan Party that, in each case, is not a U.S. Person, the applicable Lender will not be subject to the requirements on this Section 2.17(e)(i) unless it has received written notice from the Borrower or such other Loan Party advising it of the availability of an exemption or reduction of withholding Tax under the laws of the jurisdiction in which the Borrower or such other Loan Party is located and containing all applicable documentation (together, if requested by such Lender, with a certified English translation thereof) required to be completed by such Lender in order to receive any such exemption or reduction, and such Lender is reasonably satisfied that it is legally able to provide such documentation to the Borrower or such other Loan Party.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such

number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner.

(C) Any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient), on or prior to the date on which such Foreign Lender becomes a Lender under this

Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(D) If a payment made to a Lender under any Loan Document (or a payment made to a Participant pursuant to a participation granted by any Lender) would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender (or Participant) were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender who granted the participation only) at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent (or, in the case of a Participant, the Lender who granted the participation) such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent (or, in the case of a Participant, the Lender who granted the participation) as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Each Lender (or Participant) agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent (or, in the case of the Participant, the Lender who granted the participation) in writing of its legal inability to do so. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(f) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time

owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 2.17(f).

(g) If any Agent, Lender or Issuing Bank determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.17(g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.17(g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.17(g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17(g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Each Party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) For purposes of this Section 2.17, the term "Lender" includes any Issuing Bank and the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m. on the date when due), in immediately available funds, free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its office for payments from time to time notified in

writing to the Borrower, except payments to be made directly to an Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof, in the same form received. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate principal amount of its Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate relative amounts of principal of and accrued interest on their Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this Section 2.18(c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements and Swingline Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this Section 2.18(c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders, the Issuing Banks of the Swingline Lender hereunder that the Borrower

will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, an Issuing Bank or the Swingline Lender, as the case may be, the amount due. With respect to any payment that the Administrative Agent makes for the account of the Lenders, any Issuing Bank or the Swingline Lender hereunder as to which the Administrative Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the "Rescindable Amount"): (i) the Borrower or any other Loan Party has not in fact made such payment, (ii) the Administrative Agent has made a payment in excess of the amount so paid by the Borrower or any other Loan Party (whether or not then owed), or (iii) the Administrative Agent has for any reason otherwise erroneously made such payment, then, in any such case, each of the Lenders, the Issuing Banks and the Swingline Lender, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount so distributed to such Lender, such Issuing Bank, or the Swingline Lender, as the case may be, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.18(d) shall be conclusive, absent manifest error.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(e), 2.05(d) or (e), 2.06(b), 2.18(d) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) To the extent not paid by the Borrower when due, the Administrative Agent, without any request being made by, and without notice to or consent from, the Borrower, may advance any interest, fee, or other payment required under any Loan Document to which any Secured Party is entitled and may charge the same to the Administrative Agent's loan account for the Revolving Facility notwithstanding any failure to satisfy the conditions set forth in Section 4.02; provided that such charges do not cause the Total Revolving Outstandings to exceed the Total Revolving Commitments. Such action on the part of the Administrative Agent shall not constitute a waiver of the Administrative Agent's rights and the Borrower obligations, if any, under Section 2.11(b). Any amount which is added to the principal balance of the Administrative Agent's loan account for the Revolving Facility as provided in this Section 2.18(f) shall bear interest at the interest rate then and thereafter applicable to ABR Revolving Loans.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to

assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender has become a Defaulting Lender or (iv) any Lender refuses to consent to any amendment or waiver of any Loan Document requested by the Borrower that requires the consent of all Lenders (or all Lenders within a specified Class), and such amendment or waiver is consented to by the Required Lenders (or the requisite majority of Lenders with respect to a specified Class), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and, if a Revolving Commitment is being assigned, the Issuing Banks and the Swingline Lender), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 2.20. Reserves. The establishment or increase of any reserves against the ABL Borrowing Base Amount or the FILO Borrowing Base Amount based on the Borrowing Base Factors will be limited to the exercise by the Administrative Agent of its commercially reasonable judgment, and shall be made upon at least two (2) Business Days' prior written notice (which may be made by e-mail) to the Borrower (which written notice will include a reasonably detailed description of the reserve being established or increased); provided that, notwithstanding the foregoing to the contrary, no such prior written notice shall be required (i) for changes to any reserves resulting solely by virtue of mathematical calculations of the amount of the reserves in accordance with the methodology of calculation previously utilized, (ii) with respect to any establishment of, or adjustment to, the Deleveraging Reserve or (iii) if an Event of Default is continuing; provided, further, that,

during such two (2) Business Day period, (i) the Borrower agrees that the Borrower shall not be entitled to borrow Loans or request any issuance or increase of any Letters of Credit (A) to the extent the making of any such Loans or issuance or increase of any such Letters of Credit, would cause the Total Revolving Outstandings to exceed the ABL Borrowing Base Amount (determined as if such new or modified reserves were in effect) or (B) to the extent a Default under Section 6.12 (compliance therewith being determined as if such new or modified reserves were in effect) would immediately result, and (ii) the Administrative Agent shall be available to discuss any such reserve or modification to a reserve with the Borrower, and the Borrower may take any action that may be required so that the event, condition or matter that is the basis for such reserve or modification no longer exists or exists in a manner that would result in the establishment of a lower reserve or result in a lesser increase in any existing reserve, in each case, in a manner and to the extent reasonably satisfactory to the Administrative Agent. Notwithstanding anything to the contrary herein, (x) the amount of any reserve or change established in connection with the Borrowing Base Factors shall have a reasonable relationship to the event, condition or other matter that is the basis for such reserve or such change and (y) no reserves or changes shall be duplicative of reserves or changes already accounted for through eligibility criteria or advance rates.

SECTION 2.21. Revolving Commitment Increases; FILO Incremental Facilities.

(a) *Revolving Facility Increases*. At any time after the Closing Date, the Borrower may, by written notice to the Administrative Agent (which shall promptly deliver a copy to each of the Lenders), request at any time or from time to time increases in the amount of the Revolving Commitments; provided that (i) the aggregate amount of each such increase pursuant to this Section 2.21(a) (each, a "Revolving Commitment Increase") shall be in an aggregate principal amount that is not less than $25,000,000 (provided that such amount may be less than $25,000,000 if such amount represents all remaining Incremental Availability at such time), (ii) the amount of any requested Revolving Commitment Increase shall not exceed the Incremental Availability at such time, and (iii) each such Revolving Commitment Increase shall be subject to the conditions set forth in Section 2.21(c) and shall be documented as set forth in this Section 2.21. Each notice from the Borrower pursuant to this Section 2.21(a) shall set forth the requested amount and proposed terms of the relevant Revolving Commitment Increase. Revolving Commitment Increases may be provided by any existing Revolving Lender (it being understood that no existing Revolving Lender will have an obligation to provide a portion of any Revolving Commitment Increase) or by any other Person constituting an Eligible Assignee (subject to any consents as would be required pursuant to Section 9.04(b)(i)(B) and (C) if such Person were becoming a Revolving Lender pursuant to Section 9.04) (any such other Person being called an "Additional Revolving Lender"). Commitments in respect of any Revolving Commitment Increases shall become Revolving Commitments (or in the case of a Revolving

Commitment Increase to be provided by an existing Revolving Lender, an increase in such Revolving Lender's Revolving Commitments) under this Agreement pursuant to an amendment (an "Incremental Revolving Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Revolving Lender agreeing to provide such Revolving Commitment, if any, each Additional Revolving Lender, if any, and the Administrative Agent. Upon each increase in the Revolving Commitments pursuant to this Section 2.21(a), (x) each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Revolving Lender providing a portion of the Revolving Commitment Increase (each a "Revolving Commitment Increase Lender") in respect of such increase, and each such Revolving Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Lender's participations hereunder in outstanding Letters of Credit and Swingline Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (i) participations hereunder in Letters of Credit, (ii) participations hereunder in Swingline Loans held by each Revolving Lender, and (iii) participations in Protective Advances held by each Revolving Lender (including each such Revolving Commitment Increase Lender) will equal the percentage of the Total Revolving Commitments represented by such Revolving Lender's Revolving Commitment (without regard to any separate Class or Classes of Revolving Commitments of all Revolving Lenders) and (y) if, on the date of such increase, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Revolving Commitment Increase be prepaid from the proceeds of additional Revolving Loans made hereunder (reflecting such increase in Revolving Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Revolving Lender in accordance with Section 2.16. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence. Each Revolving Commitment Increase shall be allocated among the Revolving Lenders providing such Revolving Commitment Increase in such manner as the Borrower may designate (in consultation with the Administrative Agent).

(b) *FILO Incremental Facilities*. At any time after the Closing Date, the Borrower may, by written notice to the Administrative Agent (which shall promptly deliver a copy to each of the Lenders), request at any time or from time to time one or more commitments to make additional FILO Loans (each such commitment, a "FILO Incremental Commitment", and such additional FILO Loans made thereunder, "FILO Incremental Loans"; any such Commitments and FILO Loans be referred to herein as a FILO Incremental Facility)[35]; provided that (i) the aggregate amount of each FILO Incremental Facility shall be in an aggregate principal amount that is not less than $10,000,000 (provided that such amount may be less than $10,000,000 if such amount represents all remaining Incremental Availability at such time), (ii) the amount of any requested FILO Incremental Facility shall not exceed the Incremental Availability at such time, (iii) each such FILO Incremental Facility shall be subject to the conditions set forth in Section 2.21(c) and shall be documented as set forth in this Section 2.21,

[35] ~~Note to Draft – Additional FILO capacity, including potential capacity for junior FILO structure, remains subject to discussion.~~

and (vi) after giving effect to any FILO Incremental Facility, the All-in Advance Rate Requirement is satisfied. Each notice from the Borrower pursuant to this Section 2.21(b) shall set forth the requested amount and proposed terms of the relevant Incremental FILO Facility. A FILO Incremental Facility may be provided by any existing Lender (it being understood that no existing Lender will have an obligation to provide a portion of any FILO Incremental Facility) or by any other Person constituting an Eligible Assignee (subject to any consents as would be required pursuant to Section 9.04(b)(i)(B) and (C) if such Person were becoming a FILO Lender pursuant to Section 9.04) (any such other Person being called an "Additional FILO Lender"), in each case, on terms permitted in this Section 2.21(b) and otherwise on terms reasonably acceptable to the Administrative Agent. Each FILO Incremental Facility shall be effectuated under this Agreement pursuant to an amendment (an "Incremental FILO Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender agreeing to provide such FILO Incremental Facility, if any, each Additional FILO Lender, if any, and the Administrative Agent. Each FILO Incremental Facility shall be allocated among the Lenders providing such FILO Incremental Facility in such manner as the Borrower may designate (in consultation with the Administrative Agent).

(c) *Conditions to Effectiveness of Facility Increases*. The effectiveness of any Incremental Revolving Amendment or Incremental FILO Amendment shall be subject to (i) the satisfaction on the date thereof of each of the conditions set forth in Sections 4.02(b) and (c) (it being understood that all references to "such Borrowing or issuance" or similar language in such Sections shall be deemed to refer to the effective date of such Incremental Revolving Amendment or Incremental FILO Amendment, as applicable), (ii) the receipt of opinions and certificates corresponding to those opinions and certificates delivered pursuant to Sections 4.01(e) through (i), in each case, unless waived by the Administrative Agent, and (iii) the satisfaction of such other conditions as the parties thereto shall agree.

(d) *Terms of Facility Increases*.

(i) Any Revolving Commitment Increase shall be documented as an increase to the existing Class of Revolving Commitments then having the latest Revolving Maturity Date and shall be on terms identical to those applicable to such existing Class of Revolving Commitments, except with respect to any commitment, arrangement, upfront or similar fees that may be agreed to among the Borrower and the Revolving Lenders or Additional Revolving Lenders agreeing to participate in such Revolving Commitment Increase.

(ii) Any FILO Incremental Facility shall be on terms identical to those applicable to the then-existing FILO Loans, except with respect to any arrangement, upfront or similar fees that may be agreed to among the Borrower and the FILO Lenders or Additional FILO Lenders agreeing to provide such FILO Incremental Facility; provided, however, that any FILO Facility may have (A) different interest terms and (B) so long as after giving effect to all FILO Facilities, the All-In Advance Rate Requirement is satisfied, different advance rates for any applicable assets included in the "borrowing base" governing such FILO Facility

as may be agreed to among the Borrower, the Administrative Agent and the FILO Lenders or Additional FILO Lenders agreeing to provide such FILO Facility.

(iii) In addition to the foregoing, (A) no Revolving Commitment Increase or FILO Incremental Facility, nor any related obligations, may be (1) guaranteed by any Person other than the Loan Parties or (2) secured by any assets other than Collateral, (B) the final maturity of any Revolving Commitment Increase or FILO Incremental Facility shall be no earlier than the Latest Maturity Date applicable to any existing Class of Loans or Commitments, (C) as between the Revolving Facility and the FILO Facility, all proceeds from the liquidation or other realization of the Collateral or application of funds shall be applied first, to the Revolving Facility, and second, to the FILO Facility (in the manner contemplated by Section 7.02), (C) the Required Lenders shall exercise control of remedies in respect of the Collateral, and (D) no changes adversely affecting the priority status of the obligations under any Facility relative to the obligations under any other Facility may be made without the consent of each the Lenders in each Class adversely affected thereby.

(f) *Notice of Amendments; Conflicting Provisions*. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Revolving Amendment and Incremental FILO Amendment. Each Incremental Revolving Amendment and Incremental FILO Amendment may, without the consent of any Lenders (other than the Lenders party thereto pursuant Section 2.21(a) or (b), as applicable), effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of (and without limiting any restrictions set forth in) this Section 2.21. This Section 2.21 shall supersede any provisions in Section 2.09, 2.18 or 9.02 to the contrary, and the requirements of any other provision of this Agreement or any other Loan Document that may otherwise prohibit any transaction contemplated by this Section 2.21.

SECTION 2.22. Extensions of Loans and Commitments.

(a) *Extension of Revolving Commitments*.

(i) *Generally*. The Borrower may at any time and from time to time request that all or a portion of the Revolving Commitments of a given Class (each, an "Existing Revolving Tranche") be amended to extend the Revolving Maturity Date with respect to all or a portion of any principal amount of such Revolving Commitments (any such Revolving Commitments which have been so amended, "Extended Revolving Commitments") and to provide for other terms consistent with this Section 2.22(a); provided that there shall be no more than two (2) Classes of Revolving Loans and Revolving Commitments outstanding at any time. In order to establish any Extended Revolving Commitments, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Revolving Lenders under the applicable Existing Revolving Tranche) (each, a "Revolving Extension Request") setting forth the proposed terms (which shall be determined in consultation with the

Administrative Agent) of the Extended Revolving Commitments to be established, which shall (x) be identical as offered to each Revolving Lender under such Existing Revolving Tranche (including as to the proposed interest rates and fees payable) and offered pro rata to each Revolving Lender under such Existing Revolving Tranche and (y) be identical to the Revolving Commitments under the Existing Revolving Tranche from which such Extended Revolving Commitments are to be amended, except that: (i) the Revolving Maturity Date of the Extended Revolving Commitments shall be later than the Revolving Maturity Date of the Revolving Commitments of such Existing Revolving Tranche, (ii) the Revolving Extension Amendment may provide for other covenants and terms that (A) apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Revolving Extension Amendment (immediately prior to the establishment of such Extended Revolving Commitments) or (B) are reasonably satisfactory to the Administrative Agent and the Borrower to incorporate such more restrictive provisions for the benefit of the Lenders (which amendment shall, notwithstanding any provision herein to the contrary, not require the consent of any Lender) and (iii) all borrowings under the Revolving Commitments and repayments thereunder shall be made on a pro rata basis (except for (A) payments of interest and fees at different rates on Extended Revolving Commitments (and related outstandings) and (B) repayments required upon the Revolving Maturity Date (or at the maturity, upon acceleration or otherwise, of) of the Class of non-extending Revolving Commitments); provided, further, that (1) the conditions precedent set forth in Sections 4.02(b) and (c) shall be satisfied as of the date of such Revolving Extension Amendment and at the time when any Revolving Loans are made in respect of any Extended Revolving Commitment, (2) in no event shall the final maturity date of any Extended Revolving Commitments of a given Revolving Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Revolving Commitments hereunder, (3) any such Extended Revolving Commitments (and the Liens securing the same) shall be permitted by the terms of each Acceptable Intercreditor Agreement then in effect, and (4) all documentation in respect of the such Revolving Extension Amendment shall be consistent with the foregoing. Any Extended Revolving Commitments effected pursuant to any Revolving Extension Request shall be designated a series (each, a "Revolving Extension Series") of Extended Revolving Commitments for all purposes of this Agreement; provided that any Extended Revolving Commitments amended from an Existing Revolving Tranche may, to the extent provided in the applicable Revolving Extension Amendment, be designated as an increase in any previously established Revolving Extension Series with respect to such Existing Revolving Tranche.

(ii) *Revolving Extension Request*. The Borrower shall provide the applicable Revolving Extension Request at least ten (10) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the date on which Revolving Lenders under the Existing Revolving Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to

accomplish the purposes of this Section 2.22(a). No Revolving Lender shall have any obligation to agree to provide any Extended Revolving Commitment pursuant to any Revolving Extension Request. Any Revolving Lender (each, an "Extending Revolving Lender") wishing to have all (but not less than all) of its Revolving Commitments under the Existing Revolving Tranche subject to such Revolving Extension Request amended into Extended Revolving Commitments shall notify the Administrative Agent (each, a "Revolving Extension Election") on or prior to the date specified in such Revolving Extension Request of the Revolving Commitments under the Existing Revolving Tranche which it has elected to request be amended into Extended Revolving Commitments (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of Revolving Commitments under the Existing Revolving Tranche in respect of which applicable Revolving Lenders shall have accepted the relevant Revolving Extension Request exceeds the amount of Extended Revolving Commitments requested to be extended pursuant to the Revolving Extension Request, Revolving Commitments subject to Revolving Extension Elections shall be amended to reflect allocations of the Extended Revolving Commitments, which Extended Revolving Commitments shall be allocated as agreed by Administrative Agent and the Borrower.

(iii) *New Revolving Commitment Lenders*. Following any Revolving Extension Request made by the Borrower in accordance with this Section 2.22(a), if the Revolving Lenders shall have declined to agree during the period specified in Section 2.22(a)(ii) above to provide Extended Revolving Commitments in an aggregate principal amount equal to the amount requested by the Borrower in such Revolving Extension Request, the Borrower may request that banks, financial institutions or other institutional lenders or investors other than the existing Revolving Lenders or Extending Revolving Lenders (the "New Revolving Commitment Lenders"), which New Revolving Commitment Lenders may elect to provide an Extended Revolving Commitment hereunder; provided that such Extended Revolving Commitments of such New Revolving Commitment Lenders (A) shall be in an aggregate principal amount for all such New Revolving Commitment Lenders not to exceed the aggregate principal amount of Extended Revolving Commitments so declined to be provided by the existing Revolving Lenders and (B) shall be on identical terms to the terms applicable to the terms specified in the applicable Revolving Extension Request (and any Extended Revolving Commitments provided by existing Revolving Lenders in respect thereof); provided, further, that as a condition to the effectiveness of any Extended Revolving Commitment of any New Revolving Commitment Lender, the Administrative Agent, each Issuing Bank and the Swingline Lender shall have consented (such consent not to be unreasonably withheld or delayed) to each New Revolving Commitment Lender if such consent would be required under Section 9.04 for an assignment of Revolving Commitments to such Person and such Person shall otherwise constitute an Eligible Assignee. Notwithstanding anything herein to the contrary, any Extended Revolving Commitment provided by New Revolving Commitment Lenders shall be pro rata to each New Revolving Commitment Lender. Upon effectiveness of

the Revolving Extension Amendment to which each such New Revolving Commitment Lender is a party, (A) the Revolving Commitments of all existing Revolving Lenders of each Class specified in the Revolving Extension Amendment in accordance with this Section 2.22(a) will be permanently reduced pro rata by an aggregate amount equal to the aggregate principal amount of the Extended Revolving Commitments of such New Revolving Commitment Lenders and (B) the Revolving Commitment of each such New Revolving Commitment Lender will become effective. The Extended Revolving Commitments of New Revolving Commitment Lenders will be incorporated as Revolving Commitments hereunder in the same manner in which Extended Revolving Commitments of existing Revolving Lenders are incorporated hereunder pursuant to this Section 2.22(a), and for the avoidance of doubt, all Borrowings and repayments of Revolving Loans from and after the effectiveness of such Revolving Extension Amendment shall be made pro rata across all Classes of Revolving Commitments including such New Revolving Commitment Lenders (based on the outstanding principal amounts of the respective Classes of Revolving Commitments) except for (x) payments of interest and fees at different rates for each Class of Revolving Commitments (and related Outstanding Amounts) and (y) repayments required on the Revolving Maturity Date for (or at the maturity, upon acceleration or otherwise, of) any particular Class of Revolving Commitments. Upon the effectiveness of each Extended Revolving Commitment pursuant to this Section 2.22(a)(iii), (a) each Revolving Lender of all applicable existing Classes of Revolving Commitments immediately prior to such effectiveness will automatically and without further act be deemed to have assigned to each New Revolving Commitment Lender, and each such New Revolving Commitment Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender's participations hereunder in outstanding Letters of Credit and Swingline Loans such that, after giving effect to each such deemed assignment and assumption of participations, subject to Section 2.23, the percentage of the outstanding (i) participations hereunder in Letters of Credit, (ii) participations hereunder in Swingline Loans, and (iii) participations in Protective Advances held by each Revolving Lender held by each Revolving Lender of each Class of Revolving Commitments (including each such New Revolving Commitment Lender) will equal the percentage of the Total Revolving Commitments of all Classes of Revolving Lenders represented by such Revolving Lender's Revolving Commitment (without regard to any separate Class or Classes of) Revolving Commitments of all Revolving Lenders and (b) if, on the date of such effectiveness, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Extended Revolving Commitment be prepaid from the proceeds of Revolving Loans made hereunder under the Extended Revolving Commitments, which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Revolving Lender in accordance with Section 2.16. The Administrative Agent and the Revolving Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained

elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(iv) *Revolving Extension Amendment*. Extended Revolving Commitments shall be established pursuant to an amendment (each, a "Revolving Extension Amendment") to this Agreement among the Borrower, each Extending Revolving Lender and each New Revolving Commitment Lender, if any, providing an Extended Revolving Commitment thereunder, and the Administrative Agent, which shall be consistent with the provisions set forth in sub-sections (i), (ii) and (iii) of this Sections 2.22(a) (but which shall not require the consent of any other Lender). The effectiveness of any Revolving Extension Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Sections 4.02(b) and (c).

(v) *Conversions*. No conversion of Revolving Loans pursuant to any Revolving Extension in accordance with this Section 2.22(a) shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(b) Extension of FILO Loans.

(i) *Generally*. The Borrower may at any time and from time to time request that all or a portion of the FILO Loans of a given Class (each, an "Existing FILO Tranche") be amended to extend the applicable FILO Maturity Date with respect to all or a portion of any principal amount of such FILO Loans (any such FILO Loans which have been so amended, "Extended FILO Loans") and to provide for other terms consistent with this Section 2.22(b); provided that, without the Administrative Agent's consent, there shall be no more than two (2) Classes of FILO Loans. In order to establish any Extended FILO Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the FILO Lenders under the applicable Existing FILO Tranche) (each, a "FILO Extension Request") setting forth the proposed terms (which shall be determined in consultation with the Administrative Agent) of the Extended FILO Loans, which shall (x) be identical as offered to each FILO Lender under such Existing FILO Tranche (including as to the proposed interest rates and fees payable) and offered pro rata to each FILO Lender under such Existing FILO Tranche and (y) be identical to the FILO Loans under the Existing FILO Tranche from which such Extended FILO Loans are to be amended, except that: (i) the FILO Maturity Date of the Extended FILO Loans shall be later than the FILO Maturity Date of the FILO Loans of such Existing FILO Tranche, (ii) the FILO Extension Amendment may provide for other covenants and terms that (A) apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the FILO Extension Amendment (immediately prior to the establishment of such Extended FILO Loans) or (B) are reasonably satisfactory to the Administrative Agent and the Borrower to incorporate such more restrictive provisions for the benefit of the Lenders (which amendment shall, notwithstanding any provision herein to the contrary, not require the consent of any Lender), and (iii) all repayments of FILO Loans shall be made on a pro rata

basis (except for (A) payments of interest and fees at different rates on Extended FILO Loans and (B) repayments required upon the FILO Maturity Date for (or at the maturity, upon acceleration or otherwise, of) the non-extending Class of FILO Loans); provided, further, that (1) the conditions precedent set forth in Section 4.02(b) and (c) shall be satisfied as of the date of such FILO Extension Amendment, (2) in no event shall the final maturity date of any Extended FILO Loans of a given FILO Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other FILO Loans hereunder, (3) any such Extended FILO Loans (and the Liens securing the same) shall be permitted by the terms of each Acceptable Intercreditor Agreement then in effect, and (4) all documentation in respect of the such FILO Extension Amendment shall be consistent with the foregoing. Any Extended FILO Loans amended pursuant to any FILO Extension Request shall be designated a series (each, a "FILO Extension Series") of Extended FILO Loans for all purposes of this Agreement.

(ii) *FILO Extension Request*. The Borrower shall provide the applicable FILO Extension Request at least ten (10) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the date on which Lenders under the Existing FILO Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to accomplish the purposes of this Section 2.22(b). No FILO Lender shall have any obligation to agree to extend any FILO Loan pursuant to any FILO Extension Request. Any FILO Lender (each, an "Extending FILO Lender") wishing to have all (but not less than all) of its FILO Loans under the Existing FILO Tranche subject to such FILO Extension Request amended into Extended FILO Loans shall notify the Administrative Agent (each, a "FILO Extension Election") on or prior to the date specified in such FILO Extension Request of the FILO Loans under the Existing FILO Tranche which it has elected to request be amended into Extended FILO Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of FILO Loans under the Existing FILO Tranche in respect of which applicable FILO Lenders shall have accepted the relevant FILO Extension Request exceeds the amount of Extended FILO Loans requested to be extended pursuant to the FILO Extension Request, FILO Loans subject to FILO Extension Elections shall be amended to reflect allocations of the Extended FILO Loans, which Extended FILO Loans shall be allocated as agreed by Administrative Agent and the Borrower.

(iii) *FILO Extension Amendment*. Extended FILO Loans shall be established pursuant to an amendment (each, a "FILO Extension Amendment") to this Agreement among the Borrower, each Extending FILO Lender, and the Administrative Agent, which shall be consistent with the provisions set forth in sub-sections (i) and (ii) of this Sections 2.22(b) (but which shall not require the consent of any other Lender). The effectiveness of any FILO Extension

Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02(b) and (c).

(c) ~~(g)~~ Notice of Amendments; Conflicting Provisions. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Revolving Extension Amendment and each FILO Extension Amendment. Each Revolving Extension Amendment and each FILO Extension Amendment may, without the consent of any Lenders (other than the Lenders party thereto pursuant to Section 2.22(a)(iv) or Section 2.22(b)(iii), as applicable), effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.22. This Section 2.22 shall supersede any provisions in Section 2.09, 2.18 or 9.02 to the contrary, and the requirements of any other provision of this Agreement or any other Loan Document that may otherwise prohibit any transaction contemplated by this Section 2.22.

SECTION 2.23. Defaulting Lenders.

(a) *Defaulting Lender Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. The Commitments, FILO Loans and Revolving Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders, Required FILO Lenders, Required Revolving Lender, Supermajority FILO Lenders, Supermajority Revolving Lenders or any other requisite Lenders have taken or may take any action hereunder or under any other Loan Document (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders affected thereby shall, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to each Issuing Bank or the Swingline Lender; *third*, to Cash Collateralize each Issuing Bank's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.05(n); *fourth*, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*,

if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Bank's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.05(n); *sixth*, to the payment of any amounts owing to the Lenders or the Issuing Bank as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the Issuing Bank against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit and Swingline Loans are held by the Lenders pro rata in accordance with the Commitments without giving effect to Section 2.23(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.23(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee pursuant to Section 2.12(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive fees in respect of Letters of Credit pursuant to Section 2.12(b) in respect of its participations in Letters of Credit for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.05(n).

(C) With respect to any participation fee in respect of Letters of

Credit not required to be paid to any Defaulting Lender pursuant to clause (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the Issuing Bank, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to the Issuing Bank's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in LC Exposure and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Exposure of any Non-Defaulting Lender to exceed such Lender's Revolving Commitment. Subject to Section 9.18, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swingline Loans. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under applicable law, (a) first, prepay Swingline Loans in an amount equal to the Swingline Lender's Fronting Exposure in respect of the Defaulting Lender and (b) second, Cash Collateralize the Issuing Bank's Fronting Exposure in respect of the Defaulting Lender in accordance with the procedures set forth in Section 2.05(n).

(b) *Defaulting Lender Cure*. If the Borrower, the Administrative Agent, each Swingline Lender and the Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held pro rata by the Lenders in accordance with the Commitments (without giving effect to Section 2.23(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting

Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) *New Swingline Loans/Letters of Credit*. So long as any Lender is a Defaulting Lender, (i) each Swingline Lenders shall not be required to fund any Swingline Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swingline Loan and (ii) the Issuing Bank shall not be required to issue, amend, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

SECTION 2.24. Protective Advances.

(a) Notwithstanding anything to the contrary contained in this Agreement, the Administrative Agent may, in its sole discretion, elect to make, or permit to remain outstanding any Protective Advance. If a Protective Advance is made, or permitted to remain outstanding, pursuant to the preceding sentence, then all Revolving Lenders shall be bound to make, or permit to remain outstanding, such Protective Advance based upon their Applicable Revolving Percentage in accordance with the terms of this Agreement, regardless of whether the conditions to lending set forth in Section 4.02 have been met. A Protective Advance may be made as a Revolving Loan, a Swingline Loan or as an issuance of a Letter of Credit and each Revolving Lender (including the Swingline Lender) and each Issuing Bank, as applicable, agrees to make any such requested Revolving Loan, Swingline Loan or Letter of Credit available to the Borrower. The obligation of each Revolving Lender (including the Swingline Lender) and each Issuing Bank, as applicable, to participate in each Protective Advance shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right which such Person may have against any other Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default, or (iii) any other occurrence, event or condition. The making or sufferance of any such Protective Advance on any one occasion shall not obligate the Administrative Agent or any Revolving Lender to make or permit any Protective Advance on any other occasion. No funding of a Protective Advance or sufferance of a Protective Advance shall constitute a waiver by the Administrative Agent or the Lenders of any Event of Default caused thereby. In no event shall the Borrower or other Loan Party be deemed a beneficiary of this Section 2.24 nor authorized to enforce any of its terms. The Required Revolving Lenders may, upon not less than five (5) Business Days prior written notice, revoke the authority of the Administrative Agent to make further Protective Advances.

(b) No Protective Advance shall modify or abrogate any of the provisions of (i) Section 2.05 regarding the Revolving Lenders' obligations to reimburse any LC Disbursement and to purchase participations with respect to LC Disbursements, respectively, or (ii) Section 2.04 regarding the Revolving Lenders' obligations with respect to participations in applicable Swingline Loans and settlements thereof. Notwithstanding anything herein to the contrary, no event or circumstance shall result in any claim or liability against the Administrative Agent for any "inadvertent Overadvances" resulting from changed circumstances beyond the control of the Administrative Agent (such as result of a reduction in the value of Collateral included in the ABL Borrowing Base Amount or the FILO Borrowing Base Amount or the implementation or a fluctuation in the amount of any reserves or the FILO Push-Down Reserve),

and such "inadvertent Overadvances" shall not reduce the amount of Protective Advances allowed hereunder.

(c) All Protective Advances shall be payable by the Borrower on demand by the Administrative Agent or the Required Revolving Lenders. All Overadvances (other than Overadvances constituting Protective Advances) shall be payable in accordance with the requirements of Section 2.11(b)(i). All Protective Advances and Overadvances shall constitute Obligations secured by the Collateral and entitled to all benefits of the Loan Documents.

ARTICLE III

Representations and Warranties

The Borrower represents and warrants to the Lenders that:

SECTION 3.01. Organization; Powers. Each of the Borrower and the Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02. Authorization; Enforceability. The Transactions to be entered into by each Loan Party are within such Loan Party's corporate powers and have been duly authorized by all necessary corporate, limited liability company or similar action and, if required, stockholder, member or similar action. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of the Borrower or such Subsidiary Loan Party (as the case may be), enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, (i) except such as have been obtained or made and are in full force and effect (including entry of the Plan Confirmation Order by the Bankruptcy Court) or are not necessary for the Debtors' emergence from the Chapter 11 Cases and (ii)

except filings necessary to perfect Liens created under the Loan Documents, (b) will not violate any applicable law or regulation or any order of any Governmental Authority, except for such violations that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, (c) will not violate the charter, by-laws or other organizational documents of the Borrower or any of the Subsidiaries, (d) will not violate or result in a default under any indenture, agreement or other instrument evidencing or governing Indebtedness or any other material agreement binding upon the Borrower or any Subsidiary or its assets, or give rise to a right thereunder to require any payment to be made by the Borrower or any Subsidiary, and (e) will not result in the creation or imposition of any Lien on any asset of the Borrower or any Subsidiary, except Liens permitted pursuant to Section 6.02(a), (c) and (d).

SECTION 3.04. Financial Condition; No Material Adverse Effect.

(a) The Pro Forma Financial Statements delivered to the Administrative Agent on or prior to the Closing Date were prepared based on good faith estimates and assumptions made by the management of the Borrower (and in conformity with GAAP) and fairly present, in all material respects, the estimated financial position, on a consolidated and pro forma basis, of the Borrower and its Subsidiaries as at the date thereof, subject to changes resulting from audit and normal year-end adjustments and assuming that the Transactions had actually occurred on the date thereof or at the beginning of the period covered thereby, as the case may be.

(b) As of the Closing Date, the Financial Performance Projections delivered to the Administrative Agent on or prior to the Closing Date are based on good faith estimates and assumptions made by the management of the Borrower; provided that the Financial Performance Projections are not to be viewed as facts, the Financial Performance Projections are subject to significant uncertainties, actual results during the period or periods covered by the Financial Performance Projections may differ materially from the projected results and no assurance can be given that the projected results will be realized.

(c) Except as disclosed (i) in the Pro Forma Financial Statements or the notes thereto or (ii) on Schedule 3.04, after giving effect to the Plan of Reorganization and the Plan Confirmation Order and the other Transactions on the Closing Date, none of the Borrower or the Subsidiaries has, as of the Closing Date, any material contingent liabilities, unusual long-term loan commitments or unrealized losses.

(d) The initial Cash Flow Forecast ~~is attached to this Agreement as Annex II-A~~, which was furnished to the Administrative Agent on or prior to the Closing Date, and each subsequent Cash Flow Forecast delivered in accordance with Section 5.19, has been (or when delivered, will be) prepared by the Borrower (after consultation with the Company Financial Advisors (to the extent such Company Financial Advisors continue to be retained as required by

this Agreement)) in good faith, with due care and based upon assumptions the Borrower believed to be reasonable assumptions on the date of delivery of the then applicable Cash Flow Forecast. To the knowledge of the Borrower, as of the Closing Date, no facts exist that, individually or in the aggregate, would result in any material change to the Cash Flow Forecast for the period covered thereby.

(e) Since the Closing Date, there has not occurred any Material Adverse Effect.

SECTION 3.05. Properties.

(a)

(i) Each of the Borrower and the Subsidiaries has good and marketable title to, or valid leasehold interests in, all its real and personal property material to its business, except (A) for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes and (B) as set forth on Schedule 3.05(a)(1).

(ii) Schedule 3.05(a)(2) sets forth (A) the address (including street address and state) of all Owned Real Estate and (B) the nature of use of such Owned Real Estate. None of the Owned Real Estate is subject to any lease, license, sublease, assignment of leases or deed of trust, except as otherwise set forth on such Schedule 3.05(a)(2).

(iii) Schedule 3.05(a)(3) sets forth (A) the address (including street address and state) of all Ground-Leased Real Estate and (B) the nature of use of such Ground-Leased Real Estate. No default by a Loan Party or any Subsidiary thereof has occurred and is continuing under any lease pursuant to which a Loan Party leases Ground-Leased Real Estate beyond any applicable notice or cure period, the result of which default would result in termination of such lease or otherwise permit the ground lessor to terminate such ground lease, except to the extent set forth on Schedule 3.05(a)(3).

All such real and personal property are free and clear of all Liens, other than Liens permitted by Section 6.02.

(b) Each of the Borrower and the Subsidiaries owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and the Subsidiaries does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(c) Schedule 3.05(c) sets forth the address of every Store, warehouse or distribution center of the Borrower and its Subsidiaries in which Inventory that is included in the determination of the ABL Borrowing Base Amount or the FILO Borrowing Base Amount is located as of the Closing Date.

SECTION 3.06. Litigation and Environmental Matters.

(a) After giving effect to the Plan Confirmation Order and the Plan of Reorganization, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of the Subsidiaries (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any of the Loan Documents or the Transactions.

(b) Except as set forth on Schedule 3.06(b) and except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any of the Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

(c) Except as set forth on Schedule 3.06(c), and except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (i) Hazardous Materials have not been released, discharged or disposed of, on any property currently or, to the knowledge of any Loan Party, formerly owned or operated by any Loan Party or any Subsidiary thereof and (ii) neither the Borrower nor any of the Subsidiaries are undertaking any investigation or assessment or remedial or response action relating to any actual or threatened release, discharge or disposal of Hazardous Materials at any site, location or operation, either voluntarily or pursuant to the order of any Governmental Authority or the requirements of any Environmental Law.

SECTION 3.07. Compliance with Laws and Agreements. Without limiting Section 3.20 or any other representation or warranty made herein or in any of the other Loan Documents, each of the Borrower and the Subsidiaries is in compliance with (i) all laws, regulations and orders of any Governmental Authority applicable to it or its property and (ii) after giving effect to the Plan of Reorganization and the Plan Confirmation Order, all agreements and other instruments binding upon it or its property or assets, in each case, except where the failure to be so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.08. Investment and Holding Company Status. Neither the Borrower nor any of the Subsidiaries is an "investment company" as defined in, or subject to regulation under, the Investment Company Act of 1940.

SECTION 3.09. Taxes. Each of the Borrower and the Subsidiaries has timely filed or caused to be filed all United States

Federal income Tax returns and reports and all other material Tax returns and reports required to have been filed and has paid or caused to be paid all material Taxes required to have been paid, except where the payment of any such Taxes is being contested in good faith by appropriate proceedings and for which the Borrower or such Subsidiary, as applicable, has set aside on its books adequate reserves. The charges, accruals and reserves on the books of the Borrower and its Consolidated Subsidiaries in respect of Taxes or charges imposed by a Governmental Authority are, in the opinion of the Borrower, adequate.

SECTION 3.10. ERISA. No ERISA Event has occurred or is reasonably expected to occur, except where failure to do so, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $35,000,000 the fair market value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $35,000,000 the fair market value of the assets of all such underfunded Plans.

SECTION 3.11. Disclosure; Accuracy of Information.

(a) As of the Closing Date, none of the reports, financial statements, certificates or other information, other than projections and other information of a general economic or industry-specific nature, furnished by or on behalf of any Loan Party to any Agent or any Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that, with respect to projected financial information, financial estimates, forecasts and other forward-looking information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time so furnished.

(b) Each Borrowing Base Certificate and Compliance Certificate that has been or will be delivered to the Administrative Agent or any Lender is (or when delivered, will be) complete and correct in all material respects.

SECTION 3.12. Subsidiaries. Schedule 3.12 sets forth the name of, and the ownership interest of the Borrower in, each

Subsidiary and identifies each Subsidiary that is a Subsidiary Loan Party, in each case as of the Closing Date.

SECTION 3.13. Insurance. Schedule 3.13 sets forth a description of all general liability, property and casualty insurance maintained by or on behalf of the Borrower and the Subsidiaries as of the Closing Date and all such policies of insurance are in full force and effect. The Borrower and the Subsidiaries have third-party insurance in such amounts and covering such risks and liabilities as are in accordance with normal industry practice for similarly situated Persons. The Borrower reasonably believes that the insurance maintained by or on behalf of the Borrower and the Subsidiaries is adequate.

SECTION 3.14. Labor Matters. ARTICLE VIII

Rights of Agents

SECTION 8.01. Appointment and Authority of Agents.

(a) Each of the Lenders and the Issuing Banks hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article VIII are solely for the benefit of the Administrative Agent, the other Agents, the Lenders, the Swingline Lender and the Issuing Banks, and the Borrower shall not have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) Bank of America shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders (including in its capacities as a potential counterparty to a

Cash Management Agreement and/or provider of Bank Products) and the Issuing Banks hereby irrevocably appoints and authorizes Bank of America to act as the agent of such Lender and the Issuing Banks in such capacities for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, Bank of America in its capacity as Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to the terms hereof for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent), shall be entitled to the benefits of all provisions of this Article VIII and Article IX (including Section 9.03(c), as though such co-agents, sub-agents and attorneys-in-fact were the "Collateral Agent" under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 8.02. Rights as a Lender. Each financial institution serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such financial institutions and their Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or any Affiliate of any of the foregoing as if they were not Agents hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03. Exculpatory Provisions. No Agent shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Loan Documents that such Agent is required to exercise in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law and (c) except as expressly set forth in the Loan Documents, no Agent shall have any duty to disclose, and no Agent shall be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the financial institution serving as such Agent or any of its Affiliates in any

capacity. No Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct (as determined by a court of competent jurisdiction by final and non-appealable judgment). No Agent shall be deemed to have knowledge of any Default unless and until written notice thereof is given to such Agent by the Borrower, a Lender or an Issuing Bank, as applicable, and no Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent.

SECTION 8.04. Reliance by the Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or such Issuing Bank prior to the making of such Loan or the "issuance" (as such term is defined in Section 4.02) of such Letter of Credit. Any Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05. Delegation of Duties. Each Agent may perform any and all of its duties and exercise any and all of its rights and powers by or through any one or more sub-agents appointed by

such Agent. Any Agent and any such sub-agent may perform any and all of its duties and exercise any and all of its rights and powers through their Related Parties. The exculpatory provisions of this Article VIII shall apply to any such sub-agent and to the Related Parties of any Agent and any such sub-agent, and shall apply to their activities in connection with the syndication of the credit facilities provided for herein as well as activities as an Agent. No Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 8.06. Resignation or Removal of an Agent.

(a) Subject to any limitations and requirements set forth in the Collateral Documents, any Agent may at any time give notice of its resignation to the Lenders, the Issuing Banks and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower and with the consent of the Required FILO Lenders (to the extent any FILO Loans shall be outstanding at such time), to appoint a successor acting in the same capacity as the resigning Agent, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders, and, if applicable the Required FILO Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to) on behalf of the Lenders and the Issuing Banks, appoint a successor Agent meeting the qualifications set forth above; provided that in no event shall any such successor Agent be a Defaulting Lender. Whether or not a successor has been appointed, such resignation shall become effective with such notice on the Resignation Effective Date.

(b) If the Person serving as an Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may (with the consent of the Required FILO Lenders (to the extent any FILO Loans shall be outstanding at such time)), to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as an Agent and, in consultation with the Borrower and with the consent of the FILO Lenders (to the extent any FILO Loans shall be outstanding at such time), appoint a successor. If no such successor shall have been so appointed and shall have accepted such appointment within thirty (30) days (or such earlier day as shall be agreed by the Required Lenders, and, if applicable the Required FILO Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by any Agent on behalf of any of the Secured Parties under any of the Loan Documents, the retiring or removed Agent shall continue to hold such collateral security

until such time as a successor Agent is appointed to act in such capacity) and (ii) except for any indemnity payments or other amounts then owed to the retiring or removed Agent, all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and each Issuing Bank directly, until such time, if any, as the Required Lenders (and, if applicable the FILO Lenders) appoint a successor Agent as provided for above. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Agent (other than as provided in Section 2.17 and other than any rights to indemnity payments or other amounts owed to the retiring or removed Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 8.06). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article VIII and Section 9.03 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (i) while the retiring or removed Agent was acting as Agent and (ii) after such resignation or removal for as long as any of them continues to act in any capacity hereunder or under the other Loan Documents, including (a) acting as collateral agent or otherwise holding any collateral security on behalf of any of the Lenders and (b) in respect of any actions taken in connection with transferring the agency to any successor Agent. Notwithstanding anything to the contrary contained herein, any resignation or removal of the Collateral Agent pursuant to the terms hereof shall be subject to the terms, conditions and limitations set forth in the Collateral Documents and no such resignation or removal shall be effective except to the extent made in compliance with the terms of such Collateral Documents.

(d) Any resignation or removal by Bank of America as Administrative Agent pursuant to this Section 8.06 shall also constitute its resignation as an Issuing Bank and as Swingline Lender. If Bank of America resigns as an Issuing Bank, it shall retain all the rights, powers, privileges and duties of an Issuing Bank hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an Issuing Bank and all Obligations in respect of Letters of Credit, including the right to require the Revolving Lenders to make Revolving Loans or fund risk participations in unreimbursed drawing under any Letter of Credit pursuant to Section 2.05. If Bank of America resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Revolving Lenders to make Revolving Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.04. Upon the appointment by the Borrower of a successor Issuing Bank or Swingline Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank or Swingline Lender, as applicable, (ii) the retiring Issuing Bank and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory

to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

SECTION 8.07. Reports and Financial Statements. By signing this Agreement, each Lender (and with respect to clause (a), each Secured Party):

(a) agrees to furnish the Administrative Agent at its written request, and at such frequency as the Administrative Agent may reasonably request in writing, with a summary of all Bank Product Liabilities due or to become due to such Lender or its Affiliates;

(b) is deemed to have requested that the Administrative Agent furnish such Lender, promptly after they become available, copies of (i) all financial statements (and other information) required to be delivered by the Borrower under Section 5.01, (ii) all commercial finance examinations and appraisals of the Loan Parties and the Collateral, as applicable, received by the Administrative Agent, (iii) all Borrowing Base Certificates and Compliance Certificates received by the Administrative Agent (clauses (i) through (iii), collectively, the "Reports"), and (iv) the notices delivered by the Borrower under Section 5.02, and the Administrative Agent agrees to furnish the same promptly to the Lenders (which Reports may be furnished in accordance with the final paragraph of Section 5.01);

(c) expressly agrees and acknowledges that the Administrative Agent makes no representation or warranty as to the accuracy of the Reports, and shall not be liable for any information contained in any Report;

(d) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Administrative Agent or any other party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel; and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Administrative Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any credit extensions that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in Swingline Loans and Letters of Credit, or the indemnifying Lender's purchase of, Loans of the Borrower; and (ii) to pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including Attorney Costs) incurred by the Administrative Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender in violation of the terms hereof.

SECTION 8.08. Non-Reliance on Agents and Other Lenders. Each Lender acknowledges that it has, independently and without

reliance upon any Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder.

SECTION 8.09. [Reserved].

SECTION 8.10. Acceptable Intercreditor Agreements. Each Lender, each Issuing Bank and each other Secured Party hereby (a) authorizes each Agent to enter into (i) each Acceptable Intercreditor Agreement and (ii) amendments or supplements to each Acceptable Intercreditor Agreement to the extent permitted by this Agreement and made in accordance with the applicable Acceptable Intercreditor Agreement, (b) agrees that such Person will be subject to and bound by, and will take no actions contrary to, the provisions of any Acceptable Intercreditor Agreement, and (c) agrees that each Agent may take such actions on behalf of such Person as is contemplated by the terms of any such Acceptable Intercreditor Agreement.

SECTION 8.11. No Other Duties. Anything herein to the contrary notwithstanding, none of the Arrangers, Co-Syndication Agents or Co-Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any other Loan Documents, except in its capacity, as an Agent, a Lender, an Issuing Bank or the Swingline Lender hereunder.

SECTION 8.12. Agents May File Proofs of Claim; Credit Bidding. In case of the pendency of any Bankruptcy Proceeding or any other judicial proceeding relative to any Loan Party, each Agent (irrespective of whether the principal of any Loan or LC Exposure shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether any Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such Bankruptcy Proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Secured Parties (including any claim for the reasonable compensation, expenses, disbursements and advances of the Secured Parties and their respective Related Parties

and counsel and all other amounts due the Secured Parties, including under Section 2.12 and Section 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to any Agent and, if the Agents shall consent to the making of such payments directly to the Secured Parties, to pay to each Agent any amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due such Agent under the Loan Documents, including under Section 2.12 and Section 9.03.

Nothing contained herein shall be deemed to authorize any Agent to authorize or consent to or accept or adopt on behalf of any Secured Party any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Secured Party to authorize any Agent to vote in respect of the claim of any Secured Party or in any such Bankruptcy Proceeding.

The Secured Parties hereby irrevocably authorize each Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar Debtor Relief Law in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) any Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) each Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Agents with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in ~~[~~clauses (1) through (143)~~]~~ of Section 9.02(b)), (iii) each Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without

the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

SECTION 8.13. Collateral and Guaranty Matters. Without limiting the provisions of Section 8.12, the Secured Loan Secured Parties hereby irrevocably authorize the Agents, at their option and in their discretion (subject to the terms and conditions set forth in any applicable Collateral Documents):

(a) to release any Lien on any property granted to or held by the Agents under any Loan Document (i) upon the Obligations Payment Date, (ii) constituting property being sold, transferred or disposed of in a transaction permitted under Section 6.05 (other than any such transaction constituting a sale, disposition or transfer to a Person required to grant a Lien to an Agent under the Loan Documents), subject to the conditions thereof; provided that (A) the Liens on such property securing any Material Indebtedness and any McKesson Obligations are released substantially concurrently with the release of any Lien of the Agents on such property and (B) the release of any such Lien shall not constitute a release by the Agents of any Lien on the proceeds received by any Loan Party in connection with the applicable sale, transfer or other disposition, or (iii) if approved, authorized or ratified in writing in accordance with Section 9.02 of this Agreement;

(b) (i) to release any Subsidiary Loan Party from its obligations under the Subsidiary Guarantee Agreement if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder, (ii) to release any Subsidiary Loan Party from its obligations under the Subsidiary Guarantee Agreement in connection with a transaction permitted under Section 6.03, or (iii) to terminate this Agreement and the other Loan Documents upon the occurrence of the Obligations Payment Date; provided that, in the case of clause (i) or (ii) above, such Subsidiary Loan Party is released from any Guarantee of any Material Indebtedness and any McKesson Obligations substantially concurrently with such Subsidiary Loan Party's release from its obligations under the Subsidiary Guarantee Agreement;

(c) to subordinate any Lien on any property granted to or held by any Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(i); or

(d) if any Loan Party incurs any Lien on the Collateral permitted by Section 6.02, enter into any Acceptable Intercreditor Agreement to the extent the execution of such Acceptable Intercreditor Agreement is contemplated by the terms of this Agreement in connection with such Lien;

Upon request by the Administrative Agent at any time, the Required Lenders (or, where expressly required by the terms of this Agreement, a greater proportion of the Lenders or other parties hereto as required herein) will confirm in writing each Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Subsidiary Loan Party from its obligations under the Subsidiary Guarantee Agreement pursuant to this Section 8.13. In each case as specified in this Section 8.13, each Agent will, subject to the terms and conditions set forth in the Collateral Documents, at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to release such Subsidiary Loan Party from its obligations under the Subsidiary Guarantee Agreement, in each case in accordance with the terms of the Loan Documents and this Section 8.13; provided that the Borrower shall have delivered to the Administrative Agent, at least five (5) Business Days prior to the date of the proposed execution of any document evidencing such release or subordination (or such shorter period as the Administrative Agent may agree in writing in its reasonable discretion), a written request therefor identifying the relevant Collateral or Loan Party, together with a certification by the Borrower stating that such transaction is in compliance with this Agreement and the other Loan Documents and otherwise in form and substance satisfactory to the Administrative Agent. No Agent shall be required to execute any such document on terms which, in its reasonable opinion, would, under applicable law, expose such Agent to liability or create any obligation or entail any adverse consequence other than the release of such Liens without recourse or warranty, and such release shall not in any manner discharge, affect or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of any Loan Party in respect of) all interests retained by any Loan Party, including (without limitation) the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

No Agent shall be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of any Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall any Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

SECTION 8.14. Additional Secured Parties. The benefit of the provisions of the Loan Documents directly relating to the Collateral or any Lien granted thereunder shall extend to and be available to any Secured Party that is not an Agent, a Lender or an Issuing Bank party hereto as long as, by accepting such benefits, such Secured Party agrees, as among Agents and all other Secured Parties, that such Secured Party is bound by (and, if requested by the Administrative Agent, shall confirm such agreement in a writing in form and substance reasonably acceptable to the Administrative Agent) this Article VIII and Section 2.17, Section 7.02, Section 9.02(a), Section 9.03(c), Section 9.08, Section 9.09, Section 9.13, and Section 9.16, and the decisions and actions of the Agents and the Required Lenders (or, where expressly required by the terms of this Agreement, a greater proportion of the Lenders or other parties

hereto as required herein) to the same extent a Lender is bound; provided, however, that, notwithstanding the foregoing, (a) such Secured Party shall be bound by Section 9.03(c) only to the extent of liabilities, reimbursement obligations, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements with respect to or otherwise relating to the Liens and Collateral held for the benefit of such Secured Party, in which case the obligations of such Secured Party thereunder shall not be limited by any concept of pro rata share or similar concept, (b) each of the Agents, the Lenders and the Issuing Banks party hereto shall be entitled to act at its sole discretion, without regard to the interest of such Secured Party, regardless of whether any Obligation to such Secured Party thereafter remains outstanding, is deprived of the benefit of the Collateral, becomes unsecured or is otherwise affected or put in jeopardy thereby, and without any duty or liability to such Secured Party or any such Obligation and (c) except as otherwise set forth herein and in the other Loan Documents, such Secured Party shall not have any right to be notified of, consent to, direct, require or be heard with respect to, any action taken or omitted in respect of the Collateral or under any Loan Document. Notwithstanding any other provision of this Article VIII to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, any Bank Product Liabilities.

SECTION 8.15. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any Subsidiary Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to

such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (1) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (2) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (3) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (4) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Subsidiary Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

SECTION 8.16. Recovery of Erroneous Payments. Without limitation of any other provision in this Agreement, if at any time the Administrative Agent makes a payment hereunder in error to any Lender, any Issuing Bank of the Swingline Lender (the "Applicable Credit Party"), whether or not in respect of an Obligation due and owing by the Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Applicable Credit Party receiving a Rescindable Amount severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount received by such Applicable Credit Party in immediately available funds in the currency so received, with interest thereon, for each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective

Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Each Applicable Credit Party irrevocably waives any and all defenses, including any "discharge for value" (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Administrative Agent shall inform each Applicable Credit Party promptly upon determining that any payment made to such Applicable Credit Party comprised, in whole or in part, a Rescindable Amount.

ARTICLE IX

Miscellaneous

SECTION 9.01. Notices.

(a) *Notices Generally*. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in clause (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or electronic mail as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, any Agent, Bank of America, in its capacity as Issuing Bank or the Swingline Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 9.01; and

(ii) if to any other Lender or any other Issuing Bank, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Borrower).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in clause (b) below shall be effective as provided in clauses (b) and (c) below.

(b) *Electronic Communications*. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail, FpML messaging, and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any Issuing Bank pursuant to Article II if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article II by electronic communication. Any Agent, the Swingline Lender, any Issuing Bank or the Borrower may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) *E-mail*. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(d) *The Platform*. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender, any Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's, any Subsidiary Loan Party's or any Agent's transmission of Borrower Materials or notices through the Platform, any other electronic platform or electronic messaging service, or through the Internet other than losses, claims, liabilities or expenses that are determined by a court of competent jurisdiction by final and nonappealable judgement to have resulted from the gross negligence or willful misconduct of such Agent Party.

(e) *Change of Address, Etc*. Each of the Borrower, each Agent, each Issuing Bank and the Swingline Lender may change its address, facsimile, electronic mail address or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile, electronic mail address or

telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, each Issuing Bank and the Swingline Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(f) *Reliance by Agents, Issuing Banks and Lenders*. The Agents, the Issuing Banks and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices, Borrowing Requests, Interest Election Requests, letter of credit applications and requests for swingline loans) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Issuing Bank, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower; provided, however, such indemnity will not be available for losses, costs, expenses and liabilities that are determined by a court of competent jurisdiction by final and nonappealable judgement to have resulted from the gross negligence or willful misconduct of the Administrative Agent, the Issuing Bank, the Lender or its respective Related Party. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 9.02. Waivers; Amendments.

(a) No failure or delay by any Agent, any Issuing Bank or any Lender in exercising any right, remedy, privilege or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right, remedy, privilege or power, preclude any other or further exercise thereof or the exercise of any other right, remedy, privilege or power. The rights, remedies, powers and privileges of the Agents, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights, remedies, powers or privileges that they would otherwise have (including under applicable law).

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions

and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Collateral Agent in accordance with the Security Agreement and the other Collateral Documents for the benefit of all the Secured Parties; provided, however, that the foregoing shall not prohibit (a) any Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as an Agent) hereunder and under the other Loan Documents, (b) any Issuing Bank or the Swingline Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as an Issuing Bank or Swingline Lender, as the case may be) hereunder and under the other Loan Documents, or (c) any Lender from exercising setoff rights in accordance with Section 9.08 (subject to the terms of Section 2.18), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a Bankruptcy Proceeding relative to any Loan Party; and provided, further, that if at any time there is no Person acting as the Collateral Agent hereunder and under the other Loan Documents, then (i) the Administrative Agent or, if there shall be no Administrative Agent, the Required Lenders shall, to the fullest extent permitted by law, have the rights otherwise ascribed to the Collateral Agent pursuant to the Security Agreement the other Collateral Documents and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.18, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by Section 9.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether any Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Subject to Section 2.07(g), 2.14(b), 2.21 and 2.22, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, (I) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Administrative Agent and the Required Lenders (or the Administrative Agent with the consent (and on behalf) of the Required Lenders) or, (II) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and/or the Collateral Agent (in each case with the consent of the Required Lenders) and the Loan Party or Loan Parties that are parties thereto; provided that (i) no such agreement shall change any provision of any Loan Document in a manner that by its terms adversely affects the rights of Lenders holding Loans of any Class differently than those holding Loans of any other Class, without the written consent of Lenders holding a majority in interest of the outstanding Loans and unused Commitments of each adversely affected Class and (ii) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of one or more Classes of Lenders (but not the other Class or Classes of Lenders) may be effected by an agreement or agreements in writing entered into by the Borrower and the Administrative Agent acting with the consent of the requisite percentage in interest of the affected Class or Classes of Lenders that would be required to consent thereto under this Section 9.02 if such Class or Classes of Lenders were the only Class or Classes of Lenders hereunder at the time (it being understood and agreed that, notwithstanding anything to

the contrary in this Section 9.02, the second proviso in Section 2.11(a) may be waived, amended or modified by an agreement or agreements in writing entered into by the Borrower and the Administrative Agent acting with the consent of the Required Lenders), (iii) no such agreement shall amend, modify or otherwise affect the rights or duties of any Agent, the Issuing Banks or the Swingline Lender without the prior written consent of such Agent, the Issuing Banks or the Swingline Lender, as the case may be; and provided, further, that no such agreement shall,

(1) increase, extend or reinstate the Commitment of any Lender without the prior written consent of such Lender (it being understood that, subject to clause (ii) above, a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment shall not constitute an extension or increase of any Commitment of any Lender);

(2) reduce or forgive the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce or forgive any fees payable hereunder, without the prior written consent of each Lender affected thereby; provided that only the consent of the requisite percentage in interest of the affected Class or Classes of Lenders that would be required to consent thereto under this Section 9.02 if such Class or Classes of Lenders were the only Class or Classes of Lenders hereunder at the time shall be necessary to (x) amend the rate of default interest set out in Section 2.13(c) or (y) waive any obligation of the Borrower to pay default interest under Section 2.13(c), in each case, as it relates to Obligations in respect of such Class of Lenders (including, with respect to the Revolving Facility, the Required Revolving Lenders and with respect to the FILO Facility, the Required FILO Lenders);

(3) postpone the maturity of any Loan, or the required date of reimbursement of any LC Disbursement, or any date for the payment of any principal, interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the prior written consent of each Lender affected thereby; provided that (A) only the consent of the requisite percentage in interest of the affected Class or Classes of Lenders that would be required to consent thereto under this Section 9.02 if such Class or Classes of Lenders were the only Class or Classes of Lenders hereunder at the time shall be necessary to (x) amend the rate of default interest set out in Section 2.13(c) or (y) waive any obligation of the Borrower to pay default interest under Section 2.13(c), in each case, as it relates to Obligations in respect of such Class of Lenders (including, with respect to the Revolving Facility, the Required Revolving Lenders, and with respect to the FILO Facility, the Required FILO Lenders), (B) only the consent of the Required Revolving Lenders shall be necessary to waive any mandatory prepayment applicable to the Revolving Loans, and (C) only the consent of the Required FILO Lenders shall be necessary to waive any mandatory prepayment applicable to the FILO Loans;

(4) (i) amend Section 7.02, Section 2.18(b) or (c) in a manner that would alter the *pro rata* sharing or application of payments required thereby, as

applicable, (ii) amend Section 7.02 in a manner that would alter the order of application of payments required thereby, (iii) amend the definition of "Applicable Percentage", "Applicable Revolving Percentage" or "Applicable FILO Percentage", in each case, without the prior written consent of each Lender directly and adversely affected thereby, or (iv) amend or modify any provision in this Agreement providing for mandatory Commitment reductions or the *pro rata* application of Commitment reductions with respect to any Class of Commitments, without the prior written consent of each Lender in such Class;

(5) except as expressly permitted by this Agreement or the other Loan Documents, (i) subordinate the Lien of the Collateral Agent securing the Obligations on all or substantially all of the Collateral in any transaction or series of related transactions (or modify any Loan Document to permit any such subordination) or (ii) subordinate to the prior payment of any other Indebtedness, the Obligations (or modify any Loan Document to permit any such subordination), in each case, without the prior written consent of all Lenders; provided, however, that the provisions of this clause (5) shall not restrict or prohibit the incurrence of any "debtor-in-possession" type facility (other than a "debtor-in-possession" type facility that includes any non-pro rata refinancing, repayment, "roll-up", exchange or conversion of all or a portion of the Obligations into such "debtor-in-possession" type facility, unless first offered to all Lenders on a pro rata basis);

(6) change any of the provisions of this Section 9.02 or the percentage set forth in the definition of "Required Lenders", "Required FILO Lenders", "Required Revolving Lenders", "Supermajority FILO Lenders", "Supermajority Revolving Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the prior written consent of each Lender affected thereby (or each Lender of such affected Class, as the case may be); provided, that, for the avoidance of doubt, the definition of "Required Lenders", "Required FILO Lenders", "Required Revolving Lenders", "Supermajority FILO Lenders", and "Supermajority Revolving Lenders" may be amended in connection with any amendment pursuant to Section 2.21 or Section 2.22 to include (or to exclude) appropriately the Lenders participating in such incremental facility or extension in any required vote or action of the Required Lenders, Required FILO Lenders, Required Revolving Lenders, Supermajority FILO Lenders, or Supermajority Revolving Lenders, as applicable;

(7) release the Borrower from its obligations under the Loan Documents or release any Subsidiary Loan Party from its Guarantee under the Subsidiary Guarantee Agreement or limit its liability in respect of such Guarantee (except as expressly provided in the Subsidiary Guarantee Agreement or in Section 8.13), without the prior written consent of each Lender;

(8) except to the extent the release of any Collateral is permitted pursuant to the Loan Documents, release all or substantially all of the Collateral from the Liens under the Collateral Documents, without the prior written consent of each Lender;

(9) amend, modify or waive any condition set forth in Section 4.02 as to any Borrowing or any issuance of any Letter of Credit under a particular class of Commitments and Loans, without the prior written consent of the requisite percentage in interest of the affected Class or Classes of Lenders that would be required to consent thereto under this Section 9.02 if such Class or Classes of Lenders were the only Class or Classes of Lenders hereunder at the time (including, with respect to the Revolving Facility, the Required Revolving Lenders);

(10) increase "Accounts Receivable Advance Rate", "Credit Card Receivable Advance Rate", "Pharmaceutical Inventory Advance Rate", "Other Inventory Advance Rate" or "Script Lists Advance Rate" without the prior written consent of all Lenders; provided, however, that only the consent of all FILO Lenders shall be required to increase "Accounts Receivable Advance Rate", "Credit Card Receivable Advance Rate", "Pharmaceutical Inventory Advance Rate", "Other Inventory Advance Rate" or "Script Lists Advance Rate" with respect to determination of the FILO Borrowing Base Amount;

(11) (i) without the prior written consent of the Supermajority Revolving Lenders and the Supermajority FILO Lenders, change the definition of the term "ABL Borrowing Base Amount" (or any component definition of any such terms (including any applicable advance rates)) if as a result thereof the "ABL Borrowing Base Amount" would be increased, or (ii) without the prior written consent of the Supermajority FILO Lenders, (A) change the definition of the term "FILO Borrowing Base Amount" (or any component definition of such term (including any applicable advance rates)) if as a result thereof the "FILO Borrowing Base Amount" would be increased, or (B) change the definition of "FILO Push-Down Reserve" (or any component definition of such term) or (C) cease to deduct from the ABL Borrowing Base Amount (or fail to establish or maintain) the FILO Push-Down Reserve; provided, however, that the foregoing clause (11) shall not limit the discretion of the Administrative Agent to change, establish or eliminate any reserves or to exercise any other discretion that the Administrative Agent may have in respect of any of the provisions referenced in this clause (11));

(12) without the prior written consent of each Lender, amend the definition of "Deleveraging Proceeds" or "Deleveraging Reserve" or to cease to deduct from the ABL Borrowing Base Amount (or fail to establish or maintain) the Deleveraging Reserve; or

(13) without the prior written consent of all Lenders, modify the definition of "Protective Advance" so as to increase the amount thereof, or to

cause the Total Revolving Commitments (or the Revolving Commitment of any Revolving Lender) to be exceeded as a result thereof, or, except as provided in such definition, the time period for a Protective Advance.

(c) Notwithstanding the foregoing, (i) Collateral shall be released from the Lien under the Collateral Documents from time to time as necessary to effect any sale of Collateral permitted by the Loan Documents, and the Collateral Agent shall execute and deliver all release documents reasonably requested to evidence such release; provided that arrangements satisfactory to the Administrative Agent shall have been made for application of the cash proceeds thereof in accordance with Section 2.11, if required, and for the pledge of any non-cash proceeds thereof pursuant to the Collateral Documents and (ii) if a Subsidiary Loan Party ceases to be a Subsidiary in accordance with this Agreement, or ceases to own any property that constitutes Collateral, at the request of and at the expense of the Borrower, such Subsidiary Loan Party shall be released from the Subsidiary Guarantee Agreement, the Security Agreement and each other Loan Document to which it is a party, subject to the provisions of Section 8.13 (and each Agent shall, upon the request and at the expense of the Borrower, execute such documents evidencing such release as may be reasonably requested by the Borrower).

(d) Notwithstanding anything in this Agreement (including this Section 9.02) or any other Loan Document to the contrary:

(i) any provision of this Agreement may be amended by an agreement in writing entered into by the Borrower, the Required Lenders and the Administrative Agent (and, if their rights or obligations are affected thereby, the Issuing Banks and the Swingline Lender) if (A) by the terms of such agreement the Commitment of each Lender not consenting to the amendment provided for therein shall terminate upon the effectiveness of such amendment and (B) at the time such amendment becomes effective, each Lender not consenting thereto receives payment in full of the principal of and interest accrued on each Loan made by it and all other amounts owing to it or accrued for its account under this Agreement;

(ii) no consent with respect to any amendment, waiver or other modification of this Agreement or any other Loan Document shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (1), (2) or (3) of the second proviso of this Section 9.02(b) and then only in the event such Defaulting Lender shall be affected by such amendment, waiver or other modification;

(iii) (A) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent and/or the Collateral Agent to cure any ambiguity, omission, mistake, defect or inconsistency and (B) this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent and/or the Collateral Agent to add terms (including representations and warranties, conditions, prepayments, covenants or events of default), in connection with any amendment pursuant to Section 2.21 or

Section 2.22, that are favorable to the then-existing Lenders, as reasonably determined by the Administrative Agent, in each case of clause (A) and (B), so long as, in each case, the Lenders shall have received at least five (5) Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five (5) Business Days after the date of such notice to the Lenders, a written notice from (x) the Required Lenders stating that the Required Lenders object to such amendment or (y) if affected by such amendment, any Agent, Issuing Bank or the Swingline Lender stating that it objects to such amendment;

(iv) after the Closing Date, any Fee Letter may be amended or modified, or rights or privileges thereunder waived, in a writing executed only by the parties thereto; provided that any amendments or modifications to the provisions of the Fee Letter referred to in clause (a) of the defined term "Fee Letter" pertaining to the Revolving Commitment Termination Fee or the FILO Loan Prepayment Fee shall be subject to obtaining any consents that would otherwise be required pursuant to clause (2) or (3) of the second proviso of this Section 9.02(b);

(v) the Administrative Agent, the Collateral Agent and the Borrower may amend, restate, amend and restate or otherwise modify any Acceptable Intercreditor Agreement as provided herein and therein; provided that notification of any such amendment, restatement, amendment and restatement, or other modification of such Acceptable Intercreditor Agreement shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective;

(vi) any Collateral Document and any other documents executed by any Loan Party or any Subsidiary in connection with this Agreement or any other Loan Document may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, waived, amended or modified solely with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such waiver, amendment or modification is delivered to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties or to cause any Collateral Document to be consistent with this Agreement and the other Loan Documents; provided that notification of any such waiver, amendment or modification of any Loan Document shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective; and

(vii) no amendment, waiver or consent shall, unless in writing and signed by each Borrowing Base Agent, affect the rights or duties of any Borrowing Base Agent under this Agreement or any other Loan Document or under the Borrowing Base Agent Rights Agreement.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Agents and their Affiliates (including Attorney Costs and the reasonable and documented fees, expenses and disbursements of the Lender Group Consultants), in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) (limited, in the case of legal fees, expenses and disbursements, to the Attorney Costs of one counsel to the Agents and, if necessary, of one local counsel in each relevant jurisdiction and of one special counsel for each relevant specialty, in each case to the Agents), (ii) all reasonable and documented out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out-of-pocket expenses incurred by any Agent, any Issuing Bank or any Lender (including Attorney Costs), in connection with the enforcement or protection of its rights under or in connection with the Loan Documents, including its rights under this Section 9.03, or in connection with the Loans made, Letters of Credit issued, or other extensions of credit made available hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit (limited, in the case of legal fees, expenses and disbursements, to the Attorney Costs of (x) one counsel to the Agents, the Lenders, and the Issuing Banks (taken as a whole), (y) if necessary, of one local counsel in each relevant jurisdiction and of one special counsel for each relevant specialty, in each case, to the Agents, the Lenders, and the Issuing Banks (taken as a whole), and (z) in the event of an actual or potential conflict of interest between the Agents, the Lenders, or the Issuing Banks, where the Person or Persons affected by such conflict of interest inform the Borrower in writing of such conflict of interest, one additional counsel in each relevant jurisdiction, to each group of affected Persons similarly situated (taken as a whole)). For the avoidance of doubt and subject to the limitations set forth above with respect to Attorney Costs, the Borrower shall reimburse the Agents for all reasonable and documented legal, accounting, appraisal, consulting and other fees, costs and expenses incurred in connection with the negotiation, preparation and administration of the Loan Documents and incurred in connection with efforts of any Agent (or its external counsel or the Lender Group Consultant) to (A) monitor the Loans or any of the other Obligations, (B) evaluate, observe or assess any of the Loan Parties or their respective affairs, and (C) verify, protect, evaluate, assess, appraise, collect, sell, liquidate or otherwise dispose of any of the Collateral (including, for the avoidance of doubt, any recording fees in connection with filing Mortgages).

(b) The Borrower shall indemnify each Agent (and any sub-agent thereof), the Arrangers, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including Attorney Costs) incurred by or asserted against any Indemnitee (but limited, in the case of legal fees, expenses and disbursements, to the Attorney Costs of (x) one counsel to all Indemnitees (taken as a whole), (y) if necessary, one local counsel in each relevant jurisdiction and of one special counsel for each relevant specialty, in each case to all Indemnitees (taken as a whole), and (z) in the event of an actual or potential conflict of interest between Indemnitees, where the Person or Persons affected by such conflict of interest inform the Borrower in writing of such

conflict of interest, one additional counsel in each relevant jurisdiction, to each group of affected Indemnitees similarly situated (taken as a whole)) arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, or, in the case of any Agent (and any sub agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents (including in respect of matters addressed in Section 2.17), (ii) any Loan, Letter of Credit or other extension of credit hereunder or the use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower or any of the Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of the Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Subsidiary Loan Party, and regardless of whether any Indemnitee is a party thereto, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNITEE**; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. In no event shall any Loan Party have any liability for indemnification under this Section 9.03(b) for any special, indirect, consequential or punitive damages, except for claims made by third parties for which an Indemnitee is otherwise entitled to indemnity pursuant to this Section 9.03(b). Without limiting the provisions of Section 2.17(c), this Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) To the extent that the Borrower for any reason fails to indefeasibly pay any amount required to be paid by it to any Agent (or any sub agent thereof), any Issuing Bank, the Swingline Lender or any Related Party of any of the foregoing under Section 9.03(a) or (b), each Lender severally agrees to pay to such Agent (or any such sub agent), such Issuing Bank, the Swingline Lender or such Related Party, as the case may be, such Lender's *pro rata* share of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), determined as of the time that the applicable unreimbursed expense or indemnity payment is sought; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Agent (or any such sub agent), such Issuing Bank, or the Swingline Lender in its capacity as such in its capacity as such, or against any Related Party of any of the foregoing, acting for any Agent (any such sub agent), any Issuing Bank or the Swingline Lender in connection with such capacity. The obligations of the Lenders under this Section 9.03(c) are subject to the provisions of Section 2.06(d). For purposes hereof, a Lender's "*pro rata* share" shall be determined based upon its share of the sum of the Total Revolving Exposures, outstanding FILO Loans and other Loans and unused Commitments at the time.

(d) To the extent permitted by applicable law, each party hereto (each for itself and on behalf of its Subsidiaries) hereby waives, releases and agrees not to assert any claim against any Indemnitee or the Borrower (or any of its Subsidiaries), on any theory of liability, for any special, indirect, consequential or punitive damages (as opposed to direct or actual damages), whether or not accrued and whether or not known or suspected to exist in its favor, arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any other agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that the foregoing shall not limit the Borrower's liability under Section 9.03(b) in respect of claims made by third parties for which an Indemnitee is otherwise entitled to indemnity pursuant to Section 9.03(b). No Indemnitee shall be liable for any damages arising from the use by any unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the Transactions, other than for direct and actual damages (as opposed to special, indirect, consequential or punitive damages) that a court of competent jurisdiction determines in a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such indemnitee.

(e) All amounts due under this Section 9.03 shall be payable not later than ten (10) Business Days after written demand therefor.

(f) The Agreements in this Section 9.03 and the indemnity provisions of Section 9.01(f) shall survive the resignation of any Agent, any Issuing Bank and the Swingline Lender, the replacement of any Lender, the termination of the aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

SECTION 9.04. Successors and Assigns.

(a) *Successors and Assigns Generally*. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except to an Eligible Assignee in accordance with the provisions of Section 9.04(b) (and any attempted assignment or transfer by the Borrower without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Assignments by Lenders*. (i) Subject to the conditions set forth in Section 9.04(b)(ii), any Lender may assign all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) to one or more Eligible Assignees, with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld or delayed); provided that (1) no consent of the Borrower shall be required for (x) an assignment to a Lender, an Affiliate of a Lender, an Approved Fund, (y) an assignment to any Eligible Assignee during the six (6) month period following the Closing Date or (z) if an Event of Default has occurred and is continuing, any other Eligible Assignee and (2) the Borrower shall be deemed to have consented to any such assignment unless it shall have objected thereto within ten (10) Business Days after having received notice thereof;

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment (x) in respect of the Revolving Facility, if such assignment is to a Person that is a Revolving Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender or (y) in respect of the FILO Facility, if such assignment is to a FILO Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the consent of each Issuing Bank and the Swingline Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Revolving Facility.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than (1) with respect to Revolving Commitments and Revolving Loans, $5,000,000 and (2) with respect to FILO Commitments and FILO Loans, $1,000,000 or, in each case, if smaller, the entire remaining amount of the assigning Lender's Commitment or Loans, unless the Administrative Agent shall otherwise consent; provided that in the event of concurrent assignments to two or more assignees that are Affiliates of one another, or to two or more Approved Funds managed by the same investment advisor or by affiliated investment advisors, all such concurrent assignments shall be aggregated in determining compliance with this subsection;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (B) shall not (1) apply to the Swingline Lender's rights and obligations in respect of Swingline Loans or (2) prohibit any Lender from assigning all or a portion of its rights and obligations among the Facilities provided pursuant to the this Agreement

on a non-pro rata basis;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of $3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire;

(E) no such assignment shall be made (1) to the Borrower or any of the Borrower's Affiliates or Subsidiaries, as applicable, (2) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (2), (3) to a natural Person (or a holding company, investment vehicle or trust for, or owned and operated by or for the primary benefit of a natural Person), (4) to any Permitted Holder, Takeback Noteholder, Rollover Noteholder, or any Affiliate or related fund or managed account of any of the foregoing Persons (other than (x) the commercial banking unit of JPMorgan Chase Bank, N.A. or (y) with the Administrative Agent's prior written consent, which may be granted or withheld in the Administrative Agent's sole discretion and may be conditioned upon implementation of customary affiliated lender protections set forth in an amendment hereto solely among the Borrower and the Administrative Agent) or (5) to any Disqualified Institution (any such Person described in this clause (E), an "Ineligible Person"); and

(F) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, any Issuing Bank or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this

clause (F), then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs

(iii) Subject to acceptance and recording thereof pursuant to Section 9.04(b)(iv), from and after the effective date specified in each Assignment and Acceptance the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender). Upon request, the Borrower (at its expense) shall execute and deliver a promissory note evidencing its Loan hereunder to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c).

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower (and such agency being solely for Tax purposes), shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error and the Borrower, the Agents, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any other Agent, any Issuing Bank and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this Section 9.04(b) and any written consent to such assignment required by this Section 9.04(b), the Administrative Agent shall accept such Assignment and Acceptance and record

the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this Section 9.04(b)(v).

(vi) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (A) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Commitment and the outstanding balances of its Loans, in each case without giving effect to assignments thereof that have not become effective, are as set forth in such Assignment and Acceptance; (B) except as set forth in clause (A) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or any other instrument or document furnished pursuant hereto or thereto, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of any of the foregoing, or the financial condition of the Loan Parties or the performance or observance by the Loan Parties of any of their obligations under this Agreement or under any other Loan Document or any other instrument or document furnished pursuant hereto or thereto; (C) each of the assignee and the assignor represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (D) such assignee confirms that it has received a copy of this Agreement, together with copies of any amendments or consents entered into prior to the date of such Assignment and Acceptance and copies of the most recent financial statements delivered pursuant to Section 5.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (E) such assignee will independently and without reliance upon the Agents, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (F) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to them by the terms hereof and thereof, together with such powers as are reasonably incidental thereto; and (G) such assignee agrees that it will perform in accordance with their terms all the obligations that by the terms of this Agreement are required to be performed by it as a Lender.

(c) *Participations*. (i) Any Lender may, without the consent of or notice to the Borrower, the Agents, the Issuing Banks or the Swingline Lender, sell participations to one or more banks or other entities (other than any Ineligible Person) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including such Lender's participations in LC Disbursements and/or Swingline Loans) owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Agents, the

Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.03(c) without regard to the existence of any participation. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the second proviso to Section 9.02(b)(1), (2) or (3) that affects such Participant. Subject to Section 9.04(c)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 9.04(b) (it being understood that the documentation required under Section 2.17(e) shall be delivered to the Lender who sells the participation). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitments, Loans, Letters of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.17 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.17(f) as though it were a Lender.

(d) *Certain Pledges*.

(i) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall

release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(ii) In the case of any Lender that is a fund that invests in bank loans, such Lender may, without the consent of the Borrower or the Administrative Agent, assign or pledge all or any portion of its rights under the Loan Documents, including the Loans and promissory notes or any other instrument evidencing its rights as a Lender under the Loan Documents, to any holder of, trustee for, or any other representative of holders of obligations owed or securities issued by such fund, as security for such obligations or securities; provided that any foreclosure or similar action by such trustee or representative shall be subject to the provisions of this Section 9.04 concerning assignments.

(e) *Disqualified Institutions*.

(i) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no Disqualified Institution that purports to become a Lender hereunder (notwithstanding the provisions of this Agreement that prohibit Disqualified Institutions from becoming Lenders) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting, information and lender meetings. In addition, if any assignment or participation is made to any Disqualified Institution without the Borrower's express prior written consent, the Borrower may, in addition to any other rights and remedies that it may have against such Disqualified Institution, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interest, rights and obligations under this Agreement to one or more Persons that meet the requirements for an assignee under Section 9.04(b) at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(ii) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, the Administrative Agent shall not be responsible (or have any liability) for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions thereof relating to Disqualified Institutions. The Administrative Agent may make the list of Disqualified Institutions available to all Lenders on the Platform or to any Lender, Participant, or any prospective Lender or Participant, upon any such Person's written request therefor. Without limiting the generality of the foregoing, the Administrative Agent shall not (A) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (B) have any liability with respect to or arising out of any assignment or participation of Loans

or Commitments, or disclosure of confidential information, to any Disqualified Institution.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that any Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06. Integration; Effectiveness. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective as provided in Section 4.01.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 9.07, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, any Issuing Bank or the Swingline Lender, as

applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, each Issuing Bank, and each of their Affiliates is hereby authorized at any time and from time to time after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender, Issuing Bank, or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations may be unmatured; provided that, in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 7.02 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 9.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application. Notwithstanding the provisions of this Section 9.08, if at any time any Lender, any Issuing Bank or any of their respective Affiliates maintains one or more deposit accounts for the Borrower or any other Loan Party into which Medicare and/or Medicaid receivables are deposited, such Person shall waive the right of setoff set forth herein.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) *Governing Law*. This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) *Submission to Jurisdiction*. The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme

Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that any Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in any other court of competent jurisdiction to the extent necessary or required as a matter of law to assert such claim, action or proceeding against any assets of any Loan Party or any of their Subsidiaries or to enforce any judgement arising out of any such claim, action or proceeding.

(c) *Venue*. The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 9.09(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) *Service of Process*. Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Agents, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates', auditors and Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (including any Federal Reserve Bank or central bank pursuant to Section 9.04(d)), (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 9.12, to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (g) with the consent of the Borrower, (h) to (x) any prospective Additional FILO Lender or Additional Revolving Lender invited to be a Lender pursuant to Section 2.21 or (y) any pledgee referred to in Section 9.04(d) or any direct or indirect contractual counterparty in any Hedging Agreement (or to any such contractual counterparty's professional advisor), so long, in each such case, as such Person agrees to be bound by the provisions of this Section 9.12, (i) on a confidential basis to (x) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided hereunder or (y) the CUSIP Service Bureau or any similar agency in connection with the application, issuance, publishing and monitoring of CUSIP numbers of other market identifiers with respect to the credit facilities provided hereunder or (j) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 9.12 or (y) becomes available to any Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than the Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Agents and the Lenders in connection with the administration of this Agreement, the

other Loan Documents, and the Commitments. For the purposes of this Section 9.12, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to any Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. Each of the Administrative Agent, the Lenders and the Issuing Banks acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable law, including United States Federal and state securities laws.

SECTION 9.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.13 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.14. USA Patriot Act. Each Lender, each Issuing Bank and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender, Issuing Bank or the Administrative Agent, as applicable, to identify the Borrower in accordance with its requirements. The Borrower shall promptly,

following a request by the Administrative Agent, any Lender or any Issuing Bank, provide all documentation and other information that the Administrative Agent, such Lender or such Issuing Bank reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA Patriot Act.

SECTION 9.15. Certain Waivers.

(a) Without limiting the generality of the foregoing, or of any other waiver or other provision set forth in this Agreement, the Borrower, on behalf of itself and each Subsidiary Loan Party, hereby absolutely, knowingly, unconditionally, and expressly waives any and all claim, defense or benefit arising directly or indirectly under any one or more of Sections 2787 to 2855 inclusive of the California Civil Code or any similar law of California.

(b) The Borrower, on behalf of itself and each Subsidiary Loan Party, further waives (to the extent permitted by applicable Law): (i) any defense to the recovery by the Administrative Agent or any other Secured Party against such Loan Party of any deficiency or otherwise to the enforcement of this Agreement or any other Loan Document or any security for this Agreement or any other Loan Document based upon the Administrative Agent's or any other Secured Party's election of any remedy against any Loan Party, including the defense to enforcement of this Agreement or any other Loan Document (the so-called "Gradsky" defense) which, absent this waiver, each Loan Party would have by virtue of an election by the Administrative Agent or any other Secured Party to conduct a non-judicial foreclosure sale (also known as a "trustee's sale") of any Owned Real Estate or Ground-Leased Real Estate as security for the Obligations, it being understood by each Loan Party that any such non-judicial foreclosure sale will destroy, by operation of California Code of Civil Procedure Section 580d, all rights of any party to a deficiency judgment against the Borrower (and/or the applicable Loan Party) and, as a consequence, will destroy all rights that such Loan Party would otherwise have (including the right of subrogation, the right of reimbursement, and the right of contribution) to proceed against the Borrower and/or any other Loan Party; (ii) any defense or benefits that may be derived from California Code of Civil Procedure Sections 580a, 580b, 580d or 726, or comparable provisions of the laws of any other jurisdiction and all other anti-deficiency and one form of action defenses under the laws of California and any other jurisdiction; and (iii) any right to a fair value hearing under California Code of Civil Procedure Section 580a, or any other similar law, to determine the size of any deficiency owing (for which any Loan Party would be liable hereunder) following a non-judicial foreclosure sale.

(c) Without limiting the foregoing or anything else contained in this Agreement or any other Loan Document, the Borrower, on behalf of itself and each Subsidiary Loan Party, waives all rights and defenses that such Loan Party may have because any of the Obligations are secured by Owned Real Estate or Ground-Leased Real Estate. This means, among other things: (i) that the Secured Parties may collect from any Loan Party without first foreclosing on any real or personal property collateral pledged by the Borrower or any other Loan Party, and (ii) if any Secured Party forecloses on any Owned Real Estate or Ground-Leased Real Estate pledged by the Borrower or any other Loan Party: (A) the amount of the Obligations may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the

collateral is worth more than the sale price; and (B) any Loan Party may collect from any Loan Party even if the Secured Party, by foreclosing on the Owned Real Estate or Ground-Leased Real Estate, has destroyed any right such Loan Party may have to collect from the Borrower or another Loan Party. This is an unconditional and irrevocable waiver of any rights and defenses that any Loan Party may have because the Obligations are secured by Owned Real Estate or Ground-Leased Real Estate. These rights and defenses include, but are not limited to, any rights or defenses based upon Sections 580a, 580b, 580d, or 726 of the California Code of Civil Procedure.

(d) In the case of a power of sale foreclosure, the fair market value of the Owned Real Estate or Ground-Leased Real Estate shall be conclusively deemed to be the amount of the successful bid at the foreclosure sale. The Borrower, on behalf of itself and each Subsidiary Loan Party, waives (to the extent permitted by applicable Law) any rights or benefits it may now or hereafter have to a fair value hearing under Section 580a of the California Code of Civil Procedure. The Secured Parties shall have absolutely no obligation to make a bid at any foreclosure sale, but rather may make no bid or bid any amount which any Secured Party, in its sole discretion, deems appropriate.

(e) The Borrower, on behalf of itself and each Subsidiary Loan Party, hereby irrevocably authorizes the Administrative Agent to apply any and all amounts received by the Administrative Agent in repayment of the Obligations first to amounts which are secured pursuant to the terms of any Mortgage and then to amounts which are not secured pursuant to the terms of such Mortgage, if any. The Borrower, on behalf of itself and each Subsidiary Loan Party, hereby waives any and all rights that it has or may hereafter have under Section 2822 of the California Civil Code which provides that if a guarantor is "liable upon only a portion of an obligation and the principal provides partial satisfaction of the obligation, the principal may designate the portion of the obligation that is to be satisfied."

(f) The Borrower, on behalf of itself and each Subsidiary Loan Party, waives (to the extent permitted by applicable Law) all rights and defenses arising out of an election of remedies by any Secured Party, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for an Obligation, has destroyed such Loan Party's rights of subrogation and reimbursement against the Borrower (or any other Loan Party) by operation of Section 580d of the California Code of Civil Procedure or otherwise.

(g) The Borrower, on behalf of itself and each Subsidiary Loan Party, waives (to the extent permitted by applicable Law) such Loan Party's rights of subrogation and reimbursement, including (i) any defenses such Loan Party may have by reason of an election of remedies by the Administrative Agent, and (ii) any rights or defenses such Loan Party may have by reason of protection afforded to the Borrower or a Loan Party with respect to the Obligations pursuant to the anti-deficiency or other laws of California limiting or discharging the Borrower's or any other Loan Party's obligations, including Sections 580a, 580b, 580d or 726 of the California Code of Civil Procedure.

SECTION 9.16. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other

modification hereof or of any other Loan Document), the Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers, and the Lenders are arm's-length commercial transactions between the Borrower and its Subsidiaries, on the one hand, and the Administrative Agent, the Arrangers, and the Lenders, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, the Arrangers and the Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Subsidiaries, or any other Person and (B) neither the Administrative Agent, nor any Arranger, nor any Lender has any obligation to the Borrower or any of its Subsidiaries with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Arrangers, the Lenders, and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Subsidiaries, and neither the Administrative Agent, nor any Arranger nor any Lender has any obligation to disclose any of such interests to the Borrower and its Subsidiaries. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent, the Arrangers, and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.17. Electronic Execution; Electronic Records. This Agreement, any Loan Document and any other Communication, including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties and each of the Secured Parties agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on such Person to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of such Person enforceable against such Person in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic

counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this Section 9.17 may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Secured Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, neither the Administrative Agent, the Issuing Banks nor the Swingline Lender is under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by such Person pursuant to procedures approved by it; provided, further, that without limiting the foregoing, (a) to the extent the Administrative Agent, the Issuing Banks and/or the Swingline Lender has agreed to accept such Electronic Signature, the Administrative Agent and each of the Secured Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party and/or any Secured Party without further verification and regardless of the appearance or form of such Electronic Signature, and (b) upon the request of the Administrative Agent or any Secured Party, any Communication executed using an Electronic Signature shall be promptly followed by a manually executed counterpart.

Neither the Administrative Agent, the Issuing Banks nor the Swingline Lender shall be responsible for or have any duty to ascertain or inquire into the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent's, the Issuing Banks' or the Swingline Lender's reliance on any Electronic Signature transmitted by telecopy, emailed .pdf or any other electronic means). The Administrative Agent, the Issuing Banks and the Swingline Lender shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any Communication or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

Each of the Loan Parties and each Secured Party hereby waives (i) any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document based solely on the lack of paper original copies of this Agreement, such other Loan Document, and (ii) any claim against the Administrative Agent, each Secured Party and each of

their respective Related Parties for any liabilities arising solely from the Administrative Agent's and/or any such other Secured Party's reliance on or use of Electronic Signatures, including any liabilities arising as a result of the failure of the Loan Parties to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.18. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or any Issuing Bank that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.19. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Hedging Agreement or any other agreement or instrument that is a QFC (such support, "QFC Credit Support", and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable

notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) ~~(f)~~ In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) ~~(g)~~ As used in this Section 9.19, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. § 1841(k)) of such party.

"Covered Entity" means any of the following: (a) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (b) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (c) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. § 5390(c)(8)(D).

SECTION 9.20. McKesson Document Protocols. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, any requirement under this Agreement or any other Loan Document to deliver or disclose copies or extracts of (a) any McKesson Documents (other than any McKesson Collateral Documents), or amendments, modifications, waivers or supplements

thereto or (b) any notices, certificates or other information delivered by the Borrower or any Subsidiary pursuant to any McKesson Document shall be subject to information sharing protocols established from time to time among the Administrative Agent, the Borrower and McKesson, which may limit delivery or disclosure thereof to the Administrative Agent or to counsel to the Administrative Agent on a "professional eyes only" basis.

Section 1.05 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Company. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Security, shall be sufficient for any purpose of this Indenture and (subject to Section 7.01) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Securities shall be proved by the Security Register. Notwithstanding the foregoing, solely for purposes of determining whether any action to be taken or consent to be given under this Indenture is authorized, an owner of a beneficial interest in a Global Security shall be treated as a Holder, to the extent the Company directs the Trustee to accept reasonable evidence of such beneficial interest provided by such owner.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Security.

(e) The Company may, in the circumstances permitted by the Trust Indenture Act, set a record date for purposes of determining the identity of Holders entitled to give any request, demand, authorization, direction, notice, consent, waiver or take any other act, or to vote or consent to any action by vote or consent authorized or permitted to be given or taken by Holders. Unless otherwise specified, if not set by the Company prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation.

(f) Without limiting the generality of the foregoing, a Holder entitled to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(g) Without limiting the generality of the foregoing, a Holder, including DTC, that is the Holder of a Global Security may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and DTC, as the Holder of a Global Security, may provide its proxy or proxies to the beneficial owners of interests in any such Global Security through such depositary's standing instructions and customary practices.

(h) The Company may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Global Security held by DTC entitled under the procedures of such depositary to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders. If such a record date is fixed, the Holders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be valid or effective if made, given or taken more than 90 days after such record date.

Section 1.06 Pro Forma Calculations.

(a) Notwithstanding anything to the contrary herein, Consolidated EBITDA and any financial ratio or test, including the Consolidated Fixed Charge Coverage Ratio (whether in connection with testing the satisfaction of the Payment Conditions or otherwise) and the Consolidated Total Leverage Ratio, shall be calculated in the manner prescribed by this Section 1.06.

(b) For purposes of calculating Consolidated EBITDA and any financial ratio or test, including the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, Specified Transactions (and the incurrence or repayment of any Debt in connection therewith, subject to Section 1.06(c) that have been made (i) during the applicable Measurement Period or (ii) subsequent to such Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio or test is made shall be calculated on a Pro Forma Basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Measurement Period. If since the beginning of any applicable Measurement Period any Person that subsequently became a Subsidiary or was merged, amalgamated or consolidated with or into a Securities Party or any Subsidiary since the beginning of such Measurement Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.06, then the

Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio shall be calculated to give Pro Forma Effect thereto in accordance with this Section 1.06.

(c) In the event that any Securities Party or any Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Debt included in the calculations of the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, as the case may be (in each case, other than Debt incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Measurement Period or (ii) subsequent to the end of the applicable Measurement Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, as applicable, shall be calculated giving Pro Forma Effect to such incurrence or repayment of Debt, to the extent required, as if the same had occurred on the last day of the applicable Measurement Period (with respect to any calculation of the Consolidated Total Leverage Ratio) or the first day of the applicable Measurement Period (with respect to any calculation of the Consolidated Fixed Charge Coverage Ratio).

(d) Whenever Pro Forma Effect is to be given to a Specified Transaction, the pro forma calculations shall be made in good faith by a Financial Officer of the Company and may include, for the avoidance of doubt, the amount of Expected Cost Savings projected by a Financial Officer of the Company in good faith to be realized as a result of action that is taken, committed to be taken or reasonably expected to be taken (calculated on a Pro Forma Basis as though such Expected Cost Savings had been realized on the first day of such Measurement Period and as if such Expected Cost Savings were realized during the entirety of such Measurement Period) in connection with such Specified Transaction, net of the amount of actual amounts realized during such Measurement Period from such actions; provided that (i) such Expected Cost Savings are reasonably identifiable and factually supportable (in the good faith determination of a Financial Officer of the Company), (ii) the relevant action resulting in (or substantial steps towards the relevant action that would result in) such Expected Costs Savings must either be taken or reasonably expected to be taken within twelve (12) months after the date of such Specified Transaction, (iii) no amounts shall be added pursuant to this Section 1.06(d) to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA, whether through a *pro forma* adjustment or otherwise, with respect to such Measurement Period, and (iv) amounts added back pursuant to this Section 1.06(d), when taken together with any such similar adjustments made in accordance with clause (b)(xi) of the definition of "Consolidated EBITDA", shall not exceed twenty percent (20.0%) of Consolidated EBITDA for such Measurement Period (calculated prior to giving effect to such addbacks).

(e) If any Debt bears a floating rate of interest and is being given Pro Forma Effect, the interest on such Debt shall be calculated as if the rate in effect on the date of the event for which the calculation of the Consolidated Fixed Charge Coverage Ratio and the Consolidated Total Leverage Ratio, as the case may be, is made had been the applicable rate for the entire period (taking into account any hedging obligations applicable to such Debt). Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Company to be the rate of interest implicit in the applicable Capital Lease in accordance with GAAP. Interest on Debt that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, an interbank offered rate, a risk-free rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Company may designate.

ARTICLE II

THE SECURITIES

Section 2.01 Amount of Securities; Issuable in Series. The aggregate principal amount of Securities which may be authenticated and delivered under this Indenture is unlimited. Securities may be issued in one or more tranches; provided, however, that any Securities issued with original issue discount ("OID") for Federal income tax purposes shall not be issued as part of the same tranche as any Securities that are issued with a different amount of OID or are not issued with OID. All Securities of any one series shall be substantially identical except as to denomination.

Subject to Section 2.03, the Trustee shall authenticate Securities as follows:

(a) for original issue on the Issue Date, $78,263,042 in aggregate principal amount of Securities (the "Original Securities"). All Original Securities will be in the form of Unrestricted Global Securities;

(b) for issue on the Second Issue Date, $75,000,000 in aggregate principal amount of Securities provided, however, that, if on a Pro Forma Basis as of the date of the incurrence of any such incremental Securities, the Consolidated Fixed Charge Coverage Ratio, for the most recently ended Measurement Period, is less than 1.00 to 1.00, interest payable with respect to such Securities shall be paid in kind rather than in cash (the "Second Tranche Securities") in accordance with, and pursuant to the terms of, an Authentication Order. The Second Tranche Securities shall have the same terms and conditions as the Original Securities of the respective series in all respects except for the issue date, and upon issuance, the Second Tranche Securities shall be consolidated with and form a single class with the previously outstanding Original Securities and vote together as one class on all matters with respect to the Securities, including, without limitation, waivers, amendments and offers to purchase; and

(c) PIK Securities from time to time in accordance with Section 2.02;

provided that no Opinion of Counsel shall be required with respect to the Original Securities on the Issue Date or any PIK Securities issued after the Issue Date. With respect to any Securities issued after the Issue Date (except for PIK Securities and any Securities authenticated and delivered upon registration of, transfer of, or in exchange for, or in lieu of, Original Securities pursuant to Section 2.07, Section 2.08, Section 2.11, Section 3.06 or Section 4.06), there shall be established in or pursuant to a Board Resolution, and subject to Section 2.03, set forth, or determined in the manner provided in an Officer's Certificate, or established in one or more indentures supplemental hereto, prior to the issuance of such Securities:

(1) whether such Securities shall be issued as part of a new or existing series of Securities and, if issued as part of a new series, the title of such Securities (which shall distinguish the Securities of the series from Securities of any other series);

(2) the aggregate principal amount of such Securities to be authenticated and delivered under this Indenture, which may be issued for an unlimited aggregate principal amount (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of the same tranche pursuant to Section 2.07, Section 2.08, Section 2.11, Section 3.06 or Section 4.06 and except for Securities which, pursuant to Section 2.03, are deemed never to have been authenticated and delivered hereunder);

(3) the issue price and issuance date of such Securities, including the date from which interest payable with respect to such Securities shall accrue; and

(4) if applicable, that such Securities shall be issuable in whole or in part in the form of one or more Global Securities and, in such case, the respective depositories for such Global Securities; the form of any legend or legends that shall be borne by any such Global Security in addition to or in lieu of that set forth in Exhibit A and any circumstances in addition to or in lieu of those set forth in Section 2.07 in which any such Global Security may be exchanged in whole or in part for Securities registered; and any transfer of such Global Security in whole or in part may be registered in the name or names of Persons other than the depositary for such Global Security or a nominee thereof.

The Original Securities, the Second Tranche Securities, any PIK Securities and any other Securities issued pursuant to this Indenture shall be treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments and offers to purchase.

Securities issued in global form shall be substantially in the form of Exhibit A attached hereto (including the Global Security Legend thereon and the "Schedule of Exchanges of Interests in the Global Security" attached thereto). Securities issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but

without the Global Security Legend thereon and without the "Schedule of Exchanges of Interests in the Global Security" attached thereto). Each Global Security shall represent such of the outstanding Securities as shall be specified in the "Schedule of Exchanges of Interests in the Global Security" attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Securities from time to time endorsed thereon and that the aggregate principal amount of outstanding Securities represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions and the payment of interest through an increase in the principal amount of the outstanding Securities ("PIK Interest"). Any endorsement of a Global Security to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Securities represented thereby shall be made by the Trustee or the Securities Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.07 or by the Company in connection with a PIK Payment.

Following the termination of the Restricted Period, beneficial interests in the Regulation S Temporary Global Security will be exchanged for beneficial interests in the Regulation S Permanent Global Security pursuant to the Applicable Procedures. Simultaneously with the authentication of the Regulation S Permanent Global Security, the Trustee will cancel the Regulation S Temporary Global Security. The aggregate principal amount of the Regulation S Temporary Global Security and the Regulation S Permanent Global Security may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

Section 2.02 Form and Dating; Denominations. The Securities of each tranche and the Trustee's certificate of authentication thereon shall be substantially in the form of Exhibit A which is hereby incorporated in and expressly made a part of this Indenture. The Securities of each tranche may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage, provided that any such notation, legend or endorsement is in a form reasonably acceptable to the Company. Each Security shall be dated the date of its authentication. The terms of the Securities of each tranche set forth in Exhibit A are part of the terms of this Indenture. The Securities shall be issuable in denominations of $1.00 and integral multiples of $1.00 in excess thereof and shall be dated the date of their authentication.

On any Interest Payment Date on which the Company pays PIK Interest (a "PIK Payment") as provided under paragraph 1(b) of the form of Security with respect to a Global Security, the Trustee, or the Securities Custodian at the direction of the Trustee, shall increase the principal amount of such Global Security by an amount equal to the PIK Interest payable, rounded up to the nearest whole dollar, for the relevant interest period on the principal amount of such Global Security, to the credit of the Holders on the relevant record date and an adjustment shall be made on the books and records of the Trustee with respect to such Global Security to reflect such increase. On any Interest Payment Date on which the Company makes a PIK Payment by issuing an additional Security (a "PIK Security"), the principal amount of any such PIK Security issued to any Holder, for the relevant interest period as of the relevant record date for such Interest Payment Date, shall be rounded up to the nearest whole dollar.

Notwithstanding anything to the contrary herein, no Officer's Certificate or Opinion of Counsel shall be required to be delivered in connection with a payment of PIK Interest (whether by an issuance of PIK Securities or by an increase in Global Securities reflecting a PIK Payment).

Section 2.03 Execution and Authentication. An Officer shall sign the Securities for the Company by manual, facsimile or electronic image scan (e.g., Adobe PDF) signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

On the Issue Date, the Trustee shall, upon receipt of the Company's order (an "Authentication Order"), authenticate and deliver the Original Securities which Original Securities, being issued pursuant to Section 1145 of the Bankruptcy Code, shall be in the form of an Unrestricted Global Security. In addition, at any time, from time to time, the Trustee shall, upon an Authentication Order and Officer's Certificate, authenticate and deliver any additional Securities, including the Second Tranche Securities in accordance with Section 2.02. Such Authentication Order shall specify the amount of the Securities to be authenticated and, in the case of any issuance of additional Securities pursuant to Section 2.01 shall certify that such issuance is in compliance with Section 4.03

and Section 4.05. In addition, at any time, from time to time, the Trustee shall (a) authenticate and deliver PIK Securities that may be validly issued under this Indenture and (b) increase the principal amount of any Global Security as a result of a PIK Payment.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any tranche executed by the Company to the Trustee for authentication, together with a written order of the Company in the form of an Officer's Certificate for the authentication and delivery of such Securities, and the Trustee in accordance with such written order of the Company shall authenticate and deliver such Securities. No Opinion of Counsel shall be required to be delivered in connection with the issuance of the Second Tranche Securities.

A Security shall not be valid until an authorized signatory of the Trustee manually or electronically signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Securities. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

Section 2.04 Registrar and Paying Agent. The Company shall maintain an office or agency in the City of New York where Securities may be presented for registration of transfer or for exchange (the "Registrar") and an office or agency in the City of New York where Securities may be presented for payment (the "Paying Agent"). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may have one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent.

The Company shall enter into an appropriate agency agreement with any Registrar, Paying Agent or co-registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any of its domestically incorporated Wholly Owned Subsidiaries may act as Paying Agent, Registrar, co-registrar or transfer agent.

The Company initially appoints the Trustee as Registrar and Paying Agent in connection with the Securities.

Section 2.05 Paying Agent To Hold Money in Trust. Prior to each due date of the principal of, premium, if any, and interest on any Security, the Company shall deposit with the Paying Agent a sum sufficient to pay such principal, premium, if any, and interest when so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, or interest on the Securities and shall notify the Trustee of any default by the Company in making any such payment. If the Company or a Wholly Owned Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section 2.05, the Paying Agent shall have no further liability for the money delivered to the Trustee.

Section 2.06 Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with Trust Indenture Act Section 312(a). If the Trustee is not the Registrar, the Company shall furnish to the Trustee, in writing at least five Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders and the Company shall otherwise comply with Trust Indenture Act Section 312(a).

Section 2.07 Transfer and Exchange

(a) Transfer and Exchange of Global Securities. Except as otherwise set forth in this Section 2.07, a Global Security may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. A beneficial interest in a Global Security may not be exchanged by the Company for a Definitive Security unless (i) the Depositary (x) notifies the Company that it is unwilling or unable to continue to act as Depositary for such Global Security or (y) has ceased to be a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Company within 90 days after the date of such notice from the Depositary, (ii) there shall have occurred and be continuing a Default or Event of Default with respect to the Securities or (iii) the Company, at its option, notifies the Trustee in writing that it elects to cause the issuance of Definitive Securities (although Regulation S Temporary Global Securities at the Company's election pursuant to this clause may not be exchanged for Definitive Securities prior to (a) the expiration of the Restricted Period and (b) the receipt of any certificates required under the provisions of Regulation S). Upon the occurrence of any of the preceding events in clauses (i), (ii) or (iii) above, Definitive Securities delivered in exchange for any Global Security or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depositary (in accordance with its customary procedures). Global Securities also may be exchanged or replaced, in whole or in part, as provided in Section 2.08 and Section 2.11. Every Security authenticated and delivered in exchange for, or in lieu of, a Global Security or any portion thereof, pursuant to this Section 2.07, or Section 2.08 or Section 2.11, shall be authenticated and delivered in the form of, and shall be, a Global Security, except for Definitive Securities issued subsequent to any of the preceding events in clauses (i), (ii) or (iii) above and pursuant to Sections 2.07(c) or Section 2.07(e). A Global Security may not be exchanged for another Security other than as provided in this Section 2.07(a); provided, however, beneficial interests in a Global Security may be transferred and exchanged as provided in Section 2.07(b), Section 2.07(c) and Section 2.07(j).

(b) Transfer and Exchange of Beneficial Interests in the Global Securities. The transfer and exchange of beneficial interests in the Global Securities shall be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Securities shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Securities also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Security. Beneficial interests in any Restricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Security in accordance with the transfer restrictions set forth in the Private Placement Legend; provided, however, that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Temporary Global Security may not be made to a U.S. Person or for the account or benefit of a U.S. Person. Beneficial interests in any Unrestricted Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.07(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Securities. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.07(b)(i), the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Security in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Security in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Security shall be registered to effect the transfer or exchange referred to in (1) above; provided that in no event shall Definitive Securities be issued upon the transfer or

exchange of beneficial interests in the Regulation S Temporary Global Security prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 of Regulation S. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Securities contained in this Indenture and the Securities or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Security(s) pursuant to Section 2.07(h).

(iii) Transfer of Beneficial Interests to Another Restricted Global Security. A beneficial interest in any Restricted Global Security may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Security if the transfer complies with the requirements of Section 2.07(b)(ii) and the Registrar receives the following:

(1) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Security, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(2) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Temporary Global Security or the Regulation S Permanent Global Security, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(iv) Transfer and Exchange of Beneficial Interests in a Restricted Global Security for Beneficial Interests in an Unrestricted Global Security. A beneficial interest in any Restricted Global Security may be exchanged by any Holder thereof for a beneficial interest in an Unrestricted Global Security or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Security if the exchange or transfer complies with the requirements of Section 2.07(b)(ii) and:

(1) the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Security proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Security, a certificate from such Holder substantially in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Security proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this subparagraph (b)(iv), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act; or

(2) such transfer is effected pursuant to an automatic exchange in accordance with Section 2.07(j).

If any such transfer is effected pursuant to subparagraph (iv) above at a time when an Unrestricted Global Security has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.03 hereof, the Trustee shall authenticate one or more Unrestricted Global Securities in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (iv) above.

Beneficial interests in an Unrestricted Global Security cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Security.

(c) Transfer or Exchange of Beneficial Interests for Definitive Securities.

(i) Beneficial Interests in Restricted Global Securities to Restricted Definitive Securities. If any holder of a beneficial interest in a Restricted Global Security proposes to exchange such beneficial interest for a Restricted Definitive Security or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Security, then, upon the occurrence of any of the events in paragraph (i), (ii) or (iii) of Section 2.07(a) and receipt by the Registrar of the following documentation:

(1) if the holder of such beneficial interest in a Restricted Global Security proposes to exchange such beneficial interest for a Restricted Definitive Security, a certificate from such holder substantially in the form of Exhibit C hereto, including the certifications in item (2)(a) thereof;

(5) if such beneficial interest is being transferred to the Company or any of its Subsidiaries, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (3)(b) thereof;

(6) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (3)(c) thereof; or

(7) if such beneficial interest is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (2) through (4) above, a certificate to the effect set forth in Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (3)(d) thereof, if applicable;

the Trustee shall cause the aggregate principal amount of the applicable Global Security to be reduced accordingly pursuant to Section 2.07(h), and the Company shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Security in the applicable principal amount. Any Definitive Security issued in exchange for a beneficial interest in a Restricted Global Security pursuant to this Section 2.07(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Securities to the Persons in whose names such Securities are so registered. Any Definitive Security issued in exchange for a beneficial interest in a Restricted Global Security pursuant to this Section 2.07(c)(i) shall bear the Private Placement Legend, the OID Legend and the Regulation S Temporary Global Security Legend, as applicable, and shall be subject to all restrictions on transfer contained therein.

(ii) Beneficial Interests in Regulation S Temporary Global Security to Definitive Security. Notwithstanding Section 2.07(c)(i)(1) and Section 2.07(c)(i)(3), a beneficial interest in the Regulation S Temporary Global Security may not be exchanged for a Definitive Security or transferred to a Person who takes delivery thereof in the form of a Definitive Security prior to (A) the expiration of the Restricted Period and (B) the

receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(iii) Beneficial Interests in Restricted Global Securities to Unrestricted Definitive Securities.
